# CITY COUNCIL

### OFFICIAL

Proceedings, May 1, 1922

City Council Rooms.

Lansing, May 1, 1922.

The city council met in regular session and was called to order by Mayor B. A. Kyes.

Roll call:

Present—Ald. Avery, Britten, Chapman, Clapham, Dymond, Fowler, Herb, Howe, Klock, Main, McComb, McKale Phillips, Templeton, Trager, Watley.—16.

Absent—None.

The record of the previous session was approved as printed.

To the City Council:

Gentlemen—As chief executive of the city I surrender the reigns of city government to my successor in office and in so doing I wish to express my wishes for the success of the coming administration. The term of my office just drawing to a close has been a most enjoyable experience to me and, I trust, profitable to the city. The council and other city officials with whom I have worked during my term of office will always remain in my memory, as friends who have been loyal co-workers with me in city affairs and as I lay down the reigns of city government I do it with the best feeling toward all.

During my incumbency in office I have been particularly interested in public improvements. It may be I have been over-zealous in this respect, but I felt the capital city of our State should progress along the lines of civic betterment. The city's needs along these lines were many; our pavements were in bad shape;

our sewers were inadequate to take care of the needs of the city, and streets in general needed attention. The citizens of Lansing were petitioning for these improvements and the only thing for us to do was to carry out the wishes of the people.

I wish to say at this, the close of my term of office as mayor, that the vast amount of work accomplished for the city of Lansing during the last two years will go down in history as a record for those who participated in the work of carrying out the wishes of the people in making these public improvements.

With the public improvements now under way and the money on hand to start other work with, the city should make further progress along the line of building pavements, sewers, bridges and other improvements that are needed to keep pace with the growth of the city.

In reviewing the activities accomplished during the year, I have been more than pleased with the progress made.

Our system of garbage collection has changed from a system of many complaints to a system that, I believe, is very satisfactory to the citizens of Lansing. Our system of disposal by feeding hogs has proven to be very profitable to the city, and our hog farm is to be regarded as a model after which to pattern municipal piggeries.

The city of Lansing is to be congratulated for the many miles of pavement it has, and if present plans are completed and the wishes of the people carried out many more miles will be constructed and the city of Lansing will rank among the best

cities of the state along the line of good thoroughfares.

The many miles of sewer constructed during the past two years has added largely to our sewer system and with the work now under contract completed the system will be greatly improved.

The Zoning Ordinance and City Planning, if passed, will be propositions that the city will derive great benefits from during the years to come.

The city of Lansing should be justly proud for the gift of Durant park to the city. This with Bancroft park added to our already beautiful places of recreations makes Lansing a better place in which to live.

In passing I just wish to touch upon our health situation with our Detention hospital and efficient health department, the health of the city can be taken care of much more satisfactory than ever before.

I would like to take more time in reviewing the work accomplished by the different departments of our city government during my two years in office, but I am sure the citizens of Lansing are very familiar with the improvements made.

#### City Council Rooms.

Lansing, May 1, 1922.

The city council met in regular session and was called to order by Mayor J. W. Ferle.

Roll call:

Present — Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

Honorable Members and City Council:

In accordance with the provision of the city charter that the mayor shall recommend to the council such measures as he shall term expedient, I would respectfully call your attention to several matters which seem to me to merit as prompt consideration as possible, but at this time shall do so in a general way, reserving more particular recommendations for a future occasion when I shall have had opportunity for fuller investigation.

#### Telephone Rates.

As you are aware, proceedings are now pending before the utilities commission, relating to the merger of the Citizens and Bell Telephone companies in this city and other parts of the state, and also that a petition has been filed by the Michigan State Telephone company, asking for an

In closing I wish to say in leaving the city government, I have no desire to offer any suggestions or recommendations but leave the incoming administration unhampered, so far as any recommendation I might make, to work out these problems as they arise.

Let me say again I have appreciated very much the support and co-operation of those who have worked with me during my term of office and had it not been for the united support of my fellow officials we could not have accomplished the work we did.

I want to thank the citizens of Lansing for the honor conferred upon me by electing me to fill the highest position a citizen can be given in the city, for it really is an honor to be mayor of the city of Lansing, and for this honor I shall ever be interested in the future welfare of the city of Lansing.

B. A. KYES.

Received and placed on file.

By Ald. Britten—

That we adjourn sine die.

Carried.

J. A. PARSONS,  
City Clerk.

increase of rates in view of the proposed merger. I am informed that hearings have been in progress for more than a month, but as far as I can learn, this city has not in any way been officially represented at these hearings, either on the question of merger or on that of rates. I would earnestly recommend that immediate steps be taken to cooperate with other cities in this matter, as it is of immediate importance to this city, and action must be taken at once if we are to be heard in the matter.

#### Taxation.

One of the hardest problems we have to face is the problem of taxation. Schools, pavements, city beautification and all other public improvements are not merely desirable but necessary; but if we have them, they must be paid for, and taxes have already reached, and in many cases passed the ability of the citizen to pay. It is my hope that without any sacrifice of efficiency, we can reduce our city tax rate at least 15%, and I recommend the limitation of the budget to the most essential items.

#### City Planning.

The city plan commission, with the help of expert assistance, has prepared a city plan and a zoning ordinance. I am in hearty sympathy with this movement and recommend that the ordinance be passed with

such amendments as careful study may make advisable. Ordinances like this are of the utmost importance to the future growth and development of the city, and as a city administration we should co-operate earnestly in every effort to make this a city which shall be in every respect a model for the state.

#### Streets.

In considering the opening, grading and paving of streets, and the acceptance of the plats in new additions, special attention should be given, in my opinion, to see that they fit into the city plan; and in the paving, grading and curbing of streets, the major streets of the plan should be given the first attention. This will conduce not only to greater beauty and convenience in the city, but to greater economy and efficiency in administration.

#### Parks.

We have made a fine start on a good park system, but as yet have done but very little to provide playgrounds and means of recreation for our people. I consider wholesome outdoor recreation for both children and adults so vitally essential, that we should provide increased facilities for it, even though it curtails to some extent our activities in other directions.

#### Poor Department.

The giving of aid without proper investigation is not only a waste of public money but pauperizes the receiver, and does more harm than good. Our public health department is now in position, with the co-operation of other departments and organizations, to make this investigation. I would, therefore, recommend that the council should consider the advisability of placing the poor department under the control of the board of health. It seems to me that this course would tend also to promote efficiency any economy in the administration of relief by the city.

#### Shade Trees.

Our city may well be proud of its shade trees, and every effort should be made, by earnest co-operation of all departments of the city government to promote the planting and preservation of trees. It seems also desirable that the city should encourage property owners to plant trees by furnishing them at wholesale prices if possible, and by such other assistance as may seem desirable.

#### Police Department.

There is no more important branch of our city government than this. If our city ordinances and the laws of

the state are wrong, they should be repealed, but until repealed it is our duty to co-operate for their enforcement. At the same time, it is also true that common sense should be used, and that roughness, abuse and carelessness are absolutely inadmissible. I know of nothing that fully shows the character of a city than the efficiency and discipline of its police. Great power is vested in them, and it should be used with the utmost consideration for the rights and liberties of the citizen so that our police department may be a model to other cities. To this end I bespeak the co-operation, not only of your honorable body, but of the entire police department, including every patrolman on the force.

In concluding this my first message of my second term, I wish to express to your honorable body and to every department of the city, my hearty appreciation of the good work and faithful service that have made our city one of the best of its class in the country; and to pledge to you my heartiest and most earnest co-operation with you, not only to continue the good work of the past, but if possible, to surpass it so that this, the capital city of the state of Michigan may be also the model city of our state.

Respectfully submitted,  
JACOB W. FERLE,  
Mayor.

Respectfully submitted,

O. E. ECKBERT,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City  
Council:

Gentlemen—The wooden floor system on the Seymour st. bridge was wrecked during the past week by heavily loaded trucks.

It will cost approximately \$3200 to replank the bridge and put in new stringers to increase the strength of the floor system.

In as much as the council has passed some proceedings looking toward the replacement of this bridge which have since been rescinded, I would like an expression from the council as to whether or not the bridge should be replanked.

If the bridge is to be replaced soon, the present structure should be closed to traffic as it is not safe for all loads that might use it.

However the bridge could be put in better shape by replanking, than it was this spring.

Respectfully submitted,

O. E. ECKBERT,

City Engineer.

Referred to committee on bridges.

To the Honorable Mayor and City  
Council:

Gentlemen—I respectfully submit for your approval the following bonds:

Personal bonds of the American State Savings bank in sum of \$400,000.

Personal bond of the Capital National bank in the sum of \$400,000.

Surety bonds of the City National bank in the sum of \$400,000.

The above bonds to expire May 1, 1923.

Surety bonds of Walter S. Campbell, city treasurer for a period of two years—to May 1, 1924, in the sum of \$250,000.

Respectfully yours,

F. H. PRESLEY,

City Comptroller.

Referred to committee on bonds and contracts.

To the Honorable Mayor and City  
Council:

Gentlemen—In accordance with a resolution adopted April 10, 1922, the writer has mailed the necessary information relative to the bonds to be sold on May 22, 1922, to 126 bond

houses in various cities in the United States and with the committee on ways and means has awarded the printing of the bonds to the Gardner Printing company of this city and have made arrangements with Mr. John C. Thomson, attorney at law, New York city to give his opinion on said bonds.

Advertisements in accordance with said resolution will appear in the Daily Bond Buyer and The Daily Bond News on May 2nd, 3rd, 4th and 5th and if Mr. Thomson submits a favorable opinion, the bonds will be ready for delivery to the successful bidder within two days from date of sale.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

The committee on bridges to whom was referred the matter of consulting with property owners on Shiawassee st. where the proposed bridge is to be constructed begs leave to report as follows:

We submit, herewith, letters from property owners on Shiawassee st. which states the position of the property owners with regard to the proposed construction of the Shiawassee st. bridge.

The Lawrence Baking company is in favor of making the improvement and asks no damages. The New York Central Railroad company has agreed to contribute \$50,000 toward the construction of the overhead structure. (See council proceedings of February 27, 1922.) Michigan United Railways company states that they are not in a position to expend any money in connection with the proposed improvement. The committee believes, however, that when this improvement is put in the tracks used for switching into the car barns should be removed from Shiawassee st. and the switching done on the company's private property.

Messrs. Spier, Plummer and Smith, who own the property on the north side of the street east of the New York Central tracks, have submitted the proposition which is attached to this communication and we recommend that in preparing the plans for the proposed bridge there be incorporated in the plans the things asked for by these property owners; namely, an entrance about 40 feet wide from the new level of the bridge to the second story of the building, and a 10-foot wide entrance for pedestrians near the end of the building. We also recommend that the steps and platforms now located in the street be permitted to remain in order to provide access to the present building. We also recommend that the owners be assured that they will be put to no expense for paying repairs, reconstruction of sidewalks, sewers or drainage, or any other repair work incidental to the construction of the bridge.

## PUBLIC IMPROVEMENT II.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted April 17, 1922 for paving Prospect street from Holmes st. to Clifford st. are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Prospect st., within the East line of Holmes st. and the West line of Clifford st., and extending back from said Prospect st., a distance of 165 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as are herein included.

That the estimated expense of said improvement is \$11,976.52;

That the expense of such improvement in public street and alley intersections is \$2,487.63 which shall be

paid by the city out of the general paving fund.

That 80% of the remainder of said estimated expense, to wit, the sum of \$7,591.11 shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement, and the remainder of such expense, to wit, \$1,897.78 shall be paid by the city out of the general paving fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

To the Mayor and City Council:

Gentlemen—Your board of cemetery and public park commissioners after a careful consideration of all properties proposed as available cemetery sites have taken an option on the 80 acres belonging to Edward W. Banks and wife and described as the west one-half of the north east one quarter of section 26, town 4 north, range 2 west, Ingham county, Michigan.

This property lies just a half n. east of the east line of Mt. Hope cemetery with a frontage of 80 rods on Mt. Hope ave., and extends south 120 rods to a good gravel road. The frontage on Mt. Hope ave. is beautifully wooded and would provide a beautiful park entrance while the major part of the property is a high ground with a sand subsoil and a very good top soil and would appear to be ideal for burial purposes. Soil is exceptionally well drained to creek which flows year around.

Inasmuch as bonds for this purpose have been voted by the people and were issued and the money is now available, we therefore recommend that the option be taken up and that the Mayor and clerk be instructed to purchase same in the name of the city of Lansing.

Board of cemetery and public park commissioners.

By H. LEE BANCROFT.

On motion of Ald. Phillips same was referred to committee on city affairs and city attorney.

By Ald. McKale—

That the one bid be laid on the table.

Carried.

By Ald. Avery—

That time for receiving bids for this sewer be extended two weeks.

Carried.

## REPORTS OF CITY OFFICERS

The report of the gas inspector as to weights and measures for the week ending May 6, 1922, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Complying with instructions received from the city council at its last meeting, I have investigated the claim of Daniel Edwards. I find that the property affected has been carried on the assessors books improperly described.

In making the assessment roll for the paving of Larch st., from Michigan ave. to Shiawassee st., the south 2 rods of the west 12.75 rods of lot 5 and the north 1 rod of the west 12.75 rods of lot 6, block 243, was assessed to Gus Bergman as the south  $2\frac{1}{2}$  rods of the west 12.75 rods of lot 5 and the north 1 rod of the west 12.75 rods of lot 6, block 243, making an error of  $8\frac{1}{4}$  feet in this description, thus making the assessment \$32.28 greater than it should be.

Respectfully,

O. E. ECKERT,

City Engineer.

Referred to committee on streets.

To the Honorable Mayor and City Council:

Gentlemen—The Moores Drive association and the Lansing Home Building company have filed with me deeds for land at the intersection of Moores Drive, Moores ave. and Boston Blvd., to be used for park purposes.

Respectfully submitted,

City Clrk.

Referred to committee on city affairs and city attorney.

To the Honorable Mayor and City Council:

Gentlemen—In relation to the matter of completing the paving of Main st. between Cedar and Dakin sts., which matter was referred to me at the last meeting of this council, I beg leave to make the following report.

From the examination of the records I find that a petition for the paving of said street was filed May 26, 1919, and the committee reported favorable upon the same June 2nd, 1919. Public improvement resolution number 1, was passed and adopted. June 16, 1919, the engineer made his estimate of the costs and expenses and plan of the grading and paving

of the street. On the same date public improvement resolution number 2 was adopted by the council, which adopted the plans and specifications on file in the office of the engineer in relation to the grading and paving of the street. Later on a resolution was passed to vote the bonds, which appear to have been voted, for the building of said street and other streets. On July 28th, 1919, council ordered the engineer to proceed to pave the street according to the plans and specifications, and as appears from the records and the physical conditions of the street the same was partly paved.

On August 11, public improvement number 3, was adopted directing the clerk to give notice of hearing on special assessment rolls. On August 13, the hearing on appeals was had and no objections made or appeals taken, so it would appear up to this time, if all matters have been carried out as we understand they have and should be, that the assessment roll has been made, where the matter appears to rest as far as the paving of the street is concerned or further action in relation to the special assessment roll.

On June 20, 1921, a resolution was introduced and adopted by the council rescinding the resolution of the former council to pave and raise the grade of Main st. from Beech to Hosmer sts., which is a part of this st. in question, but as to what resolution this rescinding resolution referred is problematical as the index to the council records shows no resolution providing for a raise or change in grade, unless it could be said that public improvement resolution number 2, was the one referred to. Later on, August 8th, 1921, a petition was filed with this council by the citizens to complete the pavement as planned, upon which no action was taken except to receive and refer it to the committee on streets, and no further proceedings were had thereon, as shown by the minutes of the council.

I would recommend that the resolution adopted by this council June 20, 1921, whereby it undertakes to rescind some resolution in relation to the grading and paving of this street be rescinded and held for naught, and further, that a resolution confirming all previous proceedings by this council be adopted and that the council order the paving to proceed in accordance with its original plans and undertakings.

Very respectfully,

D. G. F. WARNER,

City Attorney.

Received and placed on file.

## REPORT OF COMMITTEE

The committee on sidewalks to whom was referred the resolution of Ald. Klock relative to assessing \$40 sidewalk tax against North one-third of lot 20, block 1, Lansing imp.; Co's

addition, begs leave to report as follows:

We recommend that the resolution be passed.

E. D. KLOCK,  
H. S. FOWLER,  
J. H. CHAPMAN,  
Committee on Sidewalks.

Received and placed on file.

The following committee report was taken from the table:

The committee on streets to whom was referred the communication of Peter F. Gray, postmaster, relative to similarity in the names of several streets in the city, and also a communication from a committee of the Metropolitan club calling attention to the same condition and to the confusion caused thereby, begs leave to report as follows:

We recommend that an ordinance be passed to change the name of a street in each case where duplication or similarity exists, and that the city attorney be directed to prepare an ordinance to carry this recommendation into effect. We recommend that the following changes be made:

Beale court to Stanley court;  
Handy court to Railroad st.; Huron road to Rockford road; Lincoln ave. to John st., Marion st. to \_\_\_\_\_  
Neller st. to John Mills st.; Perry ave. to Green Lawn ave.; Robert st. to Elm st.; Cass st. to Pingree st.; Becker st. to Westmoreland ave.; Dayton st. to Jenison ave.; Moores ave. to \_\_\_\_\_ Elwyn ave. to \_\_\_\_\_; to Towne st. to Westmoreland ave.; Ayers st. to Westmoreland ave.

The following streets are outside of the city and we recommend that the matter of changing the names of the same be referred to the parties who originally named them asking that a change be made.

Detroit st.; Detroit ave.; Howard ave.; Oak ave.; Holmes road.

O. C. HOWE,  
M. A. TEMPLETON,  
A. E. DYMOND,  
Committee on Streets.

By Ald. Howe—

That report of the committee be adopted.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Watley—15.

Nays—None.

The following report was taken from the table:

\* The committee on bridges to whom was referred the matter of consulting with property owners on Shiawassee st., where the proposed bridge is to be constructed, begs leave to report as follows:

We submit, herewith, letters from property owners on Shiawassee st. which states the position of the property owners with regard to the proposed construction of the Shiawassee st. bridge.

The Lawrence Baking company, in favor of making the improvement and asks no damages. The New York Central Railroad company has agreed to contribute \$50,000 toward the construction of the overhead structure (See council proceedings of February 27, 1922.) Michigan United Railway company states that they are not in a position to extend any money in connection with the proposed improvement. The committee believes, however, that when this improvement is put in the tracks used for switching into the car barns should be moved from Shiawassee st. and the switching done on the company's private property.

Messrs. Spier, Plummer and Smith, who own the property on the north side of the street east of the New York Central tracks, have submitted the proposition which is attached to this communication and we recommend that in preparing the plans for the proposed bridge there be incorporated in the plans the things asked for by these property owners, namely, an entrance about 40 feet wide from the new level of the bridge, to the second story of the building, and a 10-foot wide entrance for pedestrians near the end of the building. We also recommend that the steps and platforms now located in the street be permitted to remain in order to provide access to the present building. We also recommend that the owners be assured that they will be put to no expense in paying repairs, reconstruction of sidewalks, sewers or drainage, or any other repair work incidental to the construction of the bridge.

ELMER CLAPHAM,  
E. D. KLOCK,  
W. T. TRAGER,  
Committee on Bridges.

By Ald. McKale—

That report of the committee be adopted.

Carried.

The committee on sidewalks to whom was referred the resolution of Ald. Klock to refund to Rose Steinkohl \$40 for amount overpaid for sidewalk tax, begs leave to report as follows:

We recommend that the resolution be adopted inasmuch as she was assessed for more frontage than she owns.

## To the Honorable Mayor and City Council:

Gentlemen—I herewith present you with estimate of cost for putting in bape and travelling Regent st., from Shields st. to Grand Trunk Railroad:

Estimated cost .....	\$942.00
Fifth Ward Highway .....	47.00
To be assessed .....	<u>\$895.00</u>

Respectfully submitted,

O. E. ECKERT,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I find on examination of the papers transmitted to me by my predecessor that on April 27, 1921, the city commenced a civil action in the circuit court for this county against John McClellan for the recovery of certain funds. That a plea was duly filed and that as far as I can discover, the said case has been ready for hearing for nearly a year, but no disposition has been made of it.

Owing to the fact that at the time of, and prior to the commencement of said action, I counseled with Mr. McClellan regarding it, and have repeatedly talked the matter over with him and expressed my opinion as to various matters connected therewith, I feel that it would be improper for me to represent the city in said action, and would, therefore, respectfully request your Honorable Body to appoint another attorney to try the said case or take such other action in the premises as shall seem proper.

Respectfully submitted,

CLARK C. WOOD,

City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I herewith submit, agreeable to your orders, the following Special Assessment Rolls and Estimate Cost—760 feet of sewer in Magnolia from Kalamazoo st. to lot 304 Leslie Park Sub.

Grading Prospect st. from Fairview to Clements.

Respectfully submitted,

JOHN S. BENNETT,

Assessor.

Received and placed on file.

E. S. AVERY,

OSMOND C. HOWE,

M. A. TEMPLETON,

Committee on ways and Means.  
Received and placed on file.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

That the bid of Keane Higbie & Co. of \$769,452.00 for \$740,000 City of Lansing Lighting and Power bonds, being the best and highest bid, that the same be awarded to Kean Higbie & Co., and the mayor and clerk be authorized to execute said contract on behalf of the city.

The above resolution was placed on file one week in the office of the city clerk in accordance with section 92 of the city charter.

#### REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending May 20, 1922 was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen: Reporting on the resolution offered by Ald. McKale, instructing the city clerk to draw an order on the city treasurer in favor of Charles J. Davis for the sum of \$1646.47 for refund of Holmes street

tax paid under protest, would say that in my opinion, the bill should be allowed and paid.

I have not overlooked the provisions of section 257 of the city charter, but, in my opinion, this applies to other payments which have been voluntarily made, and not to payments such as the present besides, it was in Mr. Lyons' power, by insisting on trial, to have subjected the city to considerable additional cost and expense in the matter. On the record as it stood the city could not possibly win. The arrangement made must, therefore, be regarded as a compromise, and for that reason also should be paid.

Respectfully submitted,

CLARK C. WOOD,  
City Attorney.

By Ald. Howe—

That the communication be received and placed on file,  
Carried.

To the Honorable Mayor and City Council:

**F. H. PRESLEY,**  
City Comptroller.

Received and placed on file.

To the Honorable Mayor and City  
Council—

Gentlemen: The old paving brick  
taken from Michigan ave. east, be-  
tween the M. C. R. R. tracks and the  
old city limits have not been account-  
ed for up to the present time,

I have just received a report from  
the engineer's office, giving the total  
surface yardage and the estimated  
number of brick per square yard and  
I respectfully submit the following  
plan of arriving at a fair credit to  
be passed to the construction of the  
new pavement on Michigan ave.

Total brick surface yardage....	18,363	
Est. No. of brick per sq. yd.....	37	
Total estimated quantity .....		679,431 brick
Deductions.		
By 15% not salvaged on account of earth cover....	169,857	
By 50% of the remainder, broken bats, no value....	254,787	424,644
Total quantity salvaged and to be accounted for....		254,787
Credits.		
Sold to date—80,542 at price per M ranging from		80,542
\$18.00 to \$23.00 or total of.....	\$1626.18	
Used in miscellaneous catch basin construction for		
benefit of entire city—no credit allowed.....		54,245
Charged to brick store account—		
120,000 at \$18.00 per M.....	\$2160.00	120,000
Total credit to Michigan avenue pavement....	\$3786.18	254,787 254,787

If the above proposal meets with your approval, I respectfully request authority to charge the brick on hand—120,000 to brick store account at \$18.00 per M. so that the credit to Michigan avenue pavement may be passed at this time. This account

will be eventually closed by credits passed to it by sale of these brick.

Very truly yours,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I herewith present you with a plan of Kenmore subdivision, part of north  $\frac{1}{2}$  of northwest  $\frac{1}{4}$  section 20; also resubdivision of blocks 17, 21 and 22 and lots 35 to 72, block 30 Elmhurst subdivision on northeast  $\frac{1}{4}$  section 29.

Respectfully submitted,

ERNEST G. EDDY.

Referred to committee on streets.

#### REPORTS OF COMMITTEES.

The committee on sewers, to whom was referred the protest against sewer connection be made with the Osborn drain that is located in the vicinity of W. Saginaw st. until such drain is made into an inclosed sewer from 80 rods north of Saginaw st. to Grand river, inasmuch as the drain has been unsanitary and a public nuisance since it has been used as a sewer, begs leave to report as follows:

This drain extends beyond the city limits. It is in an unsanitary condition and should be corrected. We recommend that the matter be worked out in conjunction with George Graham, county drain commissioner.

By Ald. McKale—

Whereas, a petition for the paving of Holmes st. from Michigan ave., to Main st. was duly and legally filed with the city council of the city of Lansing, with the requisite number of signers, to secure the paving of said street as required by the city charter; and

Whereas, the city council, acting upon said petition, took steps and proceedings to pave said street as requested, and has paved the same; and

Whereas, Chas. J. Davis, who owns property fronting on said st., commenced suit in the circuit court for the county of Ingham to recover the taxes he had paid for the construction of said pavement; and

Whereas, upon a trial of said cause, a verdict was rendered in favor of said Chas. J. Davis, for the return of said taxes, upon the ground that the assessment against the said Davis was illegal and void; and

Whereas, it is desired to take the necessary steps, as provided by the charter of the city of Lansing to reassess said property fronting on said street;

Now therefore, be it resolved that the resolution of June 7, 1920, in relation to the paving of said Holmes st. introduced by Ald. Britten, designated public movement II, be and the same is hereby amended to read as follows:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted June 7, 1920, for paving Holmes st. from Michigan ave. to Main st. are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said Holmes st. within the south line of Michigan ave. and the north line of Main st., excepting from said described district all public sts., alleys and parcels of land herein described not adjoining said street, and rights of way of railroads, as herein included.

That the estimated expense of said improvement is \$31,416.

That the expense of such improvement in public st. and alley intersections is \$6,996.00 which shall be paid by the city out of the general paving fund.

That 80 per cent of the remainder of said estimated expense, to wit, the sum of \$19,536.00 shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the foot frontage of each parcel respectively, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the foot

frontage of each, and the remainder of such expense, to wit, \$6,996.00 shall be paid by the city out of the general paving fund.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

Resolved further, that all resolutions passed by this council after June 7, 1920, in relation to the paving of said Holmes st. from Michigan ave. to Main st., be and the same are hereby rescinded.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, McComb, McKale, Phillips, Templeton, Trager, Watley—15.

Nays—None.

## PUBLIC IMPROVEMENT II.

By Ald. McKale—

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted April 16, 1921, for grading and gravelling alley in block 2, Park Place addition, from Moores River dr. to Barnes ave., are hereby adopted.

That the portion of city deemed to be specially benefited by such improvement is all lots, premises and subdivisions thereof fronting on or adjoining said portion of said alley within the south line of Moores River dr. and the north line of Barnes ave. and extending back from said alley a distance of 100 feet from each side of said street, excepting from said described district all public streets, alleys and parcels of land herein described not adjoining said street, and rights of way of railroads as are herein included.

That the estimated expense of said improvement is \$183.01.

That the expense of such improvement in public street and alley intersections is \$10.98, which shall be paid by the city out of the 6th ward highway fund.

That all of the remainder of said estimated expense, to wit, the sum of \$172.03 shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described, in proportion to the benefits accruing to each parcel respectively from the construction of such improvement, and upon the owners and occupants of the houses and lands within said described district to be benefited thereby, in proportion as near as may be to the advantage which each shall acquire by the making of such improvement.

That the city assessors be and hereby are directed to make an assessment roll in accordance with this resolution and return the same to the city council at its next regular meeting, or as soon thereafter as may be.

### ORDINANCES.

Ald. Avery introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances:

**AN ORDINANCE** to license and regulate the operation of motor buses within the limits of the city of Lansing, which are operated to or from any place or point in the city of Lansing to any other place or point without the city of Lansing. The city of Lansing ordains:

Sec. 1. Every person, partnership, or corporation operating any motor bus or buses (not including taxicabs) on the streets of the city of Lansing as a means of transporting passengers for hire to or from any place or point in the city of Lansing, shall first obtain a license from the city clerk so to do, which license shall be obtained as follows: Application for a license under the provisions of this ordinance shall be made in writing to the city clerk upon blanks furnished by the city clerk and each applicant shall state his, their, or its name, residence and business address and whether previously engaged in the business of transporting passengers for hire and if so, for what length of time, the street or streets in the city of Lansing proposed to be used in transporting passengers through, to, or from the city of Lansing, the make and kind of bus or buses, the horsepower, factory number and carrying capacity thereof and the rated seating capacity of such motor bus or buses to be so used.

Sec. 2. Before any such license shall be issued or granted by the city clerk, the person, firm or corporation applying therefor shall pay to said city clerk for the use of the city, an annual license fee of Two Hundred (\$200.00) Dollars for each

and every bus so operated or proposed to be operated by such applicant as provided in section 1 of this ordinance. All such license fees shall be immediately turned into the city treasury by the city clerk and credited to the contingent fund. Upon the payment of such license fee, the city clerk shall issue a license as aforesaid to the applicant, which license shall be in force and effect for the period of one year from its date and no longer. Such license may be renewed from year to year upon such licensee applying for such renewal and paying for the license fee as provided herein.

Sec. 3. Before any license shall be issued under the provisions of this ordinance, the person applying therefor shall file with the city clerk a good and sufficient bond or policy of insurance in the amount of Five Thousand (\$5,000) Dollars, approved by the city attorney and executed by some bonding, or a surety or insurance corporation authorized by the laws of the state of Michigan to do a surety and bonding business within said state, conditioned that the applicant or licensee under this ordinance shall save harmless and indemnify any person, citizen, firm or corporation of Lansing, Michigan, for any damages to his or its person, or property caused or produced by the fault or negligence of said licensee or any of its officers, agents, servants or employes while operating said motor bus or buses, and to pay and discharge any judgment or judgments which may be had or recovered against such licensee for or on account of such injuries or damage. Said bond or policy of insurance shall run to the city of Lansing for the benefit of any person, citizen, firm or corporation of said city of Lansing, Michigan, which may recover judgment against said licensee on account of such injuries or damages to person or property and shall provide that suit thereon may be maintained by any such person, citizen, firm or corporation which shall recover such judgment. Such bond or policy of insurance shall remain in full force and effect for the full period of time covered by the license for the operation of such motor bus or buses and any renewal thereof.

Section 4. Any person, firm or corporation operating a bus or buses under a license issued in accordance with this ordinance and every officer, agent, servant or employee of such person, firm or corporation is expressly forbidden to take on or discharge any passengers within the city limits of the city of Lansing on any street or streets over, or upon which, any electric or interurban cars are now or shall be hereafter operated.

Sec. 5. All licensees under this ordinance and their officers, agents,

servants and employes shall comply with the provisions of all the traffic ordinances and regulations of the city of Lansing, except that any person, firm or corporation obtaining a license under this ordinance, shall not be required to take out a license under any other ordinance regulating the operation of motor buses over the streets of the city of Lansing.

Sec. 6. The provisions of sections 1, 2 and 3 of this ordinance shall not apply to the person or persons employed by the owner or operator of said motor buses as drivers or chauffeurs, but in all other respects such drivers or chauffeurs shall be governed by the provisions of this ordinance.

Sec. 7. Any person, firm or corporation, or any officer, agent, servant or employe of such person, firm or corporation who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding Two Hundred (\$200) Dollars and if a license has been issued to such person, firm or corporation, under the provisions of this ordinance, upon such conviction aforesaid, said license shall be automatically forfeited and cancelled and held for naught.

Sec. 8. This ordinance shall not apply to any motor bus or buses operated wholly within the city of Lansing under ordinance No. 95 of said city, entitled,

"An ordinance to license and regulate the operation of motor buses within the limits of the city of Lansing."

## REPORT OF COMMITTEE

The committee on streets to whom  
 was referred the petition for curb  
 and gutter in Cleveland st. from  
 Sheridan st. to Franklin ave., begs  
 leave to report as follows:

We recommend that the request  
 be granted.

W. H. McKALE,  
 A. H. PHILLIPS,  
 Committee on streets.

By Ald. McKale—

That report of the committee be  
 adopted.  
 Carried.

The committee on streets, to whom  
 was referred the request of Herbert  
 E. Crowl for permission to install a  
 gasoline filling station at the rear  
 end of lot at the southwest corner of  
 Saginaw and Butler sts., begs leave  
 to report as follows:

We recommend that the request be  
 granted under supervision of the  
 superintendent of public works.

W. H. McKALE,  
 A. H. PHILLIPS,  
 Committee on Streets.

By Ald. McKale—

That the report of the committee  
 be adopted.

The committee on street, to whom  
 was referred the plan of the Torrance  
 Court addition, begs leave to report  
 as follows:

We recommend the plat be ac-  
 cepted when the street is properly  
 graded, the center to be at least four  
 inches below the sidewalk.

W. H. McKALE,  
 A. H. PHILLIPS.

By Ald. McKale—

That report of the committee be  
 adopted.

Carried.

The committee on city affairs, to  
 whom was referred the communica-  
 tion of the board of cemetery and  
 public park commissioners relative  
 to the purchase for cemetery pur-  
 poses of 80 acres of land belonging  
 to Edward W. Banks and wife, and  
 described as the west one-half (½)  
 of the northeast one-quarter (¼) of  
 section twenty-six (26), town four  
 north, range two west, Ingham  
 county, Michigan, and for which  
 property an option to purchase has  
 been obtained for the sum of \$24,000,

#### UNITED STATES OF AMERICA

State of Michigan

County of Ingham

City of Lansing Lighting and Power Bonds.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000 lawful money of the United States of America on the 1st day of July, 19.., at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½% per annum, payable semi-annually on the 1st day of July and the 1st day of January of each and every year, beginning with the 1st day of January, 1923, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 10 aggregating the sum of \$10,000 issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribu-

tion system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of holder upon books to be kept by the city treasurer, and similarly noted hereon after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date July 1, 1922, by order of said council.

CITY OF LANSING.

Ingham County, Michigan.

By J. W. Ferle (fac-simile), Mayor  
By J. A. Parsons (fac-simile), Clerk

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. McKale--

Resolved by the city council of the city of Lansing that the resolution introduced by Ald. Britten in this council April 18, 1921, relating to the pavement of Michigan ave. from the M. C. R. R. to the old city limits and designated as public improvement II is hereby amended to read as follows:

Resolved by the city council of the city of Lansing:

That the plans and specifications returned by the city engineer in pursuance of the resolution of this council adopted June 1, 1920, for repaving Michigan ave. from the M. C. R. R. tracks to the old city limits are hereby adopted.

That the portion of the city deemed to be specially benefited by such improvement is all lots, premises, and subdivisions thereof fronting on said portion of said Michigan ave., within the west line of section 15 and the east line of section 15, excepting from said described district all public streets, alleys, and rights of way of railroads as are herein included.

That the estimated expense of said improvement is \$229,000; that the expense of paving between the rails and for a width of 18 inches on each side of the tracks of the Lansing City Railway company, its successors and assigns to-wit, the sum of \$96,700, shall be paid by said railway company, its successors or assigns. Two-thirds of the balance, or \$88,300, which shall be paid by the city out of the general paving fund.

That all of the remainder of said estimated expense to-wit, the sum of \$44,100, shall be defrayed by special assessment upon the taxable lands and premises within the district heretofore described in proportion to the foot frontage of each parcel respectively and upon the owners and occupants of the houses and lands within said described district to be benefited in proportion as near as may be to the foot frontage of each upon said street. That of said sum of \$44,100.00, \$13,371.083 thereof shall be assessed upon the lots, premises, and subdivisions fronting on said street from the Michigan C. R. R. tracks to Pennsylvania ave. and that \$3,388.86 thereof shall be assessed upon the lots, premises and subdivisions fronting on said street from Pennsylvania ave. to Bingham st., and \$27,143.264 thereof shall be assessed on the lots, premises and subdivisions fronting on said street from Bingham st. to the old city limits. That the city assessors be and are hereby directed to make an assessment roll in accordance with this resolution and to return the same to the city council at its next regular meeting or as soon thereafter as may be.

#### REPORTS OF CITY OFFICERS

The report of the sealer of weights and measures and gas inspector for the week ending June 3, 1922, was received and placed on file.

The report of the gas inspector for the month of May, 1922, was received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen: I am submitting herewith the estimate of cost of constructing a temporary drain for Saginaw Park Addition, said drain to be constructed so that the pipe can be taken up and used at the time of permanent construction.

Total cost ..... \$804.00

City's one-sixth ..... 136.00

To be assessed ..... \$668.00

Respectfully submitted,

W. BINTZ,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen: I herewith present you with plans and estimate of cost for a sewer in Tisdale street from sewer in Cedar street to 25 feet east of Garfield st.:

Estimated cost ..... \$696.00

City's one-sixth ..... 136.00

To be assessed ..... \$560.00

Also sewer in Huron road from 40 feet west of Cedar st. to Teel ave. and in Maplewood ave. from 140 feet north of Huron road to Lincoln ave.

Estimated cost ..... \$1,984.20

City's one-sixth ..... 330.70

To be assessed ..... \$1,653.50

Respectfully submitted,

W. BINTZ,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and city council of the city of Lansing:

Gentlemen—Pursuant to an order of your honorable body, I herewith submit an assessment roll of the estimated cost for the repaving and widening of Michigan ave. east, from M. C. R. R. tracks to the old city limits.

Respectfully submitted,

ERNEST G. DELL,  
City Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen: During the past week I have received several protests for the gas filling station for which permit was issued last Monday night, at the southwest corner of Butler and Saginaw sts. I have also visited this locality and in my judgment it would be a considerable hindrance to traffic, which is already somewhat congested at that locality.

I respectfully suggest that this matter be reconsidered for one week and that the street committee make a further investigation and talk with some of the residents of the neighborhood.

Respectfully submitted,

ALFRED SEYMOUR,  
Chief of Police.

By Ald. Heeb—

That the council re-consider the action taken last Monday night in this matter.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Heeb, Klock, Main, McComb, Templeton—10.

Nays—Ald. Howe, McKale, Phillips Trager, Watley—5.

To the Honorable Mayor and City Council—

Gentlemen: In a compliance with a resolution passed by the city board of health on June 1st inst., we have made an inspection of the city hall building and beg to recommend that the following changes and improvements be made without delay in order to remedy the present insanitary conditions:

1—Third floor.

(1) In toilet room near council chamber—

(a) Replace old slop sink with new sanitary sink and fittings.

(b) Replace old style lavatories and fittings with new sanitary lavatories and drain pipes.

(c) Replace the old style, very insanitary urinals and drain pipes with new modern fixtures and drain pipes.

(2) In ladies toilet room at east end of hall—

(a) Replace old wash-down type toilet bowl with new modern fixture.

(b) Replace the lavatory and drain pipes with new lavatory and fixtures.

(3) In closet at west end of hall—

(a) Replace the old lavatory now being used for cleaning cuspidors, with new modern slop sink and drain pipe.

(4) In toilet room adjoining the judge's office—

(a) Remove and do not replace the old urinal.

(5) In toilet in connection with jury room—

(a) Place the present toilet in working order. The water supply here is insufficient.

(b) Provide toilet with modern fixtures in connection with jury room for ladies.

(6) In toilet room in connection with attorney's room—

(a) Repair the tank fixtures.

(7) The janitor service on this floor is only fair, due to the lack of facilities for handling the work. The dark closet in the east end of the hall should not be used as a place to store floor mops, floor sweepings, etc. Sanitary cans should be provided for receiving all floor sweepings, filth from cuspidors, etc., and a place well lighted and ventilated should be provided for storing these cans, and the janitor's equipment. These cans should be moved regularly by the city scavenger and not emptied into an ash pile in the basement where the effluvia spreads to the entire building.

## 2—Second Floor.

(1) In men's toilet room east end of hall.

(a) Replace two toilet bowls with new bowls.

(b) Replace urinal with modern fixtures.

(c) Replace slop sink and drain pipe with new fixture.

(d) Improve the janitor service in order that all fixtures, floors, walls, partitions etc., will be kept clean.

(2) In ladies' toilet room—

(a) Improve the janitor service and have all fixtures thoroughly cleaned daily.

(3) In old elevator shaft—

(a) Cease using this space for a "catch all" and have all accumulations of rubbish and other filth removed. When cleaned this space would make satisfactory storage place.

## 3—First floor—

(1) Public hallway.

(a) Replace the old, badly worn insanitary cuspidors with new.

(b) Improve the janitor service in order that the floor, mopboards, mouldings, ledges and other not easily accessible spaces be kept clean.

(2) In store room at right of stairway—

(a) Remove the present supply of stored filth, i. e., floor sweepings, cuspidor cleanings, etc., give this room a thorough cleaning by scrubbing with a hot solution of cresol, lysol or other equally efficient disinfectant and do not use this room again for storing floor mops and filth.

(b) As specified for above two floors a well lighted and ventilated room or space should be provided for storing the janitor's equipment and sanitary cans to receive the filth collected, scavenger service should be provided for removing these cans.

(c) Remove the old insanitary slop sink and fittings in the above store room and provide a slop sink for the janitor's use in another space where light and ventilation may be secured.

(3) In police quarters—city jail—

(a) Replace the old worn sinks and toilets with new sanitary sinks and fittings and improve the water supply to toilet fixtures by installing new pipe lines.

(b) Install sanitary drinking fountains for officials and prisoners at the option of the police department supply sanitary drinking cups.

## 4—Public rest room for men—

(1) Improve the janitor service to keep the walls and fixtures clean and prohibit the janitor and public from defacing or marring the interior of these rooms. For instance, it was noticed that a very crude board was roughly nailed on one of the doors entering this room to hold it open when a hook that would better serve the purpose could have been supplied with less effort. The glass in the ceiling that was installed for some purpose was roughly taken out and pushed aside above the ceiling proper. Such practices will in a very short time reduce this public rest room to a very dilapidated condition.

## 5—Public rest room for women—

(1) The sanitary condition of these rooms was o. k. at time of inspection.

## 6—Basement rooms—

(1) In the room now used as a card room and meeting place for soldiers and others.

(a) Make the floor smooth with cement or other approved surfacing in order that it may be cleaned.

(b) Supply this room with cuspidors and remove all junk, rubbish, etc., that has accumulated in the corners.

(2) In the basement toilet room—

(a) Seal off the vent pipes that lead from here to the office rooms above to prevent distribution of the foul air from this room to rooms above. Close this room to the public.

(b) Replace the slop sink near the toilet room with a new sink and drain pipe.

Give all basement rooms a thorough cleaning and move all accumulations of rubbish and filth.

In making the above recommendations it is not our purpose to condemn any city officials or place the responsibility for the present deplorable condition of the city hall, as you will note from this report that many of the improvements so badly needed now have been made necessary by gradual dilapidation due to time and usage and in some instances the lack of proper care. The fact that the present janitor service in the city hall is very poor cannot be disputed, and it is our belief that it is not only necessary to make the improvements to the building and fixtures as enumerated, but also necessary to immediately install a janitor service in this public building that will insure the maintenance of the building and its fixtures in a sanitary condition.

Respectfully submitted.

W. S. ROBBINS,  
City Sanitary Inspector.  
CHAS J. FOX,  
City Building Inspector.

Referred to committee on public buildings.

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted declare and determine that for the safety and needs of the inhabitants of the city of Lansing that a new electric light and power plant, together with the necessary distribution system, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the board of water and electric light commissioners that the city of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing; and

Whereas, this council heretofore, to-wit, on the 30th day of August, 1921, did submit the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000 for the purpose of constructing said new electric light and power plant, together with the necessary distribution system and that said bonds should be issued as proposed in said resolution; now therefore be it

Resolved, by this council, that the bonds of the city of Lansing to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$10,000, being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$1,000 and be dated July 1, 1922, and be due and payable on the first day of July, 1946. That said bonds shall bear interest at the rate of 4½% per annum, payable semi-annually on the 1st day of July and the 1st day of January in each year, beginning the 1st day of January, 1923, both interest and principal payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

Resolved further, that the form of said bonds and the interest coupons attached hereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the city of Lansing shall be used on the interest coupons.

UNITED STATES OF AMERICA  
State of Michigan  
County of Ingham  
City of Lansing Lighting and Power Bonds.

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder

hereof, the sum of \$1,000 lawful money of the United States of America on the 1st day of July, 19... at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½% per annum, payable semi-annually on the 1st day of July and the 1st day of January of each and every year, beginning with the 1st day of January, 1923, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 10 aggregating the sum of \$10,000 issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribution system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date July 1, 1922, by order of said council.

### OFFICIAL

#### Proceedings, June 14 and 19, 1922

##### City Council Rooms.

Lansing, June 14, 1922.

The city council met in adjourned regular session and was called to order by Mayor J. W. Ferle.

##### ROLL CALL.

Present—Ald. Avery, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, McComb, McKale, Trager, Watley.—12.

Absent—Ald. Chapman, Main, Phillips, Templeton.—4.

To the Honorable Mayor and City Council:

Gentlemen—We wish to direct attention to a resolution introduced in council on May 29, empowering this board to extend electric light lines outside the city limits under proper safeguards. On account of the nature of the service the power required would be used at time of our off-peak load in the city and we can therefore furnish it without lessening our capacity for serving the city; in fact, this power can be furnished to our advantage.

We have at this time one or two petitions upon which the petitioners are pressing us for a decision. We would therefore be pleased to have you consider and act upon this resolution at the very earliest time possible.

Yours truly,

BOARD OF WATER & ET. LT. COMMISSIONERS,

OSCAR E. BULKELEY,

Superintendent.

Received and placed on file.

##### REPORT OF COMMITTEE.

The committee on public lighting having carefully considered the resolution introduced in city council May 29, 1922, empowering the board of water works and electric lighting to extend the lines of the electric plant outside of the corporate limits of the city, recommend that the resolution be taken from the table and passed.

By Ald. Fowler—

Whereas, this council has taken steps authorizing the board of water and electric light commissioners to extend wires for the purpose of distributing electricity outside of the city limits, and;

Whereas, there is a question in the minds of some of the councilmen as to the effect of such an extension of the conditions that now exist in the city, and as to the right of the utilities commission to exercise authority over the same:

Therefore, be it resolved that a committee of three from this council be appointed by the mayor to wait upon the utilities commission and ascertain from said commission what their position would be in the matter as respects their control of rates and extensions that they might deem necessary to be made; also to determine if possible if the extension made outside of the city would affect the fixing of rates within the city.

### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the City Council of the City of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 1180 feet of sewer in Island ave. from Grand River to Washington ave. and in Washington ave. from Island ave. to Moores River Drive, in the 5th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said common council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 27th day of February, A. D. 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk,

and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 27th day of February, A. D. 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$10,416.00 of which one-sixth or \$1,736.00 shall be paid from the general sewer fund and the remainder or \$8,680.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, McKale, Phillips, Templeton, Trager, Watley—14.

To the Honorable Mayor and City Council of the City of Lansing, Gentlemen:

Confirming our conversation and understanding of today, beg to advise you that the Railway Company will make the following improvements:

(1) The Company will remove its present track and trolley wire on Birch street between St. Joseph and Isaac streets and put the same on West street between St. Joseph and Isaac streets and will lay a track and erect trolley on Isaac street from Birch street to West street, thereby extending the loop from Birch street to West street. This work will be commenced not less than sixty days from date and earlier if possible and will be completed promptly when the work is started.

(2) The Company will extend the east end of its turn-out on Washtenaw street near or close to Washington avenue; this work to be completed within twenty days from date.

(3) The Company will lay on Washington avenue a concrete platform for the use of passengers boarding and leaving cars, in accordance with resolution heretofore passed by the City Council. It is understood, however, that the city is to light the platform at its own expense and that the company is not to be put to any expense for the current used for such purpose.

Very truly yours,

Whereas the Board of Water and Electric Light Commissioners have advised this council that the sum of \$410,000.00 will be needed in the future to complete the construction of the new electric light and power plant with its distribution system, and

Whereas, bonds in the sum of \$1,650,000 were authorized for this purpose at a special election held August 30, 1921; therefore be it

Resolved, by the city council of the City of Lansing, that the City of Lansing furnish the bonds and legal opinion and that the city comptroller be and he is hereby authorized to place an order for the bonds and secure a legal opinion from some recognized bond attorney or attorneys. The expense of printing the bonds and securing the legal opinion to be paid by the City of Lansing.

Resolved further, that the bonds shall be of \$1,000 denomination and be numbered as follows:

D1241 to D1650—both numbers inclusive, and that they shall bear interest at the rate of 4½ per cent per annum, payable semi-annually on the 1st day of July and the 1st day of January in each year, beginning on the 1st day of July, 1923.

Resolved further that the bonds shall be designated as City of Lansing Lighting and Power Bond, and that the interest and principal shall be payable at the office of the Guaranty Trust Company of New York City.

Resolved further, that the city treasurer be authorized and directed to register as to principal and interest, such City of Lansing Lighting and

Power 4½ per cent bonds of the City of Lansing, dated January 1st, 1923, as may be presented for that purpose; such registration to be designated in writing on the bond in the following form:

Date, Reg. Owner, Residence.

And furthermore, be it resolved that the city treasurer is hereby authorized and directed to detach the coupon sheets from such bonds and mail to the registered owner, New York drafts for the interest as it matures.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Klock—

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted do care and determine that for the safety and needs of the inhabitants of the City of Lansing, that a new electric light and power plant, together with the necessary distribution system, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the Board of Water and Electric Light Commissioners that the City of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing, and

Whereas, this council heretofore to-wit, on the 30th day of August, 1921, did submit to the qualified electors of the City of Lansing, the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000 for the purpose of constructing said new electric light and power plant, together with the necessary distribution system and that said bonds should be issued as proposed in said resolution; now therefore be it

Resolved, by this council, that the bonds of the city of Lansing to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$410,000 being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$1,000 and be dated

January 1st, 1923; that \$90,000 of such bonds be due and payable on the first day of January, 1947; that \$80,000 of such bonds be due and payable on the first day of January, 1948; that \$80,000 of such bonds be due and payable on the first day of January, 1949; that \$80,000 of such bonds be due and payable on the first day of January, 1950; and that \$80,000 of such bonds be due and payable on the first day of January, 1951. That said bonds shall bear interest at the rate of 4½% per annum, payable semi-annually on the 1st day of July and the 1st day of January in each year, beginning the 1st day of July, 1923, both interest and principal payable at the office of the Guaranty Trust Co., New York, N. Y.

Resolved, that the mayor and city clerk be authorized and directed to execute said bonds on behalf of the city.

Resolved further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below, or order upon the proper acknowledgment of the receipt thereof.

Dated Lansing, Mich., 19...

City Treasurer.

Provision for registration as to principal:

Date of Registration, Owner, Res., Registrar

.....

Resolved further, that the form of said bonds and the interest coupons attached thereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the City of Lansing shall be used on the interest coupons.

UNITED STATES OF AMERICA

State of Michigan,

Y., with interest at the rate of 4½% per annum, payable semi-annually on the 1st day of July and the 1st day of January of each and every year, beginning with the 1st day of July, 1923, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt pay-

ment of this bond and interest thereon the full faith and credit of the City of Lansing is hereby irrevocably pledged. This bond is one of a series of 410 aggregating the sum of \$410,000 issued under and in pursuance of the provisions of the charter of the City of Lansing, and by authority of the laws of the State of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribution system in said city as prescribed in a certain resolution adopted by this council on the 25th day of July, 1921. It is hereby recited and certified that all the facts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the City of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the City of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the State of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration, the principal hereof shall be payable to the registered holder, until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof the mayor and clerk of the said City of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said City of Lansing, officially hereunto subscribed the corporate name of said city of Lansing and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing, this bond bearing date January 1, 1923, by order of said council.

Nays—None.

## CONSTRUCTION OF SEWERS AND DRAINS

By Ald. Templeton—

It is the opinion of the Common Council of the City of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in Sycamore street, from Shiawassee street to Ionia street, as petitioned for, is desirable, therefore, be it Resolved:

That the City Engineer be and hereby is instructed to prepare plans for a sewer in said street above mentioned in the 1st sewer and drain district, and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this Council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Fowler, Heeb, Howe, Klock, McComb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

Received and placed on file.  
To the Honorable Mayor and Common Council:

We, the undersigned, W. S. Robbins and Chas. Fox, sanitary inspector and plumbing inspector of the city of Lansing, to whom was referred changes in the plumbing and cost of same, in the city hall, would respectfully report as follows:

Third floor—2 urinals, 4 closets, hand operated flush valves, to replace 3 in men's toilet and one in ladies' toilet; also 5 lavatories as follows: 2 in men's, 1 in ladies', 2 in jury room; 2 slop sinks to replace present ones.

Second floor toilet room to be equipped the same as third floor; also 1 lavatory in city clerk's office.

First floor—1 lavatory in ladies' toilet, city treasurer's office, 1 slop sink in jail and 3 bubblers.

We also recommend an inch and a half water line to main toilet rooms.

All above estimated to cost \$2,200.

W. S. ROBBINS,  
Sanitary Inspector.  
CHAS. FOX,  
Plumbing Inspector.

By Ald. Watley—

That the report be laid on the table one week.  
Carried.

To the Honorable Mayor and City Council of the City of Lansing,

Gentlemen:

The board of cemetery and public park commissioners has instructed me to refer to your honorable body a resolution adopted by said board on July 7, 1922. The resolution is as follows:  
By Com. Beck—

That it is opinion of the board of cemetery and public park commissioners that Pennsylvania avenue be boulevarded from Main street to Mt. Hope avenue, and that any action taken by the city council along the line of such improvement will have the hearty co-operation of this board.

That this board also believes that some steps should be taken to eliminate the narrow and congested underpass at the Grand Trunk R. R. crossing on Pennsylvania avenue and that any arrangements that can be made to allow a widening of the underpass and provide for safe foot traffic into Potter Park at this point will not only be a much needed improvement but may actually save the lives of women and children who are forced into the congested roadway at this place. With the opening of the new bridge on Pennsylvania avenue this underpass is sure to become even more dangerous as there will be a great deal of through traffic on this street.

J. A. PARSONS,  
City Clerk.

Referred to committee on streets and city affairs.  
To the Honorable Mayor and City Council,

Gentlemen:

In the 1922 budget for the city market the sum of \$100 was provided for tables to be used by sellers on the market. A larger amount was not asked for at that time for the reason that I desired to try out a few tables to determine their usefulness and benefit to the market. Twelve (12) tables have been delivered and they prove highly successful. More growers are coming to market than was anticipated so that there is already need for additional tables to properly and uniformly display the offerings. It will require eighteen (18) more tables to meet the demand.

In order that funds be provided for this purpose I respectfully request that the sum of One Hundred and

Eighty-five Dollars (\$185.00) be transferred from the contingent fund to the market fund.

Respectfully submitted,  
AUSTIN L. PINO,  
Market Master.

Referred to committee on markets.

Hon. Mayor and City Council

Gentlemen:

As directed by resolution of the city council I have investigated the matter of the board of health paying salaries in excess of those asked for in their budget and approved by the city council. I beg leave to report that the board of health, in a meeting dated June 26, 1922, by resolution, fixed the salary of the city physician at \$3,600, this being \$360.00 in excess of that asked for in the budget; the salary of the supervising nurse at \$2,000, an increase of \$200; the quarantine officer at \$1,800, an increase of \$180; the two clerks at \$2,400, an increase of \$240; one clerk at \$1,000, an increase of \$100; sanitary inspector at \$2,500, an increase of \$250; electrical inspector at \$1,800, an increase of \$180; the building and plumbing inspector at \$2,500, an increase of \$250. The total amount of these increases is \$1,760. On the other hand, the board has designated that two of the six nurses asked for, serve nine months of the year instead of eleven as provided in the budget submitted to the council. This would mean a saving of \$466.64. The record also shows that a saving is to be made in janitor service of \$77.00. I understand by hearsay that it is the plan of the board to use \$1,200, which is expected to be paid by the state for venereal disease work. Section 286 of the city charter says, "Said board shall have the power to fix the salaries or compensation of the persons appointed or employed by it, provided, however, that it shall be unlawful for the board to expend or authorize the expenditure of any money in excess of that annually appropriated for such purposes by the city council." It is my opinion that under this provision the board can fix the salaries of its officers and employees as they see fit, provided, however, that they do not exceed the total amount given to them by the city council. The salaries granted only provide for an increase of \$1,760 over what the board asked the council to provide, and it is my opinion that by economizing in other directions they can pay the salaries fixed without exceeding the amount appropriated to their use by the city council. I understand that it has been the custom of the city to permit the board of health to expend the money given the city by the state for venereal disease work. This money is a payment to the city and not to the board of health, and the board of health is not at liberty to use it unless the council appropriates such sum to its use. I see by comparison

of the board of health budgets, that the same provision was made this year, as made in 1921 for venereal disease work; so doubtless the state will pay to the city this year the same amount that it paid last year.

Respectfully yours,  
JOHN McCLELLAN,  
City Attorney.

Received and placed on file.

Hon. Mayor and City Council,

Gentlemen:

At the last session of the city council a resolution was passed for the purchase of a lot in Espanore Addition to the city of Lansing, as a site for a fire station, and I was asked to pass upon title to the same. I find that all the lots in this Addition were sold, or are being sold, under the same general plan, under which the vendee of each lot is given a deed or contract providing that no building other than a single residence with a private garage may be built on any lot. These restrictions can be enforced by any owner of a lot on this plat for whose benefit the restrictions were made. Our Supreme Court in the case of Allen vs. Wayne Circuit Judge, 159 Mich., p. 612, has decided that a building restriction can be enforced against a city which seeks, in the exercise of its police power, to erect and maintain for the public safety a fire department station on the property. The court in this case said that, "We are satisfied that a valid building restriction may be binding upon a city as well as an individual, and before it can use a lot charged with such restriction for a purpose prohibited by the restriction, it must obtain, by purchase or condemnation, the title of all owners of any interest therein, and when it has not done so, equity may properly intervene to preserve the status quo until such interests are acquired."

It is possible that no one will attempt to enjoin the city should it attempt to build a fire station on this lot. I have, however, refused to pass favorably upon the title because I consider the building restriction as an encumbrance against the property for fire station purposes. If the council desires to purchase this lot with knowledge of the possibility that it may not be permitted to build a fire station upon it, I desire the council to take further action to express this intent.

Very truly yours,  
JOHN McCLELLAN,  
City Attorney.

Received and placed on file.

Whereas, the board of water and electric light commissioners have advised this council that the sum of \$410,000.00 will be needed in the future to complete the construction of the new electric light and power plant with its distribution system, and

Whereas, bonds in the sum of \$1,650,000 were authorized for this purpose at a special election held August 30, 1921; therefore be it

Resolved, by the city council of the city of Lansing, that the city of Lansing furnish the bonds and legal opinion and that the city comptroller be and he is hereby authorized to place an order for the bonds and secure a legal opinion from some recognized bond attorney or attorneys. The expense of printing the bonds and securing the legal opinion to be paid by the city of Lansing.

Resolved, further, that the bonds shall be of \$1,000 denomination and be numbered as follows:

D1241 to D1650—both numbers inclusive, and that they shall bear interest at the rate of  $4\frac{1}{2}$  per cent per annum, payable semi-annually on the 1st day of August and the 1st day of February in each year, beginning on the 1st day of February, 1923.

Resolved, further, that the bonds shall be designated as city of Lansing Lighting and Power Bonds and that the interest and principal shall be payable at the office of the Guaranty Trust Company of New York City.

Resolved, further that the city treasurer be authorized and directed to register as to principal and interest such city of Lansing Lighting and Power  $4\frac{1}{2}$  per cent bonds of the city of Lansing, dated August 1st, 1923, as may be presented for that purpose; such registration to be designated in writing on the bond in the following form:

Date, Reg. Owner, Residence.

And furthermore, be it resolved that the city treasurer is hereby authorized and directed to detach the coupon sheets from such bonds and mail to the registered owner, New York drafts for the interest as it matures.

The above resolution was placed on file for one week in the office of the city clerk, in compliance with section 92 of the city charter.

By Ald. McKale—

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted declare and determine that for the safety and needs of the inhabitants of the city of Lansing, that a new electric light and power plant, together with the necessary distribution system, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the Board of Water and Electric Light Commissioners that the City of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing, and

Whereas, this council heretofore, to-wit, on the 30th day of August, 1921, did submit to the qualified electors of the City of Lansing, the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the city of Lansing in the amount of \$1,650,000 for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000 for the purpose of constructing said new electric light and power plant, together with the necessary distribution system and that said bonds should be issued as proposed in said resolution; now therefore be it

Resolved, by this council, that the bonds of the city of Lansing to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$410,000 being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$1,000 and be dated August 1st, 1922, that \$90,000 of such

bonds be due and payable on the first day of August, 1946; that \$80,000 of such bonds be due and payable on the first day of August, 1947, that \$80,000 of such bonds be due and payable on the first day of August, 1948; that \$80,000 of such bonds be due and payable on the first day of August, 1949; and that \$80,000 of such bonds be due and payable on the first day of August, 1950. That said bonds shall bear interest at the rate of 4½% per annum, payable semi-annually on the 1st day of February and the 1st day of August in each year, beginning the 1st day of February, 1923, both interest and principal payable at the office of the Guaranty Trust Co., New York, N. Y.

Resolved, that the mayor and city clerk be authorized and directed to execute said bonds on behalf of the city.

Resolved, further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been canceled by the city treasurer. The semi-annual interest on the bond is hereafter to be paid to the registered holder named in the registration blank below, or order upon the proper acknowledgment of the receipt thereof.

Resolved, further, that the form of said bonds and the interest coupons attached thereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the City of Lansing shall be used on the interest coupons.

UNITED STATES OF AMERICA,

State of Michigan,  
County of Ingham.

City of Lansing Lighting and Power  
Bonds.

Know all men by these presents that the City of Lansing, State of Michigan, hereby acknowledges itself justly indebted and for the value re-

ceived promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000 lawful money of the United States of America on the 1st day of August, 19.... at the office of the Guaranty Trust the rate of 4½% per annum, payable semi-annually on the 1st day of February and the 1st day of August of each and every year, beginning with the 1st day of February, 1923, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the City of Lansing is hereby irrevocably pledged. This bond is one of a series of 410 aggregating the sum of \$410,000 issued under and in pursuance of the provisions of the charter of the City of Lansing, and by authority of the laws of the State of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 30th day of August, 1921. This issue of bonds is for the purpose of raising a portion of the funds to defray the expense of constructing a new electric light and power plant, together with the necessary distribution system in said city as prescribed in a certain resolution adopted by the city council of the city of Lansing on the 25th day of July, 1921. It is hereby recited and certified that all acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the City of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the State of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration, the principal hereof shall be payable to the registered holder, until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof the mayor and clerk of the said City of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said City of Lansing, officially hereunto subscribed the corporate name of said City of Lansing and attached the corporate seal thereof and executed the bond for and on behalf of the City of Lansing, this bond bearing date August 1, 1922 by order of said council.

The committee on street railway to whom was referred the matter of improvements and extensions to the street railway system in the city begs leave to report as follows:

We find that on June 4, 1922, Mr. Collins of the street railway company made the proposition to the city that during 1921 they would double track Franklin avenue, from Center street to east switch put in 300 feet of switches on Saginaw st.; double track Washington Ave. from Genesee st. to Maple st.; double track South Washington Ave., from Parker switch to Baker street; that during 1922, it would double track East Michigan Ave., from the split rock to the Baker switch; the total cost of all these improvements to cost approximately \$177,000. The improvements were contingent on the city granting to the company a rate of fare of 4 tickets for 30 cents and a cash fare of 10 cents; which was granted. In as much as the city has rescinded its action in the matter of fares, we probably could not hold the company in the matter of improvements. We will take the matter up with Mr. Collins however, and see what can be obtained in the way of improvement in view of the changed situation.

Resolved by the City Council of the City of Lansing:

That whereas, this council did heretofore, to-wit, on the 25th day of July, 1921, by resolution duly adopted declare and determine that for the safety and needs of the inhabitants of the City of Lansing, that a new electric light and power plant, together with the necessary distribution system, be built and equipped in addition to the plants now owned by the city, and that this council being advised by the Board of Water and Electric Light Commissioners that the City of Lansing will incur an estimated indebtedness of \$1,650,000 in the construction of said new electric light and power plant and necessary distribution system in said city of Lansing; and

Whereas, this council heretofore, to-wit, on the 30th day of August, 1921, did submit to the qualified electors of the City of Lansing, the question of said construction of a new electric light and power plant, together with the necessary distribution system, as aforesaid and the issuance of the bonds of the City of Lansing in the amount of \$1,650,000, for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon at a special election held in said city on the 30th day of August, 1921, determined and approved the issuance of the bonds of said city in the sum of \$1,650,000 for the purpose of constructing said new electric light and power plant, together with the necessary distribution system and that said bonds should be issued as proposed in said resolution; now therefore be it

Resolved, by this council, that the bonds of the City of Lansing to be designated "City of Lansing Lighting and Power Bonds" in the sum of \$410,000 being a portion of the bonds heretofore voted for the purpose of defraying the expense of the construction of said new electric light and power plant, together with the necessary distribution system, be issued by said city; that such bonds shall be in denominations of \$1,000 and be dated August 1st, 1922, that \$90,000 of such bonds be due and payable on the first day of August, 1926; that \$80,000 of such bonds be due and payable on the first day of August, 1927; that \$80,000 of such bonds be due and payable on the first day of August, 1928; that \$80,000 of such bonds be due and payable on the first day of August 1929; and that \$80,000

the first day of August, 1930. That said bonds shall bear interest at the rate of 4½ per cent per annum, payable semi-annually on the 1st day of February and the 1st day of August in each year, beginning the first day of February, 1923, both interest and principal payable at the office of the Guaranty Trust Co., New York, N. Y.

Resolved, that the mayor and city clerk be authorized and directed to execute said bonds on behalf of the city.

Resolved, further, that there shall be printed on the back of said bonds the following provision for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupon have been cancelled by the city treasurer. The semi-annual interest on bond is hereafter to be paid to of such bonds be due and payable on the registered holder named in the registration blank below, or order upon the proper acknowledgement of the receipt thereof.

Resolved, further, that the form of said bonds and the interest coupon attached thereto shall be substantially as follows, and be it further resolved that the fac-simile signatures of the mayor and city clerk of the City of Lansing shall be used on the interest coupons.

UNITED STATES OF AMERICA,

State of Michigan,

County of Ingham.

City of Lansing Lighting and Power Bonds.

Know all men by these presents that the City of Lansing, State of Michigan, hereby acknowledges itself justly indebted and for the value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000 lawful money of the United States of America on the 1st day of August, 19.... at the office of the Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½ per cent per annum, payable semi-annually on the 1st day of February and the 1st day of August of each and every year, beginning with the 1st day of February, 1923, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the

full faith and credit of the City of Lansing is hereby irrevocably pledged. This bond is one of a series of 110 aggregating the sum of \$410,000 issued under and in pursuance of the provisions of the charter of the City of Lansing, and by authority of the laws of the State of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 20th day of August, 1921. The issue of bonds is for the purpose of raising a portion of the funds to defray the expense of construction a new electric light and power plant, together with the necessary distribution system in said city as prescribed in a certain resolution adopted by the city council of the City of Lansing on the 15th day of July, 1921. It is hereby recited and certified that all acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the City of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the total indebtedness of the City of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the State of Michigan.

This bond may be registered as to principal in the name of the holder upon books to be kept by the city treasurer, and similarly noted hereon, after which registration, the principal hereof shall be payable to the registered holder, until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof the mayor and clerk of said City of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said City of Lansing, officially hereunto subscribed the corporate name of said City of Lansing and attached the corporate seal thereof and executed the bond for and on behalf of the City of Lansing, this bond bearing date August 1, 1922 by order of said council.

Resolved by the City Council of the City of Lansing

That it is hereby determined to be a public necessity and a necessary public improvement and need in the City of Lansing, Michigan, that the sewerage in said City be extended, and that the sum of \$250,000.00 is needed for said purposes.

Resolved further, That the extension of said sewerage shall be made under and by direction of the City Council of the City of Lansing, by and through its proper officers, and that the question of borrowing the sum of \$250,000.00 upon the faith and credit of the City of Lansing and the issuance of the bonds of the City of Lansing therefore be submitted to a vote of the qualified electors of the City of Lansing at a special municipal election to be held in said City on Tuesday, the 12th day of Sept., 1922.

Resolved further, That said bonds if authorized by a three-fifths vote of the qualified electors of said City voting thereon, as required by the laws of the State of Michigan, and the Charter of the City of Lansing, be designated "City of Lansing Sewerage Bonds," and shall be issued and sold by the City of Lansing in accordance with the City Charter relative to the issuance and sale of bonds for public improvements; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, shall prescribe; both principal and interest may be payable at the office of the city treasurer of the City of Lansing, or at such other place or places as the council, by resolution, may prescribe.

Resolved further, that the city clerk be and he is hereby directed to prepare printed ballots substantially in manner and form as follows:

**Official Ballot**

Shall bonds of the city of Lansing in the sum of \$250,000.00 for the purpose of extending the sewerage of the said City of Lansing as prescribed in a certain resolution of the city council introduced in said city council the 17th day of July, 1922, be issued?

Yes ( )                      No ( )

Resolved further, That each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No," as he or she shall desire to vote.

Resolved further, That the votes cast upon such question shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a special municipal election, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan; that the polls be open at seven o'clock and remain open until eight o'clock in the evening of said day. (Central Standard Time).

Resolved further, That the city clerk be and he hereby is directed to give notice of such election at which such proposed bond issue is to be submitted to the electors of the city of Lansing as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Klock—

Resolved by the City Council of the city of Lansing:

It is hereby determined to be a public necessity and a necessary public improvement for the protection of the health, safety and the needs of the inhabitants of the city of Lansing that the water main system of the city of Lansing be extended and that certain portions of said system be reinforced and enlarged, and this council having been heretofore advised by the board of water and electric light commissioners that the sum of \$135,000.00 is needed for said purpose.

Resolved further, that the said water works improvements be made under the direction and supervision of the board of water and electric light commissioners of the city of Lansing, and that the question of borrowing the sum of \$135,000.00 upon the faith and credit of the city of Lansing, and the issuance of the bonds of said city for the purpose of defraying the necessary expense of said water works improvements be submitted to a vote of the qualified electors of the city of Lansing, at the special election to be held in the city of Lansing on the 12th day of September, 1922.

Resolved further, that said bonds, if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the State of Michigan and the charter of the City of Lansing shall be designated, "City of Lansing Water Work Extension Bonds," and shall be issued and sold by the City of Lansing in accordance with the provisions of the city charter relative to the issuance and sale of bonds for public utilities; said bonds to be issued in such denomination, to be dated at such time or times as shall be prescribed by the city council and to become due and payable not exceeding thirty years from the date of issue at such time or times as the city council shall by resolution, prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council by resolution may prescribe, both principal and interest may be made payable at the office of the city treasurer of City of Lansing, or at such other place or places as the council, may, by resolution prescribe.

Resolved further, that the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

**Official Ballot.**

Shall bonds of the City of Lansing in the sum of \$135,000.00 for the purpose of extending the present water main system of the City of Lansing and for the purpose of enlarging and reinforcing certain portions thereof as prescribed in a certain resolution of the city council introduced in the city council, on the 17th of July, 1922, be issued?

Yes ( )                      No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, that the vote cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election, as prescribed in the charter of the City of Lansing and the laws of the State of Michigan, and that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day, Central Standard Time.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the City of Lansing, as prescribed in the charter of the City of Lansing and the laws of the State of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

#### Public Improvement No. IV.

By Ald. McKale—

Resolved by the City Council of the City of Lansing:

That the special assessment roll for paving Washington Avenue from Willow st., to Franklin Avenue, as returned by the city assessors be and the same is hereby ratified and confirmed; and

Whereas, a majority of the resident taxpayers owning property abutting on said pavement have petitioned this council to have said tax paid in five equal annual payments, and

Whereas, it is deemed for the best interests of said city and the taxpayers within the assessment district heretofore created for such improvement, that the aforesaid assessment be extended and paid in five equal annual payments; therefore,

Resolved further that such special assessment be divided into five equal annual installments to be paid in the following manner:

One-fifth on or before the 31st day of August, 1922; one-fifth on or before the 31st day of August, 1923; one-fifth on or before the 31st day of August, 1924; one-fifth on or before the 31st day of August, 1925, and the remaining one-fifth on or before the 31st day of August, 1926, together with interest thereon at the rate of six per cent per annum from the 31st day of August, 1921.

It is further resolved that the Mayor be and he is hereby directed to affix within ten days his warrant directing the city treasurer to collect said tax in accordance with this resolution and the provisions of the city charter.

improvement is \$14003.60.

That the expense of such improve-  
ment in public street and alley in-  
tersections is \$4194.40 which shall be  
paid by the city out of the general  
paving fund, one-sixth of the sewer  
or \$481.00 from the general sewer  
fund.

That 80% of the remainder of said  
estimated expense, to wit, the sum  
of \$7462.56 shall be defrayed by spe-  
cial assessment upon the taxable  
lands and premises within the dis-  
trict heretofore described, in pro-  
portion to the benefits accruing to  
each parcel respectively from the  
construction of such improvement,  
and upon the owners and occupants  
of the houses and lands within said  
described district to be benefited  
thereby, in proportion as near as  
may be to the advantage which each  
shall acquire by the making of such  
improvement, and the remainder of  
such expense, to wit, \$1865.64 shall  
be paid by the city out of the gener-  
al paving fund.

By Ald. McKale,

Resolved by the city council of the city of Lansing:

That it is hereby determined to be a public necessity and a necessary public improvement and need in the city of Lansing that the paving of streets in said city be extended, and the council having been heretofore advised by the committee on streets of the city of Lansing that the sum of \$300,000.00 is needed for said purpose of said public improvement.

Resolved further, that the paving of such streets and the repaving of such streets as are necessary should be made under and by direction of the city council of the city of Lansing, by and through its proper officers, and that the question of borrowing the sum of \$300,000.00 upon the faith and credit of the city of Lansing, and the issuance of bonds of the said city of Lansing for the purpose of defraying the necessary expenses thereof, be submitted to a vote of the qualified electors of the city of Lansing at a special election to be held in said city on the 12th day of September, 1922.

Resolved further, that said bonds if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lansing, shall be designated "City of Lansing paving bonds" and shall be issued and sold by the City of Lansing in accordance with the City charter relative to the issuance and sale of bonds for public improvements; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, shall prescribe; both principal and interest may be payable at the office of the city treasurer of the City of Lansing, or at such other place or places as the council, by resolution, shall prescribe.

Resolved further, that the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

#### Official Ballot

in bonds of the City of Lansing in sum of \$300,000 for the purpose of extending the pavement of streets of the said City of Lansing, as prescribed in a certain resolution

of the city council dated the 24th day of July, 1922, be issued

Yes ( ) No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, that the votes cast upon said proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a special municipal election, as prescribed in the charter of the City of Lansing and the laws of the State of Michigan; that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day (Central Standard time).

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which such proposed bond issue is to be submitted to the electors of the City of Lansing, as prescribed in the charter of the City of Lansing and the laws of the State of Michigan.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

By Ald. Trager.

Whereas bonds have been voted by the City of Lansing to build bridges over the Grand River at Elm St.; over the Cedar River at Pennsylvania Ave., and over the Grand River at Shiawassee St., and

Whereas, at the city election held in April, 1921, the proposition was submitted to the electors of the city as to whether "the bonds previously voted to construct a bridge across Cedar River at Pennsylvania Ave. and across Grand River at Shiawassee St. be used to construct a bridge across Cedar River at Pennsylvania Ave., and to construct a bridge over the Grand River and the New York Central tracks at Shiawassee St." which said proposition carried at said election; and

Whereas it is the sense of this council in view of the small amount of traffic which will pass over the New York Central railroad tracks at Shiawassee St., that it is undesirable and unnecessary that said bridge at Shiawassee St. be continued over the New York Central Railroad tracks; and

Whereas it is deemed to be a necessary public improvement that a bridge be built over the Grand River at Seymour St.; and

Whereas, should the building of a bridge over the Grand River at Shiawassee St. be restricted to a bridge over the river only, there would then be a surplus of funds from the bond issues voted for bridges at Elm St., Pennsylvania Ave. and Shiawassee

St. sufficient to build a bridge over the Grand River at Seymour St., therefore be it

Resolved, that the question of building the Shiawassee St. bridge, over the Grand River only, and not continuing the same over the New York Central railroad tracks, and the question of whether any monies, left from bonds, issued for the construction of bridges at Elm St., Pennsylvania Ave. and Shiawassee St. shall be used for the building of a bridge at Seymour St., be submitted to a vote of the electors at the special election to be held on Sept. 12th, 1922.

Resolved further, that the city clerk be and is hereby directed to prepare printed ballots for said election substantially as follows:

#### Official Ballots

Shall the bridge proposed to be constructed over the Grand River at Shiawassee St. be built over the river only, and not continued over the New York Central tracks, and shall any monies left from bonds issued for the building of bridges over the Grand River at Elm street and Shiawassee St. and over the Cedar River build a bridge over the Grand River at Pennsylvania Ave., be used to at Seymour St.

Yes ( ) No ( )  
Galley Ten

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross opposite the word "Yes" or "No" "Yes" or "No" as he or she shall desire to vote.

Resolved further, that the votes cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election as prescribed in the laws of the State of Michigan and that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day, Central Standard time.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which said proposed bond issue is to be submitted to the electors of the city of Lansing as prescribed in the charter of the City of Lansing and the laws of the State of Michigan and that the polls be open By Ald. Templeton.

That the resolution be on the table one week.

Carried.

Whereas, The Police dept. have expended the sum of \$23,473.35 for the quarter ending July 31, 1922, and the Fire department have expended the sum of \$44,543.84 for the same period, which, computed on a quarterly basis, exceeds the budget allowance for the Police dept. in the sum of \$973.35 and in the Fire dept., the sum of \$793.84 or a total in the two departments of \$1,767.19, and,

Whereas, The number of men employed in the Police and Fire departments have been authorized from time to time by this Council, and these men were retained after the close of the fiscal year ending April 30, 1922, by reason of the fact that this Council has not authorized the

Board of Police and Fire Commissioners to make any reductions in the force, and,

Whereas, the Court has ruled that the Council is the legislative body of the City with authority to fix the amount of the appropriations for all Departments of the City and that the appropriations as set up in the Budget of the City for the fiscal year ending April 30, 1923, for these departments will have to stand, therefore be it,

Resolved by the City Council of the City of Lansing; that the sum of \$1,656.78 be transferred from contingent fund to the credit of Police department fund 1C1, and the sum of \$1,130.77 be transferred from contingent fund to the credit of fire dept. fund, 1B1, to take care of the overdrafts in these two subdivisions of their respective budgets up to Aug. 1, 1922, and be it further

Resolved, that the City Comptroller be and he is hereby directed, to allocate on a quarterly basis, the funds dealing with salaries, remaining in the budgets of these departments for the balance of the fiscal year and to see that these departments keep within their appropriations.

By Ald. Howe, That the resolution be referred to the Committee on Ways and Means.

Resolved by the City Council of the City of Lansing:

Whereas, it is deemed by this council to be a necessary public improvement to open a street starting from the north line of Espanore plat, running thence southerly along the west line of Espanore plat containing and extending to Michigan ave. That said street be laid out eighty feet wide and forty feet on either side of the said line of Espanore plat, as aforesaid, which street was named and designated by this council as Ver Linden ave.; and

Whereas, said street has been laid out and adopted by the city and it is necessary to raise by special taxation the money to defray the expenses thereof;

Therefore, be it resolved, that the entire expense incident to the opening of said street including the compensation paid to property owners, to wit, the sum of \$9,400 less the sum of \$2,000, to be contributed by the Durant Motors Corporation be defrayed by special assessment on the lands and premises specially benefited by the improvement, in proportion to the special benefits accruing to each parcel respectively. That the following lands and premises are hereby determined to be especially benefited by said improvement, and are hereby constituted the special assessment district over which the cost of such improvement shall be spread to wit: Westlawn Subdivision, and the west 440 ft. of Espanore Subdivision.

Resolved further, that the city assessors are hereby directed to

make such assessments upon the owner and occupants of the taxable real estate for the total cost of said improvement, and that such sum shall be assessed in proportion, as near as may be, to the advantages or benefits of each lot, parcel or subdivision is deemed to acquire by reason of such improvement; and that such assessment shall in all things be made, and the amount levied and collected in the same manner as provided in the city charter for other special assessments.

Resolved further that such special assessment made as herein directed be returned to the City Council on the 7th day of August, 1922, or as soon thereafter as may be possible.

 The following resolution was taken from the table:  
 By Ald. Trager—  
 Whereas bonds have been voted by the City of Lansing to build bridges over the Grand River at Elm St.; over the Cedar River at Pennsylvania Ave., and over the Grand River at Shiawassee St., and  
 Whereas, at the city election held in April, 1921, the proposition was submitted to the electors of the city as to whether "the bonds previously voted to construct a bridge across Cedar River at Pennsylvania Ave. and across Grand River at Shiawassee St. be used to construct a bridge across Cedar River at Pennsylvania Ave., and to construct a bridge over the Grand River and the New York Central tracks at Shiawassee St." which said proposition carried at said election; and  
 Whereas it is the sense of this

council, in view of the small amount of traffic which will pass over the New York Central railroad tracks at Shiawassee St., that it is undesirable and unnecessary that said bridge at Shiawassee St. be continued over the New York Central Railroad tracks; and

Whereas it is deemed to be a necessary public improvement that a bridge be built over the Grand River at Seymour St.; and

Whereas, should the building of a bridge over the Grand River at Shiawassee St. be restricted to a bridge over the river only, there would then be a surplus of funds from the bond issues voted for bridges at Elm St., Pennsylvania Ave. and Shiawassee St. sufficient to build a bridge over the Grand River at Seymour St., therefore be it

Resolved, that the question of building the Shiawassee St. bridge over the Grand River only, and not continuing the same over the New York Central railroad tracks, and the question of whether any monies, left from bonds, issued for the construction of bridge at Elm St., Pennsylvania Ave. and Shiawassee shall be used for the building of a bridge at Seymour St., be submitted to a vote of the electors at the special election to be held on Sept. 12, 1922.

Resolved further, that the city clerk be and is hereby directed to prepare printed ballots for said election substantially as follows:

#### Official Ballots

Shall the bridge proposed to be constructed over the Grand River at Shiawassee St. be built over the river only, and not continued over the New York Central tracks, and shall any monies left from bonds issued for the building of bridges over the Grand River at Elm Street and Shiawassee St. and over the Cedar River at Pennsylvania Ave., be used to build a bridge over the Grand River at Seymour St.

Yes ( ) No. ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross opposite the word "Yes" or as he or she shall desire to vote.

Resolved further, that the votes cast upon such proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election as prescribed in the charter of the City of Lansing, and the laws of the State of Michigan and that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening "No," as he or she shall desire to time.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which

said proposed bond issue is to be submitted to the electors of the city of Lansing and the laws of the State of Michigan.

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a public necessity and a necessary public improvement and need in the city of Lansing that the paving of streets in said city be extended and the council having been heretofore advised by the committee on streets of the city of Lansing that the sum of \$300,000.00 is needed for said purpose of said public improvement.

Resolved further, that the paving of such streets as are necessary should be made under and by direction of the city council of the City of Lansing, by and through its proper officers, and that the question of borrowing the sum of \$300,000.00 upon the faith and credit of the City of Lansing, and the issuance of bonds of the said City of Lansing for the purpose of defraying the necessary expenses thereof, be submitted to a vote of the qualified electors of the city of Lansing at a special election to be held in said city on the 12th day of September, 1922.

Resolved further, that said bonds be authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the State of Michigan and the charter of the City of Michigan shall be designated City of Lansing paving bonds and shall be issued and sold by the City of Lansing in accordance with the City charter relative to the issuance and sale of bonds for public improvements; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the City Council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the city council, by resolution, shall prescribe; said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution shall prescribe; both principal and interest may be payable at the office of the city treasurer of the City of Lansing, or at such other place or places as the council, by resolution, shall prescribe.

Resolved further, that the city clerk be and hereby is directed to prepare printed ballots substantially in manner as follows:

**Official Ballot**

Shall bonds of the City of Lansing in the sum of \$300,000 for the purpose of extending the pavement of streets of the said City of Lansing, as prescribed in a certain resolution of the city council dated the 24th day of July, 1922, be issued.

Resolved further, that the extension of said sewerage shall be made under and by direction of the City Council of the City of Lansing, by and through its proper officers, and that the question of borrowing the sum of \$450,000.00 upon the faith and credit of the City of Lansing and the issuance of bonds of the City of Lansing therefore be submitted to a vote of the qualified electors of the City of Lansing at a special municipal election to be held in said city on Tuesday, the 12th day of Sept., 1922.

Resolved further, That said bonds if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required by the laws of the state of Michigan, and the charter of the City of Lansing, be designated "City of Lansing Sew-

erage Bonds," and shall be issued and sold by the City of Lansing in accordance with the City Charter relative to the issuance and sale of bonds for public improvements; said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the City Council, and to become due and payable, not exceeding thirty years from the date of issue, at such time or times as the City Council, by resolution, shall prescribe, said bonds to bear interest at a rate not to exceed five per cent per annum, payable annually or semi-annually, as the council, by resolution, shall prescribe; both principal and interest may be payable at the office of the city treasurer of the City of Lansing, or at such other place or places as the council, by resolution, may prescribe.

Resolved further, that the city clerk be and he is hereby directed to prepare printed ballots for said election substantially in form as follows:

**Official Ballot**

Shall bonds of the City of Lansing in the sum of \$450,000.00 for the purpose of extending the sewerage of the said City of Lansing as prescribed in a certain resolution of the city council, introduced in said city council the 24th day of July, 1922, be issued?

Yes ( ) No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, that the votes cast upon such question shall be counted, returned and canvassed in like manner as prescribed for the counting, returned and canvassed in of ballots of a special municipal election, as prescribed in the charter of the City of Lansing and the laws of the State of Michigan; that the polls be open at seven o'clock and remain open until eight o'clock in the evening of said day (Central Standard time.)

Resolved further, That the city clerk be and he hereby is directed to give notice of such election at which such proposed bond issue is to be submitted to the electors of the city of Lansing as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

To the Honorable Mayor and City Council,

Gentlemen:

Complying with the terms of a resolution adopted by the Council on July 31, 1922, I respectfully submit the following explanation as to why the salaries of the employees of the Health Dept. were changed after the budget of the Health Dept. was adopted by the Council on June 19, 1922.

The President of the Board of Health called a special meeting of the Board on June 26, 1922, and the records of that meeting show that all resolutions dealing with salaries of the employees of the Board of Health, were rescinded. A resolution was adopted at this meeting, changing the salaries from the amount as set up in the budget submitted to the council, to the amounts appearing in the printed budget. In making these changes, the Board kept within the amount appropriated the Dept. by the council.

Before drawing the salary checks for the employees in this Dept. for the last half of June, the City Clerk and

the writer, called on the City Attorney for his opinion as to the authority of the Board in making changes in salaries of certain employes in the Dept. and he rules that the Board had the authority to revise their schedule of salaries, providing that in making such revision, they did not exceed the amount appropriated them by the Council.

In view of the fact that the Council did not attempt to fix the salaries of the patrolmen in the Police Dept. budget, but allowed one lump sum under item 1C1, also, that all budgets submitted by Boards to the Council were only tentative and might have to be revised to conform to the amount appropriated by the Council, the writer was of the opinion, that it was the intent of the Council, so far as budgets submitted by Boards were concerned, to determine what amounts should be allowed their respective departments, and permit the Boards to distribute same as they deemed best.

Very truly yours,  
F. H. Presley,  
City Comptroller.

Received and placed on file.

To the Honorable City Council,  
Lansing.

Gentlemen:

It has come to my attention that there is a wide variance in the price the people of Lansing are paying for bread at this time.

While in Ionia a week ago I was told that Grand Rapids bread, 2 lb. loaves, were being sold there for 9 cents a loaf. In Lansing bread is being sold, 1 lb. and 2 lb. loaves for 5 cents and 10 cents, others are selling for 9 cents and 17 cents. Wheat I understand is bringing but 90 cents a bushel.

Is it not possible that there can be a more uniform price than is being charged today?

I would, therefore, recommend that you take such action as you deem necessary.

Yours respectfully,  
J. W. Ferle,  
Mayor.

Referred to committee on city affairs.

Honorable Mayor and City Council:  
Gentlemen:

In performing my duty as sealer of weights and measures, I have discovered that there is only one huckster who has taken out a city license, although there are many men engaged in this business.

I also find that some of our dealers in coke are not protecting their products from rain as required by the City Charter.

I am reporting these matters as I

feel that you should know the situation.

Respectfully submitted,  
Chas. Baughman,  
Sealer of Weights and Measures,  
Referred to Chief of Police.

By Ald. Phillips—  
Resolved by the City Council of the City of Lansing:

That this Council, by a three-fifths vote of the members elect, propose that Sections 15, 21, 33, 41, 102 and 141 of the Charter of the City of Lansing shall be amended so that said sections shall read as follows:

Section 15.

At least thirty days prior to all elections, the City Council shall designate one place of voting in each precinct of each of the wards of the City, and shall appoint such inspectors and clerks of election for each place of voting as shall be provided by law.

Section 21.

At the annual election to be held in the City of Lansing in the year nineteen hundred twenty-three, and at each second annual election thereafter, there shall be elected, one

clerk and one constable; and at the annual election to be held in said city in the year nineteen hundred twenty-four, and each second annual election thereafter, there shall be elected one mayor, one treasurer and one constable, all of whom shall hold their offices for two years. No person shall be eligible to the office of city treasurer for two consecutive terms. At each annual election there shall be elected one city assessor for the term of three years, who shall enter upon the duties of his office on the first day of September next following his election. At each annual election there shall be elected from the City at large, four aldermen, who shall hold their offices for the term of two years. At the annual election to be held in the year nineteen hundred twenty-three, and at each fourth annual election thereafter, there shall be elected in said city one justice of the peace, who shall hold his office for four years. Each of said officers so elected shall hold his office for the term for which he was elected and until his successor is elected and qualified, except as otherwise provided in this charter. All officers elected shall enter upon the duties of their respective offices on the first Monday in May next following such election, unless otherwise herein provided.

### Section 33.

When a vacancy occurs in the office of alderman or when he refuses or neglects to take the oath of office, or when his election is declared void by a proper tribunal, the city council shall immediately order a special election to fill such vacancy; Provided, that in case any such vacancy shall occur in the said office of alderman, within three months before the first Monday in April in any year, it shall be optional with the city council to order a special election as it shall deem expedient. Whenever any officer shall resign or be removed from office or the term for which he shall have been elected or appointed shall expire, he shall deliver over to his successor in office forthwith, all the books, papers, moneys, and effects in his custody as such officer; and in any way appertaining to his office, and every person violating this provision shall be deemed guilty of a misdemeanor, and may be proceeded against in the same manner as public officers generally, for a like offense under the general laws of this state.

### Section 41.

After April 30, 1924 the legislative authority shall be vested in a city council, to consist of eight aldermen, to be elected by the city at large. The aldermen elected by wards in the years 1922 and 1923 shall hold their

office for the term for which they were elected.

#### Section 102.

On the first Monday in May in each year or as soon thereafter as may be, the city council shall elect from their members, or if there are not sufficient members eligible, from the city at large such number of supervisors as the city of Lansing is entitled to by law. Such members so elected shall be members of the Board of Supervisors of Ingham County for one year from and after said first Monday in May, and as such supervisors shall exercise the same functions, perform the same duties, and receive the same compensation during the time they are acting in such capacity as are by law conferred upon other members of said Board of Supervisors. In case of vacancy for any cause, or by reason of sickness, any such person so elected is unable to perform the duties of supervisor, the Mayor is hereby empowered to appoint one of the city assessors of the City of Lansing to act in the case of such vacancy, which assessor, when so appointed shall exercise all the powers, perform all the duties and receive the same compensation as is herein prescribed for the supervisors.

#### Section 141.

The supervisors of the City, together with the city assessors, shall constitute a board of review of assessment and equalization. On the first Monday of June of each year, the board of review shall meet at the city council room and there proceed to review, equalize and correct the assessments made by the city assessors, in the several wards, and for that purpose, said board shall have the same power, and perform the same duties in all respects, as supervisors of townships, in reviewing and correcting assessments made by them, and also shall have the power and it shall be its duty to equalize the assessment rolls of the several wards of the city. Said board shall continue in session six days for the purpose of completing such review and equalization, during the fourth and fifth days of which, any person interested may be present and make appeals and be heard, but after which, no assessment shall be increased. The board of review shall have the same power to exempt the property of poor persons from taxation, as supervisors of townships under the seventh sub-division of section seven of the general tax law. Notice of the time and place of any meeting of said board, for the purpose aforesaid, shall be given by the city clerk, by publication in one or more of the newspapers of the city, and by posting notices on the city

bulletin boards in each ward, at least one week before the time for the review.

Resolved further, That the foregoing amendments to the city charter be submitted to the qualified electors of the said city at the city election to be held in the city of Lansing on Tuesday the 12th day of September, 1922.

Resolved further, that such amendment when submitted shall be printed upon a ballot which shall be prepared in substance in the following manner:

#### OFFICIAL BALLOT

To amend Sections 15, 21, 33, 102 and 141 of the Charter of the City of Lansing relative to the creation of a City Council composed of eight aldermen elected at large so that the same shall read as follows:

By Ald. Phillips—

Resolved by the City Council of the City of Lansing:

That the Council by a three-fifths vote of the members elect propose that sections 99, 112 and 229 of the charter of the City of Lansing shall be amended so that said sections 99, 112 and 229 shall read as follows:

Section 99. The Mayor shall, on the first Monday in May in each year, or as soon thereafter as may be, appoint such standing committees as may be provided by the rules of the council; and he shall also, appoint a city attorney, one city comptroller, one superintendent of public works, one director of the poor, one master of weights and measures, provided, the mayor may, by and with consent of the city council, dispense with either the director of the poor, or the sealer of weights and measures, imposing the duties of the absent officers on one officer; and many pound masters, weigh masters, auctioneers, janitors and engineers, as the council may from time to time deem necessary and such other officers as may be necessary to carry into effect the powers granted in this charter, who shall hold their offices during the pleasure of the mayor and until their successor is appointed and has qualified, unless removed in accordance with the provisions of this charter. Whenever any officer appointed by the provisions of this charter shall, for any cause, be unable to perform the duties of his office, the mayor shall have power to appoint any officer, who shall perform the duties of the office until such inability shall cease.

Section 112. The city engineer shall, under the supervision of the superintendent of public works, have charge of and do all civil engineering for the city, with like powers and duties as are conferred by law upon the county surveyor, and a like effect of validity shall be given to his official acts and surveys of plats, as are given by law to the acts or surveys of county surveyors, and shall make all necessary plats, maps, surveys, diagrams, plans and specifications, as directed to do by the superintendent of public works, the council

or other officials of the city relating to public improvements, buildings and streets of the city.

Section 229. The superintendent of public works shall appoint a city engineer and such assistant superintendents as may be provided by the council, and to make and revoke such appointments at his pleasure, which appointments and revocations thereof shall be in writing and filed in the office of the city clerk. He shall cause to be kept the proper accounts and record of all proceedings of his department. All the powers and duties of the superintendent of public works shall be exercised and performed as herein provided and in accordance with the general ordinances and directions of the city council. He shall have charge of and it shall be his duty to do all the paving, construction of dykes, construction and repairing of public buildings, public markets and any and all other public work as directed by the council. He shall have charge of the plants owned and operated by the city for paving and other construction work. He shall supervise the making of all excavations in and under streets, alleys or other public places, and the use thereof generally for purposes similar to those herein named, and shall supervise the backfilling of such excavations and the restoration to normal conditions of such streets, alleys or other public places. He shall be charged with the duty of issuing permits for the entry upon or into any street, alley or public place by any person, firm or corporation, or city department for the purpose of making any excavations, trenches, tunnels, vaults and all other improvements herein placed under his direction for the purpose of construction, repair or removal of buildings or for any other purpose whereby the use thereof by the public shall be obstructed, and no person, firm, or corporation or department shall enter upon or occupy any such street, alley or other public place for any such purpose, except at such times and in such manner as the superintendent of public works shall prescribe. Provided, no permit of any kind involving possible injury to trees in the street, alley or public places of the city shall be issued without the approval of the city forester. He shall make all connections with lateral or main sewers, and prepare plans therefore. He shall have charge of the disposal of all sewage as directed by the council, and shall supervise the collection and disposal of all garbage in a manner approved by the city council, and with the approval of the city council construct, operate and maintain within or without the city, a plant or farm for the disposal or feeding of garbage, and dispose of the by-products therefrom.

He shall keep official records of plans, maps and plats of the city for the department, and make and publish an official map of the city, and shall perform any and all other duties not herein specifically designated, as may be prescribed from time to time by the city council."

Resolved further, that the foregoing amendment to the city charter be submitted to the qualified electors of the said city at the special election to be held in the city of Lansing on Tuesday the 12th day of September, 1922.

Resolved further that such amendment when submitted shall be printed upon a ballot which shall be prepared in substance in the following manner:

#### OFFICIAL BALLOT

To amend sections 99, 112 and 229 of the Charter of the City of Lansing relative to the combining of the offices of the city engineer and the superintendent of public works so the same shall read as follows:

##### Section 99.

"The mayor shall, on the first Monday in May in each year, or as soon thereafter as may be, appoint such standing committees as may be provided by the rules of the council; and he shall also appoint one city attorney, one city comptroller, one superintendent of public works, one director of the poor, one sealer of weights and measures, provided, the mayor may, by and with the consent of the city council, dispense with either the director of the poor, or the sealer of weights and measures, imposing the duties of the aforesaid officers on one officer; and so many pound masters, weigh masters, auctioneers, janitors, and engineers, as the council may from time to time deem necessary and such other offices as be necessary to carry into effect the powers granted by this charter who shall hold their offices during the pleasure of the mayor and until their successor is appointed and has qualified, unless removed in accordance with the provisions of this charter whenever any officer appointed by provision of this charter shall, from any cause, be unable to perform the duties of his office, the mayor shall have power to appoint any officer, who shall perform the duties of the office until such inability shall cease."

Section 112. The city engineer shall, under the supervision of the superintendent of public works, have charge of and do all civil engineering for the city, with like powers and duties as are conferred by law upon county surveyors, and a like effect of validity shall be given to his official acts and surveys of plats, as are given by law to the acts of survey of county

surveyors, and shall make all necessary plats, maps, surveys, diagrams, plans and specifications, as directed to do by the superintendent of public works, the council or other officials of the city relating to public improvements, building and streets of the city.

Section 229. The superintendent of public works shall appoint a city engineer and such assistant superintendents as may be provided by the council, and to make and revoke such appointments and revocations thereof shall be in writing and filed in the office of the city clerk. He shall cause to be kept the proper accounts and record all the proceedings of his department. All the powers and duties of the superintendent of public works shall be exercised and performed as herein and in accordance with the general ordinances and directions of the council. He shall have charge of and it shall be his duty to do all the paving, construction of dykes, construction and repairing of public buildings, public markets and any and all other public work as directed by the council. He shall have charge of the plants owned and operated by the city for paving and other construction work. He shall supervise the making of all excavations in and under streets, alleys or other public places, and the use thereof generally for purposes similar to those herein named and shall supervise the backfilling of such excavations and the restoration to normal conditions of such streets, alleys or other permits for the entry upon or into any street, alley or public place by any person, firm or corporation, or city department for the purpose of making any excavations, trenches, tunnels, vaults and all other improvements herein placed under his direction for the purpose of construction, repair or removal of buildings or for any other purpose whereby the use thereof by the public shall be obstructed, and no person, firm or corporation or department shall enter upon or occupy any such street, alley or other public place for any such manner as the superintendent of public works shall prescribe. Provided, no permit of any kind involving possible inquiry to trees in the street, alley or public places of the city shall be issued without the approval of the city forester. He shall make all connections with lateral or main sewers, and prepare plans therefore. He shall have charge of the disposal of all sewage as directed by the council, and shall supervise the collection and disposal of all garbage in a manner approved by the city council, and with the approval of the city council construct, operate and maintain within or without the city, a plant or farm for the disposal or feeding of garbage and dispose of by-products therefrom. He

shall keep official records of plans, maps and plats of the city for the department and make and publish an official map of the city, and shall perform any and all other duties not herein specifically designated, as may be prescribed from time to time by the city council

# PROCEEDINGS

## OF THE

# CITY COUNCIL

### OFFICIAL

Proceedings, August 14, 1922.

#### (Official Proceedings)

City Council Rooms, Lansing, Aug. 14, 1922.

The City Council met in regular session and was called to order by Mayor J. W. Ferle.

Roll Call:

Present: Ald. Avery, Chapman, Graham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley—16.

Absent—0.

By Ald. Avery: That motion of his on Pages 10 and 11 to lay on the table be changed to appear as Ald. Phillips' motion as such was the case. Carried.

Otherwise the record of the previous session was approved as printed.

#### Petitions and Communications

A petition was received to grade and gravel Marion St. from Cedar St. to Ray St.

Referred to the committee on streets.

A petition was received for curb and gutter on Vine St. between Holmes and Ferguson

Referred to committee on streets.

A petition was received from Carl

A. Stoppel to build a gasoline filling station on S. E. corner of South and Cedar streets.

Referred to committee on streets. To the Honorable Mayor and City Council.

Gentlemen:

We understand that it is the intention to repave Ottawa Street between Capitol Ave. and the river, after completion of construction of the large storm water sewer.

We wish to call your attention again to the advisability of installing steam heat service for the City Hall. Even though installed for emergency purposes only, we believe this should be seriously considered by you. If, however you should desire to take steam continuously from our Central Heating Plant, we will install our service from the main in the street to a point inside the basement wall at our expense. Some comparatively minor changes would have to be made in your piping within the building in order to give you satisfactory service.

Yours truly,

Board of Water & El. Lt. Com.

Oscar E. Bulkeley,

Superintendent.

By Ald. Avery—That the proposition of the Board be accepted as a permanent installation.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, Phillips, Templeton, Trager, Watley—15.

Nays—Ald. McKale—1.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:

We are pleased to advise you that 2500 copies of the "Lansing Plan," which the Council authorized us to have printed, have been delivered to the City Forester's office.

We suggest that a nominal fee be charged to prevent indiscriminate distribution of the plan and recom-

mend that a limited number of copies be made available for free distribution to other cities, libraries and City officers.

# PROCEEDINGS

## OF THE

# CITY COUNCIL

### OFFICIAL

Proceedings, August 21, 1922.

#### (Official Proceedings)

City Council rooms, Lansing, Aug. 21, 1922.

The City Council met in regular session and was called to order by Mayor J. W. Ferlie.

Roll call:

Present: Ald. Avery, Chapman, Clapham, DeCamp, Fowler, Heeb, Howe, Klock, Main, McComb, McKee, Phillips, Templeton, Trager, Watley—15.

Absent—Ald. Dymond.

The record of the previous session was approved as printed

#### Petitions and Communications

A petition was received to sprinkle Sheridan St. from Maryland St., east to city limits.

Referred to supt. public works.

A petition was received from L. A. Clark for the city to fix a price for houses on east 290 ft. of S 43 89-100 ft. of Lot 4 and Lots 5 and 6 of Blk. 210.

Referred to Chief of Police.

A communication was received from Elgin Sales corporation in matter of rebuilding street sweeper.

Received and placed on file.

A petition was received to raise the grade of south side of Ottawa St. between Washington Ave. and Grand Ave. about 6 inches.

Referred to committee on streets. To the Honorable Mayor and City Council:

Your committee on parks from the park board have had under consideration the advisability of building a concrete retaining wall on the south side of Grand River just west of the City Electric Light dam and after a thorough investigation, beg leave to report as follows:

We believe it advisable for the following reasons:

(1) The river is now at a low point where team work can be done on the old river bed.

(2) It will eliminate a nuisance caused by weed growth, dead water and rubbish which has accumulated in this section.

(3) It will add to our river bank a piece of ground which could be made very attractive

(4) It will be the beginning of the long talked of improvement on our river banks.

(5) It will protect the bank and the trees growing along the river bank and will allow the City to extend the wall at any time later.

(6) The travelers on the Grand Trunk Ry. will be given a wonderful view of the way Lansing can fix the river banks and as this stretch of river bank is owned by the city on both shores, it is up to the city to take the first step ahead in improving and beautifying.

We would call your attention to this river bank and improvement and ask that the Council make an appropriation to cover the expense of a retaining wall from the south gate of the dam to a point approximately 600 feet west to a point on the bank of the river as shown on a plan pre-

pared by the City Engineer and estimated to cost \$6,000.00.

The Park Commission will share in the building of such a wall to the amount of \$1,000.00.

Respectfully submitted,  
Bd. of Public Park & Cemetery  
Commissioners.  
per Joseph Beck,  
Vice President.

Referred to committee on ways and means.

 To the Honorable Mayor and City Council.

Gentlemen—At a regular meeting of the Board of Health held Aug 17th, 1922, the following resolution was adopted.

By Member Bishop—That a request be made to the City Council to transfer one hundred twenty-five (\$125.00) dollars from the Contingent Fund to the credit of the Health Department

1 F 1 2 in order that we may pay to Charles Fox, Plumbing Inspector for the use of his car at the rate of \$37.50 per month for the remainder of the fiscal year.

J. A. Parsons

City Clerk

Referred to Committee on Ways and Means.

To the Honorable Mayor and City Council.

Gentlemen—At the last session of the Council the question was submitted to me as to whether it was legal to pave Cedar st. from Saginaw st. to Franklin av., this street never having been specifically named in any bond issue submitted to the voters.

On August 31st, 1920, there was submitted the question of issuing \$250,000 of paving bonds for the paving of five certain streets, specifically naming them. There is no question but that the proceeds of these bonds could be legally used only for the purpose designated.

On April 3rd, 1921, there was submitted the question of issuing \$300,000 of paving bonds for the purpose of paving thirteen certain streets, specifically naming them and "such other streets as petitions are filed for or may be hereafter filed for, and as the City Council may deem necessary." When presented in this manner it is my opinion the Council should make provision for paving the streets specifically named, before proceeding with the paving of such other streets as the Council may deem necessary. Of this issue of \$300,000 voted April 3rd, 1921, about \$17,000 is left after making provision for paving the thirteen streets specifically named.

On August 30, 1921, there was submitted to the voters of the City the question of issuing \$400,000 of paving bonds. The resolution and ballot recited that the issue was for the purpose of "extending the pavement of streets and repaving the streets of the said City of Lansing," not specifically naming any streets. On the same date, the resolution was presented to the Council, there was also submitted and adopted a committee report, recommending that a bond issue of \$400,000 be submitted for paving certain streets naming them, and also recommending that a mimeographed copy of the resolution (doubtless meaning committee report,) be posted by the clerk in each voting precinct.

I have made diligent search, but have been unable to find any judicial opinions that would aid in deciding this question. It is my opinion however, that this issue of \$100,000 was issued for the purpose as the ballot recited "of extending the pavement of streets and repaving the streets

the City of Lansing." It is the resolution of submission and the ballot which determines the character of the bonds. The adoption of the Committee report was a representation to the people of what the council intended to do with the money to be voted; an intention which the Council would have the legal right to change or modify.

Respectfully submitted,

John McClellan

City Attorney

Received and placed on file.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing.

Gentlemen:

I herewith report that on August 22, 1922, I sold to the Inner State Live Stock Association of Tonawanda, New York, 133 hogs weighing 825 lbs. at \$10.28 per hundred lbs. which I have received a check for \$3,271.61 and credited same to garbage disposal.

Respectfully,

Geo. A. Canfield,

Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen:

An error has been discovered and a very large one at that in the roll on the Women's Club House on Washington ave.

After a thorough examination by the assessor, and the State Tax Commission it has been decided to reduce the assessment to \$20,000.00 whereas on the tax roll it is now \$110,000.00 through the error.

I would suggest that the City Clerk be empowered to draw an order on the contingent fund in favor of the city treasurer for \$840.00 to apply on the tax on lots 7 and 8, Block 157, this to clear up the treasurer's books and accounts.

I make no explanations as to cause

for error, I do not know how it happened.

Respectfully,  
Harold H. Campbell,  
Assessor.

Referred to committee on city affairs and city attorneys.

improvement is \$195.00.

That the expense of such improve-  
ment in public street and alley inter-  
sections is \$12.00 which shall be paid  
by the city out of the 6th Ward  
Highway Fund.

That all of the remainder of said  
estimated expense, to wit, the sum  
of \$183.00, shall be defrayed by spe-  
cial assessment, upon the taxable  
lands and premises within the dis-  
trict heretofore described, in propor-  
tion to the benefits accruing to each  
parcel respectively from the con-  
struction of such improvement, and  
upon the owners and occupiers of  
the houses and lands within said de-  
scribed district to be benefited there-  
by, in proportion as near as may be  
to the advantage which each shall  
acquire by the making of such im-  
provement.

That the City Assessors be and  
hereby are directed to make an as-

### Construction of Sewers and Drains, III

By Ald. Templeton:

Resolved by the City Council of the  
City of Lansing:

Whereas, Notice to taxpayers and  
persons interested in the construction  
of 630 feet of sewer in Kalamazoo  
st. from Butler st. to Logan st. in  
the 1st sewer and drain district of  
the City of Lansing, having been duly  
given as required by the charter of  
said city, and the said City Council  
after hearing divers suggestions and  
objections by such persons so inter-  
ested, at the time and place provid-  
ed in such notice to the plans and  
necessity of such improvement, and  
after due consideration it is hereby  
determined by said City Council that  
such sewer is a necessary public im-  
provement; and it is determined by  
such City Council to construct the  
same as originally set forth in a re-  
solution adopted by such City Coun-  
cil on the 24th day of July, 1922, to-  
gether with necessary manholes,  
catch basins and laterals therefrom.

And that the plat and diagram as  
returned by the City Engineer be  
and the same is hereby adopted and  
that it be recorded in the book of  
sewer records in the office of the City  
Clerk, and it is further Resolved,  
That the portion of the city deemed  
to be specially benefited by said im-  
provement is all lots, parts of lots  
and pieces of land within the dis-  
trict specifically described and set  
forth in a resolution of said City  
Council, for the construction of said  
sewer passed upon the 24th day of  
Aug. 1922, excepting from said de-

scribed district all public streets and  
alleys.

That the estimated expense of such  
improvement is \$1650 of which one-  
sixth or \$275 shall be paid from the  
general sewer fund and the remain-  
der or \$1375, shall be defrayed by spe-  
cial assessment, upon all the taxable  
lands and premises, within the dis-  
trict above described in proportion to  
the benefits accruing to each parcel  
respectively from the construction of  
such sewer, and upon the owners and  
occupants of the houses and lands  
within said district in proportion to  
the advantage which shall accrue  
from the construction of such sewer.

That the city assessors be and  
hereby are instructed to make an as-  
sessment in accordance with the  
terms of the above resolution, and  
report the same to this Council at  
the next regular meeting, or as soon  
thereafter as may be.

Adopted by the following vote:  
Yeas—Ald. Avery, Chapman, Clap-  
ham, DeCamp, Dymond, Fowler, Heeb,  
Howe, Klock, Main, McComb, McKale,  
Phillips, Templeton, Trager, Watley—

A communication was received from C. H. Cook, National Commander, in regard to a National Forget-me-not day for disabled American veterans of the World war, which it is planned to take place on Nov. 4th, 1922, and requesting the appointment of a citizens committee to conduct such a day in Lansing.

On motion of Ald. Templeton—Matter was referred to the mayor and a proper committee be appointed.

A petition was received for a motorcycle officer to be placed on Allegan and Butler.

Referred to chief of police.

A communication was received from R. S. King, manager for National Surety Co. in regard to the bonding of deputies of city treasurer.

Referred to committee on city affairs.

To the Mayor and City Council:  
Gentlemen:

The attention of your honorable body is again called to the oil which is being dumped into the Grand River.

This oil not only saturates every growing plant and tree along our river bank where such plants and trees are exposed but in times of high water covers the ground with a layer of oil. High water marks of previous years are shown on many of our park trees by bands of oil. Pleasure boats and even the cement wall at the city dam show crusts of this tarry deposit.

As the largest part of this seems to be coming from the drain adjacent to the Lansing Foundry I believe that the council should take steps if it is possible to have proper traps installed to care for this waste matter.

We believe that the Board of Water and Electric Light Commissioners are also vitally interested in the elimination of this nuisance.

Very respectfully,  
Board of Cemetery and Public Works Commissioners,

H. Lee Bancroft

Referred to Committee on city affairs.

### Reports of City Officers

The report of the Gas Inspector for the week ending Sept. 2, 1922, and the month of August, 1922, was received and placed on file.

The report of the Sealer of Weights and Measures for the week ending Sept. 2, 1922, was received and placed on file.

To the Honorable Mayor and Council of the City of Lansing:  
Gentlemen:

I am submitting herewith plans and estimate of cost of constructing sewer in Sheridan st. from Franklin to Maryland st.

Total cost ..... \$1864.31

City's one-sixth ..... 314.38

To be assessed ..... \$1570.00

W. Binkley

City Engineer

Received and placed on file.

To the Honorable Members of the City Council:  
Gentlemen:

You are hereby notified that I hereby veto and disapprove the resolution introduced in the City Council by Alderman Howe at the session of the Council held August 21st, 1922, and which was reconsidered and passed at the session of the City Council held August 28th, 1922, providing for the transfer of \$5,000 from the Contingent Fund to the order of the Park Board to build a

raising wall along the south bank of Grand River and west of the municipal dam.

My reasons for vetoing this resolution are as follows:

While I am very much in favor of the improvement contemplated, I believe the same results could be obtained by filling in the ground in question, without building a retaining wall, as is being done on the north side of the river by the Electric Light and Water Commissioners. The bank of the roadway now being built by the Electric Light and Water Commissioners is fully protected by ditches, and I see no reason why such reconstruction would not equally as well answer the purpose in making the improvement asked by the Park Commission. It is my opinion, that from the standpoint of beauty, a river bank covered with grass and shrubs, will look as well as a bare cement wall.

Should this work be done as I suggest, it will mean a saving of the entire cost of the retaining wall of \$10,000.00.

Another reason why this retaining wall should not be built is the fact that there is such a shortage of cement that should we use the necessary amount to build this wall, which would require two car loads, it would prevent us from completing our street paving program.

I hope the Council will see fit to go ahead with this improvement without the building of this retaining wall, the expense of which would add considerably to the burden of taxation.

J. W. Ferle,  
Mayor.

Dated, Lansing, Michigan, August 24, 1922.

By Ald. Howe:

That the resolution be again placed on its passage.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley—15.

Nays—Ald. McKale—1.

Members of the City Council.  
Gentlemen:

I wish to call your attention to the fact that salaries in the city engineer's office are being paid at a rate greatly in excess of those paid elsewhere. It is my opinion that all salaries of city officials should be fixed by the city council and I suggest that the committee on salaries be into consideration the matter of salaries for the city engineer's office and report recommendations to this council.

Respectfully,

J. W. FERLE, Mayor.

Referred to committee on salaries.

By Ald. Templeton:

Resolved by the City Council of  
the City of Lansing, That the con-  
tract for sewer in Sheridan street  
from Franklin street to Maryland  
street, be awarded W. S. Frazer, and  
the Mayor and Clerk be authorized to  
execute said contract on behalf of  
the City.

The above resolution was placed  
on file for one week in office of city  
clerk in accordance with section 92  
city charter.

#### Reports of City Officers

The report of the sealer of weights  
and measures and gas inspector for  
the week ending Sept. 9th, 1922, was  
received and placed on file.

Honorable Mayor and City Council:

In the session of the city council of  
September 5th, there was referred  
to me the claim of A. F. Witt for the  
sum of \$519.75. As explained to the  
council at that time, this is the ex-  
pense incurred by Mr. O'Brien, mem-  
ber of the City Police Force, in go-  
ing to Nevada to secure the return to  
Michigan of a fugitive from justice.  
Of course, this is not a bill of Mr.  
Witt's, and Mr. Witt was not in a  
position to authorize this or swear  
to its correctness. I find that Mr.  
O'Brien was authorized to make this  
trip by the Prosecuting Attorney of  
Ingham County.

To comply with the law he must  
also have been made an agent of the  
State of Michigan by the Governor,  
and he went in his capacity as a pri-  
vate citizen. The city of Lansing is  
not in any way interested in this bill.  
I have suggested that the bill be  
made out in the name of the proper  
party and presented to the Board of  
Supervisors at its today's Session.

John McClellan,  
City Attorney.

Received and placed on file.

To the Honorable Mayor and City  
Council of the City of Lansing.

Gentlemen:

I herewith report that on August  
30, I sold to the Inter State Live  
Stock Association of North Tona-  
wanda, New York, 67 hogs weigh-  
ing 15755 lbs. at 9.63 per cwt., for  
which I received a check for \$1517.21

and credited same to garbage dis-  
posal.

Respectfully,

Geo. A. Canfield,  
Supt. of Garbage.

Received and placed on file.

To the Honorable Mayor and City  
Council of the City of Lansing,  
Gentlemen:

I am submitting herewith plan  
and estimate of cost of constructing  
sewers in:  
Elizabeth Street, from Clifford st. to  
200 ft. west of Clifford st.  
Total cost ..... \$ 468.00  
City's one-sixth ..... 78.00

To be assessed ..... \$ 390.00  
Also Allen St., from Elizabeth street  
south 375 ft.  
Total cost ..... \$ 936.00  
City's one-sixth ..... 156.00

To be assessed ..... \$780.00  
Also Saginaw st., from Grand River  
to Cedar St.  
Total cost ..... \$3700.00  
City's one-sixth ..... 1460.00

To be assessed ..... \$710.00  
Respectfully submitted,  
W. Binta,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and City  
Council of the City of Lansing,  
Gentlemen:

Pursuant to an order of your hon-  
orable body, I herewith submit the  
following assessment rolls estimated  
cost:

Curb and gutter in Ferguson  
from Michigan Ave. to Industrial  
School land.

Curb and gutter in Benson  
from Main st. to G. T. R. R.

Curb and gutter in Vine st. from  
Holmes st. to Ferguson st.

Grading and graveling Spring  
from Beech st. to M. C. R. R.

Respectfully submitted,  
Ernest G. Dill,  
City Assessor.

Received and placed on file.

To the Honorable Mayor and City  
Council:

I herewith present to your Hon-  
orable Body the following special as-  
sessment rolls, estimated cost:

Constructing a sewer in Huron  
Road from Teel ave. to 140 feet west  
of Cedar st. and in Maplewood ave  
from Lincoln ave. to 140 feet north  
of Huron Road.

Constructing a sewer in Florence  
st. from Cedar st. to Ray st.

And constructing a sewer in Ta-  
dale ave. from Cedar st. to 26 ft. E.

To be assessed ..... \$600.00  
Also, William Street, from West st. to Riverview st.

Total cost ..... \$600.00  
City's one-sixth ..... 100.00

To be assessed ..... \$500.00  
Respectfully submitted,

W. Blatz  
City Clerk

Received and placed on file.

Judson A. Parsons,  
City Clerk,  
Lansing, Michigan.

Dear Sir:

I have examined the title to the property to be purchased for the opening of Forest Avenue from the south line of Heller's Subdivision to the north line of Cedar Acre Subdivision to the city of Lansing, described as follows:

Commencing at the southeast corner of Lot 1, Heller's Subdivision to the City of Lansing; thence, southerly 175 feet to the northeast corner of lot 31 of Cedar Acre Subdivision to the City of Lansing; thence easterly 50 feet to the northwest corner of lot 27 of Cedar Acre Subdivision to the City of Lansing; thence northerly 175 feet to the southwest corner of lot 1, of Heller's Subdivision to the City of Lansing; thence westerly 50 feet to the place of beginning, containing 0.201 acres more or less.

And find that the title to the same is vested in Andrew C. Clark and Gertrude O. Clark, husband and wife, and is free and clear of all incumbrances.

The accompanying deed from Andrew C. Clark and wife, Gertrude O. Clark, of the city of Lansing of the said described property, is properly executed and properly conveys said property to the city of Lansing.

Respectfully yours,

John McClellan,  
City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:  
Gentlemen:

I herewith submit estimated cost of combined River and Overhead Bridge over Grand River and over N.Y.C.R.R. at Shiawassee St. (not including property damages) .....\$175,000.00

Respectfully submitted,

W. Bintz,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:  
Gentlemen:

I hereby appoint Mr. J. R. Pollock, Sanitary Engineer, as an assistant to the City Engineer.

Respectfully,

W. Bintz,  
City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council.  
Gentlemen:

I submit for your consideration the vouchers hereto attached covering services for janitor work performed by janitors of the various schools during primary election day -Sept. 12th.

The vouchers have not been certified to or approved for the reason

that the amount of time entered varies from 5 to 18 hours on the vouchers. There might be a reason for one party's time being more than another but not such an increase as indicated by the vouchers.

Respectfully,

F. H. Presley,  
City Comptroller.

By Ald. Phillips—That all janitors be allowed 8 hours at 25 cents per hour.

By Ald. Fowler—Moved as a substitute that the price be 45 cents per hour.

Lost by the following vote:

Yeas—Ald. Fowler, Klock, McCombe, Templeton—4.

Nays—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Heeb, Howe, Main, McKale, Phillips, Trager—11.

Original motion now being before the council it was adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Howe, Main, McKale, Phillips, Trager—9.

Nays—Ald. Dymond, Fowler, Heeb, Klock, McComb, Templeton—6.

To the Honorable Mayor and City Council:  
Gentlemen:

Pursuant to orders from your Honorable body, I submit the following special assessment rolls, estimated cost:

Paving Main st. from Logan st. to West City Limits.

Paving Lenawee st. from Capitol ave. to Townsend st.

Also, graveling Sterling ave. from Mt. Hope ave. to Barnes ave.

And graveling Delevan ave. from Mt. Hope ave. to Barnes ave.

Respectfully submitted,

Harold H. Campbell,  
Assessor.

Received and placed on file.

To the Honorable City Council.  
Gentlemen:

In accordance with your request I appoint the following committee on National Forget-me-not Day for disabled American veterans of the World War, which is planned for Nov. 4th by the National organization:

Dr. S. V. Barnum, Mrs. H. B. Hull, Allan McDonald, Del Van Dervoort, Mrs. Roy C. Spencer.

J. W. Ferle,  
Mayor.

Received and placed on file.

To the Honorable Mayor and City Council.  
Gentlemen:

The Assessors need another adding machine in their office. The one now in use is a Wales-nine bank machine—15 years old\*and needs a general overhauling.

During the making of the tax rolls in June, July, November and December, it has been necessary during the past three years to rent another machine and with this equipment, mistakes have been made which would have been eliminated if a machine had been installed which was adapted for Assessor's work.

You will find next attached a communication from the Burroughs Adding Machine Co. with cuts showing two different styles of adding machines—N. 334, 10 column, hand driven, at \$350.00; No. 246, 11 column, electric driven at \$735.00 new or \$405.00 for a rebuilt machine with a \$35.00 allowance for the Wales machine now in use. The rebuilt machine at \$405, is especially adapted for the class of work in the Assessor's office, for it handles four columns in one operation and gives cross and perpendicular footings at the same time, thereby proving the work on each page of the tax roll. The Burroughs Co. will overhaul and place in good running order the Wales machine now in the office, free of charge, providing the city desires to keep it.

Two machines are needed in the office and I would recommend that we place an order for one No. 246—11 column Burroughs Duplex rebuilt at \$405.00 and have the Wales machine overhauled without cost.

Respectfully your,

F. H. Presley,  
City Comptroller.

Referred to committee on ways and means.

#### CONSTRUCTION OF SEWERS AND DRAINS, 1.

By Alderman Templeton:

It is the opinion of the City Council of the City of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in William street from West street to River-view street, as petitioned for, is desirable, therefore, be it resolved:

That the City Engineer be and hereby is instructed to prepare plans for constructing a sewer in the above diagram and plat of the whole of named street, in the sewer and drain district, and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this Council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Received and placed on file.

To the honorable Mayor and City Council:

Gentlemen—With the \$60,000 insurance on the Prudden auditorium renewed in March and May of this year, there is a total of \$127,500. The premium on the \$60,000 amounted to \$462 and the committee on claims and accounts have not approved the claims for the reason that they feel that the Chamber of Commerce should take care of the insurance from revenues derived from rentals of the auditorium.

The Chamber of Commerce states that they are not in a position to pay these claims, but will be prepared to take care of the insurance now in force, amounting to \$67,500, which will fall due in December this year and January of 1923. They are of the opinion that \$127,500 is far in excess of the value of the auditorium above the grade and they had Mr. George Hagamier make another appraisal. After deducting 2 per cent depreciation per year, he places the value based on present values, at approximately \$70,000. The Chamber of Commerce propose to place \$7,500 in addition to the \$67,500, making a total of \$75,000 in order to safely comply with the 90 per cent valuation clause in the contract between the city and W. K. Prudden, and adjust the rental rates for the auditorium to meet this increase of operating expense.

The local insurance agencies are willing to cancel the policies aggregating \$60,000, providing they receive pay for the earned premium from date of issue in March and May to September 19, 1922. In view of the fact that Chamber of Commerce have denied their intention of paying all insurance premiums in the future, I would recommend that the city pay the earned premium from date of policies to September 19, 1922, policies to the local agents amounting to \$76.95 and return the

ing to \$60,000 for cancellation.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

	8-in.	M. H.
Bid of W. Miller .....	\$1.15	\$65.00
Bid of John Bray .....	2.50	50.00

By Ald. Chapman—

Resolved by the city council of the city of Lansing:

That the bid of W. Miller for the construction of sewer in Hillsdale st. from Pine to Sycamore sts. being the best and lowest bid, that same be and hereby is accepted, and be it further resolved that the mayor and city clerk be directed to execute a contract with the said W. Miller in behalf of the city of Lansing, according to said bid presented, and specifications on file.

The above resolution was placed on file for one week in office of city clerk in accordance with section #2 of city charter.

#### REPORTS OF CITY OFFICERS.

The report of the city treasurer for the month of August, 1922, was received and referred to the committee on auditing.

The report of the sealer of weights and measures and gas inspector for the week ending September 30, 1922, was received and placed on file.

The report of the gas inspector for the month of September, 1922, was received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Due to the fact that the city council has ordered the city engineering department to widen the Ottawa st. pavement to 30 ft. and surface the same with asphalt, I feel that they should be informed as to the condition of the existing sanitary sewer in Ottawa st. from Grand ave. to Capitol ave.

During November, 1921, certain

property owners met with the city engineer and some members of the sewer committee regarding a new sewer in Ottawa st. to care for deep commercial basements. At that time the sewer committee was to take up the proposition.

On April 24, 1922, a letter was received from D. W. Tussing relative to the same subject, and this communication was referred to the sewer committee. Also this department has taken up this matter with the present sewer committee several times since their appointment.

About the middle of December, 1922, a break occurred in the Ottawa st. sewer which was very difficult to repair at that time but which was finally repaired at a cost of approximately \$1,100.

In consideration of the above facts regarding the desire of certain property owners for a new and deeper sewer, and due to the fact that we have no assurance that a break similar to that of last December will not occur again, I would recommend that before any permanent improvement, such as an asphalt street be considered, that the existing sanitary sewer in Ottawa st. be replaced with a new sewer.

Respectfully,

W. BINTZ,

City Engineer.

Received and placed on file.

#### REPORTS OF COMMITTEES.

The committee on streets to whom was referred the petition for grading and graveling of Marcus st. from Lathrop st. to Shepard st., begs leave to report as follows:

We recommend that the request be granted.

W. H. MCKALE,

A. H. PHILLIPS,

E. D. KLOCK,

The committee on ways and means, to whom was referred the communication from the board of water and electric light commissioners, under date of September 25, 1922, relative to taking the necessary steps for the issuance and sale of Lighting and Power Bonds and Water Works Extension Bonds, authorized at special election held August 30, 1921, and primary election held September 12, 1922, respectively, begs leave to report as follows:

We have taken the matter up with the board of water and electric light commissioners and learn that the unsold portion of the Electric Light and Power Bonds, amounting to \$410,000, will be needed in the spring and summer of 1923. The board also informs us that the Water Works Extension Bonds, authorized September 12, 1922, will be needed about the same time.

We have also had a conference with the committee on sewers and the city engineer relative to the Sewer Bonds authorized at primary election held September 12, 1922, and it is the opinion of the city engineer and the committee on sewers that upwards of \$250,000 will be needed in the spring of 1923 and the balance of the issue—\$200,000—will be needed in the summer of 1923.

We have made a study of the municipal bond market and find that municipals in the class with Lansing municipals are selling on a base ranging from 4.18 per cent to 4.26 per cent on maturities averaging 15 years. The same class of municipals with maturities averaging 3 to 5 years are selling on a base ranging from 4.40 per cent to 4.48 per cent. We are of the opinion that there will be a decided improvement in the municipal bond market by December 15, 1922, and after a careful consideration of the subject we beg leave to make the following recommendations:

First—That the remaining portion of the Electric Light and Power

Bonds, amounting to \$410,000; the Water Works Extension Bonds, amounting to \$135,000, and Sewerage Bonds, amounting to \$450,000, making a total of \$995,000, be sold to the highest bidder at public sale, on Monday evening, December 4, 1922, in the council rooms in the city hall, at 8:30 o'clock, central standard time.

Second—That the bonds shall be designated as follows:

City of Lansing Lighting and Power Bond;

City of Lansing Water Works Extension Bond;

City of Lansing Sewerage Bond.

Third—That the bonds shall bear date of January 2, 1923, and that the interest rate on the Lighting and Power Bonds and the Water Works Extension Bonds shall be 4½ per cent per annum and the interest rate on the Sewerage Bonds shall be 4½ per cent per annum, all payable semi-annually in the months of January and July each year.

Fourth—That the aforesaid bonds shall be numbered as follows:

Lighting and Power Bonds—Nos. D1241 to D1650, both Nos. incl.

Water Works Extension Bonds—Nos. A1 to A135, both Nos. incl.

Sewerage Bonds—Nos. E1 to E450, both Nos. incl.

Fifth—That the interest and principal on the aforesaid bonds shall be payable at the Guaranty Trust Co. of New York city.

Sixth—That the city comptroller be directed to issue the usual form of "Schedule of Indebtedness" and "Official Statement of Bonds" and send same to the 112 bond houses as per mailing list in his office and that the city furnish the bonds and legal opinion, the cost of same to be paid from the contingent fund. Also that the securing of the legal opinion and the printing of the bonds be under the supervision of the city comptroller, subject to the approval of the committee on ways and means.

Seventh—That provision be made for registering the bonds if presented for that purpose.

E. S. AVERY,

O. C. HOWE,

Committee.

Resolved by the city council of the city of Lansing:

That whereas, this council did heretofore, to-wit, on the 24th day of July, 1922, by resolution duly adopted declare and determine that for better sanitation, public convenience and general drainage purposes it is a necessary public improvement to extend the sewerage and repair the present sewerage of the city of Lansing, and this council being advised by the city engineer and the committee on sewers that the city of Lansing will incur an estimated indebtedness of \$450,000 in the construction of said sewers and the repairing of the present sewerage in the city of Lansing; and

Whereas, this council heretofore,

to-wit, on the 12th day of September, 1922, did submit the question of said sewers and the repairing of the present sewerage, as aforesaid, and the issuance of the bonds of the city of Lansing in the amount of \$450,000 for the purpose of defraying the expense of the construction of said sewers and the repairing of the present sewerage, to a vote of the qualified electors of the city of Lansing; and

Whereas, the qualified electors of said city, by a three-fifths vote of those voting thereon, at the election held in said city on the 12th day of September, 1922, determined and approved the issuance of the bonds of said city in the sum of \$450,000 for the purpose of constructing said sewers and repairing the present sewerage, and that said bonds should be issued as proposed in said resolution; now therefore be it

Resolved, by this council, that the bonds of the city of Lansing, to be designated "City of Lansing Sewerage Bonds" in the sum of \$450,000 for the purpose of defraying the expense of the construction of said sewers and the repairing of the present sewerage of the city, be issued by said city; that such bonds shall be in denominations of \$1,000, and be dated January 2, 1923, and be due and payable as follows: \$90,000, on the 2d day of January of each year from 1925 to 1929, inclusive. The said bond shall bear interest at the rate of 4½ per cent per annum, payable semi-annually on the 2d day of January and the 2d day of July in each year, beginning on the 2d day of July, 1923, both interest and principal payable at the Guaranty Trust Co., New York, N. Y.

Resolved further, that there shall be printed on the back of said bonds the following provisions for registration as to principal and interest:

In accordance with a provision of this bond the coupon sheet issued herewith has been surrendered by the holder of this bond, and the coupons have been cancelled by the city treasurer. The semi-annual interest on this bond is hereafter to be paid to the registered holder named in the registration blank below or order upon the proper acknowledgment of the receipt thereof.

County of Ingham

City of Lansing Sewerage Bonds

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000.00 lawful money of the United States of America, on the 2d day of January, 19..... at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4½ per cent. semi-annually, on the 2d day of January and the 2d day of July of each and every year, beginning with the 2d day of July, 1923, on presentation and surrender of the proper interest coupons hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged.

This bond is one of a series of 450 of like tenor, except as to date of maturity, aggregating the sum of \$450,000, issued under and in pursuance of the provision of the charter of the city of Lansing and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city of Lansing at an election held in said city on the 12th day of September, 1922. This issue of bonds is for the purpose of raising funds to defray the expenses of extending the sewerage and repairing the present sewerage in the city of Lansing, as prescribed in a certain resolution adopted by this council on the 24th day of July, 1922. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and been performed in regular and due form, as required by law, and that the

total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holder upon the books to be kept by the city treasurer and similarly noted hereon, after which registration the principal hereof shall be payable to the registered holder until this bond has been discharged from registration by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city of Lansing officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date of January 2, 1923, by order of said council.

City of Lansing Water Works Extension Bonds

Know all men by these presents that the city of Lansing, state of Michigan, hereby acknowledges itself justly indebted and for value received promises to pay the bearer, or if registered to the registered holder hereof, the sum of \$1,000, lawful money of the United States of America, on the 2d day of January, 19...., at Guaranty Trust Co., New York, N. Y., with interest at the rate of 4% per cent per annum, payable semi-annually on the 2d day of January and the 2d day of July, of each and every year, beginning with the 2d day of July, 1923, on presentation and surrender of the proper interest coupon hereto attached as they severally become due, and for the prompt payment of this bond and interest thereon the full faith and credit of the city of Lansing is hereby irrevocably pledged. This bond is one of a series of 135 of like tenor, except as to the date of maturity, aggregating the sum of \$135,000, issued under and in pursuance of the provisions of the charter of the city of Lansing, and by authority of the laws of the state of Michigan, and duly authorized by a three-fifths vote of the qualified electors of said city at an election held in said city on the 12th day of September, 1922. This issue

of bonds is for the purpose of extending the water mains and reinforcing and enlarging certain portions of the mains now in use in said city as prescribed in a certain resolution adopted by this council on the 24th day of July, 1922. It is hereby recited and certified that all the acts, conditions and things required to be done precedent to and in the issuance of said bonds in order to make them valid and binding obligations of the city of Lansing have been done, happened and performed, as required by law, and that the total indebtedness of the city of Lansing, including this issue of bonds, does not exceed any charter, statutory or constitutional limitation. This bond is exempt from taxation in the state of Michigan.

This bond may be registered as to principal in the name of the holders upon the books to be kept by the city treasurer, and similarly noted hereon, after which registration the principal thereof shall be payable to the registered holder until this bond has been discharged from registration, by being registered as payable to bearer. The registration of this bond as to principal shall not restrain the negotiability of the coupons by delivery merely, but the coupons may be surrendered and thereafter the principal and interest of this bond will be payable only to the registered holder.

In witness whereof, the mayor and clerk of the said city of Lansing, Ingham county, Michigan, have by order and direction of the city council of the said city of Lansing, officially hereunto subscribed the corporate name of the said city of Lansing, and attached the corporate seal thereof and executed the bond for and on behalf of the city of Lansing; this bond bearing date January 2, 1923, by order of said council.

No objection being filed the same was considered satisfactory to parties interested.

## REPORT OF CITY OFFICERS

The report of the sealer of weights and measures and gas inspector for the week ending October 14, 1922, was received and placed on file.

Hon. Mayor and City Council:

Gentlemen:—At the last session of the city council there was referred to me the resolution of Ald. Templeton in relation to paying Mrs. A. McManaman the sum of \$22.84 to pay

for 5½ feet of pavement assessed to her. The facts in relation to this matter are as stated in the resolution: Holmes st. on the east of this property is only approximately 23 feet wide and the city by consent of the property owner, did build its sidewalk on the 5½ feet of Mrs. McManaman's land.

I believe that this is sufficient consideration to legally justify the city in paying the tax fronting the 5½ feet.

Respectfully submitted.

JOHN McCLELLAN,  
City Attorney.

Referred to committee on city affairs.

#### REPORTS OF COMMITTEES.

The committee on streets and chief of police, to whom was referred the request of the Postal Telegraph Co. for permission to place a rack for messengers' bicycles in front of 211 E. Michigan ave. on the sidewalk at edge of the curb, beg leave to report as follows:

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 200 feet of sewer for extending the outlet of the sewer at the head of Weidon st. from Moores River drive towards the river proper in the sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby deter-

mined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 9th day of October, 1922, together with the necessary manholes, catch basins and laterals therefrom.

And the plat and diagram as returned by the city engineer be and same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 9th day of October, 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$720.00, of which one-sixth, or \$120.00, shall be paid from the general sewer fund and the remainder, \$600.00, shall be defrayed by special assessment, upon all taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley—15.  
Nays—None.

To the Honorable Mayor and City Council:

Gentlemen—Realizing that there are persons connected with the city government of Lansing who have served the citizens long and faithfully, the Lansing Industrial News requests your co-operation in a measure that will, to some extent at least, assure these faithful public servants of our appreciation of their devotion to duty, and by directing public attention to this matter, prove an incentive to others to serve.

We ask, therefore, that a committee of three, consisting of the mayor and two members of your honorable body, be selected to ascertain what man and woman have served the city longest, and having found these per-

sons, that the two cups, handed to you herewith, be presented to them. Trusting that this will meet with the approval of your honorable body, we are

Sincerely yours,  
LANSING INDUSTRIAL NEWS,  
G. H. ALLEN, Publisher.

By Ald. Templeton—

That the communication be referred to the mayor and he to appoint a committee.

The Honorable Mayor and City Council:

Gentlemen—The Michigan United Railways company respectfully requests your honorable body to grant permission to it to operate a motor bus along the route hereinafter described for a period of 30 days, as a trial operation, said bus to be operated on a 15-minute schedule.

The proposed route is as follows: From the intersection of Washington and Barnes aves. south to Smith ave., Smith ave. to Coleman ave., Coleman ave. to Barnes ave., Barnes ave. to Beal, Beal to Sparrow, Sparrow to Logan, Logan to Moores River drive, Moores River drive to Blair, Blair to Pettis, Pettis to Boston blvd., Boston blvd. to Moores River drive and return over the same route. This proposed route is marked in red on the map of the city of Lansing submitted herewith.

Kindly advise if the Railways company may have the permission of your honorable body to operate this bus for a period of 30 days over the route proposed.

Very truly yours,  
J. F. COLLINS,

Vice President and Gen. Mgr.

Received and placed on file.

#### REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending October 28, 1922, was received and placed on file.

Judson Parsons, City Clerk:

Dear Sir—I have examined abstract of title, tax history and tax receipts to lot 20, block 9, of the plat of Epanore addition to the city of Lansing.

I find that the Dyer-Jenison-Barry Land company are the owners of this lot, and the same is free and clear of all encumbrances. There are, however, building restrictions pertaining to this lot which the city council are familiar with.

The Dyer-Jenison-Barry Land com-

pany have this day by warranty deed submitted herewith, conveyed said lot to Harry B. Hewitt and Kathryn C. Hewitt, husband and wife. Harry B. Hewitt and Kathryn C. Hewitt, husband and wife, by the accompanying deed have conveyed this lot to the city of Lansing by warranty deed properly executed and conveys the same to the city, free and clear from all encumbrances except building restrictions which the city council are acquainted with.

Upon tender of this deed, it is proper that you should pay to Mr. Harry Hewitt or order the \$1,400 authorized by the city council.

Yours very truly,

JOHN MCCLELLAN.

Received and placed on file.

Dear Mr. McComb—I consider the following listed furniture as necessary for my office and the weight master:

- 1—60-inch pedestal typewriter desk.
- 1—Table desk, about 18x32 inches, with three drawers on one end.
- 1—Swivel chair with arms.
- 1—Swivel chair without arms.
- 2—Straight back chairs without arms.
- 1—Costumer.
- 1—Large waste paper basket.
- 2—Ink stands, complete.

Am not including a list for Mr. Baughman, as he doesn't care to make his wants known.

I am wondering if it would not be advisable to try and swing the credit we will get for returning the weightograph into a real scale such as the Toledo scale. I know where we can get one that has been used about six months, but that is in perfect condition at a saving of \$75. It seems as though the city should be equipped with scales that would be accurate for test weight purposes. Mr. Baughman does not seem to want to try and put it across, but, for that matter, it could be market property.

Very truly yours,

AUSTIN L. PINO.

Received and placed on file.

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 1,230 feet of sewer in Francis st. from Franklin ave. to Saginaw st., and in Saginaw st. from Francis st., one and one-half blocks west, in the sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined, by

such city council to construct the same as originally set forth in a resolution adopted by such city council on the 16th day of October, 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 16th day of October, 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$2,688.00, of which one-sixth, or \$448.00, shall be paid from the general sewer fund and the remainder, \$2,240.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.  
—16.

## SIDEWALK RESOLUTION.

By Ald. Fowler—

Resolved by the city council of the city of Lansing:

That it is a necessary public improvement and it is hereby determined that a new artificial stone sidewalk five feet wide shall be built in front of lot 25, Chittenden's sub., of part of NW.  $\frac{1}{4}$  of NE.  $\frac{1}{4}$  section 28 on the east side of Forest ave. owned by Chas. Gidley;

Also in front of lot 26, Chittenden's sub., of part of NW.  $\frac{1}{4}$  of NE.  $\frac{1}{4}$  section 28 on the east side of Forest ave., owned by E. S. Martin; and that the owners of said above described lands are and they are hereby required to build the same and in accordance with the specifications on

file in the office of the city engineer on or before the 9th day of December, 1922.

That the superintendent of public works is authorized and directed to proceed to construct such artificial stone walk in front of the above described premises after the expiration of said date, upon the failure of the owner or owners of the parcels herein described to construct the same as hereby required; and that the expense of constructing the same shall be paid out of the contingent fund, and the city assessors are hereby directed to assess the expenses of constructing the same against said described land as provided by section five of ordinance No. 23, of the revised ordinances of the city of Lansing, and chapter 17 of the city charter.

The city clerk is directed to give due notice hereof by publication of a notice of this resolution for three successive days as provided by said ordinance No. 23.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapp, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.

Nays—None.

The claim of Olds Motor Works for \$59.25 to refund taxes paid on land assessed in 1920 which belonged to the city and on lands of the Electric Light & Power Co.

Referred to electric light and water board.

The Honorable Mayor and City Council:

Gentlemen—We are now constructing foundations for boulevard lights in accordance with schedule approved last spring.

We have discussed this program with the city engineer with reference to curb lines, elevations and

widths of pavements. As you know, there is no curb on S. Cedar st. from the river to Mt. Hope, or on W. Saginaw from Butler to Ver Linden. We understand that there is a strong possibility that wider pavements will be laid on both of these streets next year.

Much damage is always done to boulevard light installations by such improvements, and although we have all the materials purchased, we would advise that the installation of boulevard lights on these streets be postponed until after the streets are improved.

We also understand that a new and wider pavement is contemplated on W. Main st. from Washington ave. to Birch, and if so, we would make the same recommendation regarding installation of boulevard lights on this street.

Kindly let us know what procedure to follow with reference to the three streets mentioned.

Yours very truly,  
BOARD OF WATER & EL. LT. COMMISSIONERS,

OSCAR E. BULKELEY,

Superintendent.

Referred to committee on streets.

Respectfully submitted,

W. BINTZ,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—In accordance with section 146 of the city charter of the city of Lansing, I am submitting herewith a report of taxes uncollected as of this date:

Total amount of July,  
1922, tax roll .....\$1,205,700.10  
Amount collected to date 1,100,925.72

Total uncollected taxes

to date ..... \$104,774.38

Respectfully submitted,

WALTER S. CAMPBELL,

City Treasurer.

Received and placed on file.

Honorable Mayor and City Council:

Sometime ago the Consumers Power Company, as Plaintiff, commenced a suit against William F. Chittenden and others to vacate a portion of Cass ave., south of Mt. Hope ave., on which one of its towers was constructed. This land was platted and this street laid out without the Consumers Power Company joining in the plat.

Last spring William F. Chittenden made a proposition of granting

to the city the right to use a triangular piece of land, having a frontage of 18 feet on Mt Hope ave. and running south far enough so that the angle of the street would not be abrupt and with the understanding that should the power transmission line and the tower be removed from the street, that then the strip of land so given for the use of the city would revert to Mr. Chittenden or his estate. Effort has been made to induce Mr. Chittenden to permit the removal of the tower to the strip of land which he was willing to give the city the use of, but this he refuses to do.

It is my opinion that it would be best for the city to accept the proposition of Mr. Chittenden. It would be possible for the city to cause the removal of this tower from the street, but then the Consumers Power Company would have to be fully compensated for their property, and it is my opinion that their damages would be a very considerable sum for the reason that it would be so expensive for them to find another place in which to set their tower.

The settling of this matter in this manner would not at any time prevent the city from straightening this street in the future, should it so desire, and there is a possibility that sometime this transmission line may be taken out of the city.

Respectfully submitted,

JOHN MCCLELLAN,

City Attorney.

Received and placed on file.

#### REPORTS OF COMMITTEES.

### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 400 feet of sewer in Sycamore st. from Genesee st. to Lapeer st. in the 6th and 19th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans, and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 30th day of October, 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 30th day of October, 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$780.00, of which one-sixth, or \$130.00, shall be paid from the general sewer fund and the remainder, or \$650.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapp, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

Nays—None.

# PROCEEDINGS OF THE CITY COUNCIL OFFICIAL

Proceedings, November 13, 1922

## (OFFICIAL PROCEEDINGS.)

City Council Rooms.

Lansing, November 13, 1922.

The city council met in regular session and was called to order by Acting Mayor S. S. Main.

## ROLL CALL.

Present — Ad. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley—16.

Absent—None.

The record of the previous session was approved as printed.

## PETITIONS AND COMMUNICATIONS.

A communication was received from Mayor Wm. Oltman of Grand Rapids expressing sympathy on the part of the City Commission of Grand Rapids on the death of Mayor Ferle.

Received and placed on file.

A petition was received for grading and graveling Walsh street from Holmes street to Parker street. Referred to committee on streets.

A petition was received to cover Saginaw street with asphalt outside of the street car right of way between Pine street and Butler street. Referred to committee on streets.

The Honorable Mayor and City Council:

Gentlemen:—We wish to advise you that the widening of Ottawa street from Grand avenue to Capitol avenue necessitates reconstructing the boulevard lighting system and that we have deemed it advisable to install new equipment throughout.

The estimated cost of this work is \$2,619.35.

Yours very truly,  
BOARD OF WATER & EL. LT COM-  
MISSIONERS,

OSCAR E. BULKELEY,

Superintendent.

Referred to committee on ways and means.

## REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending Nov. 11, 1922, was received and placed on file.

Acting Mayor and Members of the City Council:

Gentlemen:—The death of our mayor, Jacob W. Ferle, brings up the matters involved in the vacancy created in the office of mayor. We must look to our city charter for a determination of these matters. There is nothing in our state laws pertaining to the subject. Lansing being a home rule city, I doubt whether the state could legislate on such a matter.

Section 98 of the city charter reads: \* \* \* "In the absence or disability of the mayor, or in case of vacancy in said office, except as the result of a recall, the president of the council shall perform the duties of the mayor. . . provided, that the president of the council shall not have the power to appoint or remove any city official, or a member of any board, during a temporary absence or disability of the mayor."

This section makes it quite clear, that when a vacancy occurs in the office of mayor, the president of the council shall perform the duties of the mayor. The question of how long a period of time the president of the council shall perform the duties of mayor is not quite so clear.

There is nothing in the city charter which provides for the calling of a special election to fill a vacancy in an elective office, except in the case of a vacancy in the office of alderman. Section 33 of the charter reads: "When a vacancy occurs in the office of alderman, the city council shall immediately order a special election to be held in the ward for which such officer was chosen. Provided, that in case such vacancy shall occur in the said office of alderman, within three months before the first Monday in April in any year, it shall be optional with the city council to order a special election as it shall deem expedient."

The fact that the charter makes express provision for a special election in case of a vacancy in the office of alderman, and makes no such provision in case of a vacancy in any other elective office, gives weight to the opinion that no special election was intended to fill a vacancy, other than that expressly provided for in the case of a vacancy in the office of alderman.

The case of *People vs. Palmer*, 91 Mich. 283, is authority for the opinion that a special election to fill a vacancy cannot be held, unless expressly authorized.

Section 36 of the charter reads: \* \* \* "Any person appointed to fill a vacancy in any elective office, shall hold the same until the next annual election, when a person shall be elected to fill such vacancy for the unexpired portion of the regular term limited to such office, and until his successor shall be elected and qualified."

I believe that this section 36, together with the fact that no provision is made for a special election to fill such vacancy, is good authority for the opinion that the president of the council shall perform the duties of the mayor until the next annual election, when the vacancy will be filled by an election.

He still retains his office of alderman, and in addition, he performs the duties of mayor. His proper title would be "President of the Council and Acting Mayor." The question of his compensation will be treated in a later opinion.

Respectfully submitted,

JOHN McCLELLAN,

City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen:—Complying with instructions contained in resolution adopted by the council October 2, 1922, relative to the sale of Public

Utility and Public Improvement Bonds to be sold on Dec. 4, 1922, I respectfully report that a copy of the "Schedule of Indebtedness and Official Statement of Bonds" has been mailed to 112 bond houses as per mailing list in my office.

Arrangements have been made with Mr. John C. Thompson of New York City to furnish legal opinion and contract has been awarded to the Gardner Printing Co. to print the bonds.

Very truly yours,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen:—I herewith present for your consideration a letter from Miss Bessie Hughes, relative to falling in front of 1110 Seymour avenue.

Respectfully,

A. WINEGAR,

Supt. Public Works.

Referred to committee on city affairs and city attorney.

Gentlemen of the Council:

I hereby appoint the following aldermen—Templeton, Clapham and Howe—to act as a committee in drafting suitable resolutions on the death of the late mayor.

S. S. MAIN,

Acting Mayor.

Received and placed on file.

Gentlemen of the Council:

Bills have come to the clerk's office from the janitors of the various school buildings for services rendered on election day with no amounts attached. I, therefore, advise that the council, by resolution, designate the amount per hour for such service.

Very truly,

S. S. MAIN,

Acting Mayor.

#### REPORT OF CITY OFFICERS

The report of the sealer of weights and measures and gas inspector for the week ending Nov. 18, 1922 was received and placed on file.

Gentlemen of the City Council:

Pursuant to a resolution in the city council on November 13, I am appointing the following as a committee on Durant Park memorial tablet, or some other fitting memorial.

ALD. WM. MCCOMB,  
ALD. O. C. HOWE,  
ALD. ALBERT DeCAMP  
MR. C. E. BEMENT,  
MR. CHAS. FOXSON,  
MR. J. G. REUTTER,  
S. S. MAIN,

Acting Mayor.

Received and placed on file.

Hon. Acting Mayor and City Council:

Gentlemen:—I wish to report that on the evening of November 6, 1922, the mayor of our city, the Hon. Jacob W. Ferle, died at his residence in this city. I make this report to the council, that the official records of the city will show to our bond attorneys and to the purchasers of our bonds, the reason why our city bonds, which are soon to be offered for sale, are signed by our Acting Mayor Silas S. Main.

J. A. PARSONS,

City Clerk.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—In the matter of the offer of the New York Central Railroad company to contribute \$50,000 toward the construction of the Shlawassee at bridge, I beg leave to report that by letter, dated January 23, 1922, to our city engineer, O. E. Eckert, the New York Central Railway company offered to contribute \$50,000 toward the construction of said bridge. Said offer was presented by the city engineer to the city council at its session of February 27, 1922, and the city council received and placed the communication on file. It is my suggestion that the council formally accept the offer at this time.

JOHN McCLELLAN,

City Attorney.

Received and placed on file.

Honorable Mayor and Members of the City Council:

Gentlemen—At the last session of the council, I submitted the opinion, that, by authority of Sec. 98 of the city charter, in case of a vacancy in the office of mayor, the charter appointed the president of the council to perform "the duties of the mayor," and that by authority of Sec. 36 of the charter such appointment

continued until filled by an election at the next annual election.

The question now presented is whether or not compensation shall be paid the person so appointed to perform the duties of the mayor. It is well settled that officers have no claim for official services rendered, where no provision has been made by law for compensation for such services. It is also well settled that new duties added to an office does not entitle additional compensation. It is my opinion, however, that those two legal principles do not apply to the instant case. Here no new duties are added to the office of alderman. The duties which the president of the council is called upon to perform are the duties of the mayor, duties outside of and different from his duties as alderman. He is given all of the powers, duties, and responsibilities of the mayor, which make him mayor in fact, if not in name, and as such entitles him to the salary provided in the charter for mayor. "Where an officer by law may, and as a matter of fact does, hold two offices, he is to receive the compensation attached to both offices." Sec. 29, Cyc. 1424, and cases there cited.

In the case of McBride vs. City of Grand Rapids, 47 Mich. 236, it was held that a police justice, appointed by the council to assist in drafting ordinances for the city, was entitled to recover compensation therefor, such services being acts outside of his official duty.

In City of Detroit vs. Redfield, 19 Mich. 376, plaintiff, as comptroller of the city, was authorized and directed by resolution of the common council to perform certain duties relative to the issue and sale of so-called "soldiers bounty bonds." He received an annual salary as such comptroller and it was insisted that he was not entitled to extra compensation for the duties imposed upon him by the resolution. The court held that the duties required by the resolution were wholly foreign to his duties as comptroller as defined by the city charter, and that he was entitled to pay. In that case the court said, "it is unreasonable to suppose the legislature intended that such services and to such an amount should be performed without compensation."

With much greater reason can we say in the present case that it is unreasonable to suppose the city charter intended that the duties of the mayor's office, which the charter contemplated would take a person's entire time, should be performed without compensation. The very recent case of Groesbeck vs. Auditor General, 216, Mich. 243, is

very good authority for the position we are taking in this case. The constitution of the state fixes the salary of the attorney general, secretary of state, state treasurer, and auditor general, and says that they shall receive no fee or perquisites for the performance of any duties connected with their offices, and that it shall not be competent for the legislature to increase the salaries therein provided. The 1921 legislature, by law created the state administrative board, and made the secretary of state, auditor general, and state treasurer members of that board at salaries of \$2500.00 per year each, in addition to their salaries as state officers. The supreme court decided that they were entitled to the additional salaries, upon the theory that as members of the administrative board they were holding an office separate and distinct from their offices of auditor general, secretary of state, and state treasurer, and with duties outside of and foreign to their duties as such elective state officers.

From the above reasoning and by authority of the above cases, it is my opinion that the acting mayor is entitled to the salary provided for mayor by the charter.

Since writing the above opinion I am in receipt of a letter from our bond attorney, Mr. John C. Thompson of New York, stating that he concurs in my opinion given to you at the last session of the council.

Respectfully submitted,

JOHN McCLELLAN,

City Attorney

Received and placed on file.

To the Honorable Mayor and City Council of the City of Lansing:

Gentlemen — I herewith report that on October 31, I sold to the Inner State Livestock Assn. of North Tonawanda, New York, 130 hogs weighing 32,880 lbs. at \$8.78 per hundred, for which I received a check for \$2,886.86, and on November 9, I sold to the same firm 60 hogs, weighing 17,580 lbs., at \$8.23 per hundred and received a check for \$1,446.83, making a total of \$4,333.69 which was credited to garbage disposal.

Resolved by the city council of  
the city of Lansing. That while we  
bow in humble submission to the  
will of Almighty God, we none the  
less mourn for him who was taken

from us.

Resolved—That in the death of  
Jacob W. Ferle the city lost a con-  
scientious public official whose ut-  
most endeavors were exerted for  
its welfare and prosperity, and this  
community lost a citizen of rugged  
honesty and undaunted courage,  
whose best efforts were ever used  
for the good of all.

Resolved—That these resolutions  
be spread upon the records of this  
council and that an engrossed copy

Acting Mayor and City Council:

I am submitting herewith communication of New York Central Railroad company relative to Shiawassee street bridge.

Respectfully,

JOHN McCLELLAN.

Mr. John McClellan,

City Attorney,

City of Lansing, Mich.

Dear Sir—I have your letter of November 15 asking for definite advice that the offer of the New York Central to pay \$50,000.00 toward Shiawassee street bridge still stands:

There is no intention on the part of the railroad company to restrict the offer to any specified time limit within reason. We are still willing to co-operate to the extent indicated. It should, however, be understood that the offer is, of course, contingent on the carrying out of the understanding and agreement as to the work; in other words, adequate provision must be made to retain suitable access to the railroad freight terminal, to take care of the present and probable future business at this point, and our contribution carries with it the obligation on the part of the city to provide the necessary driveways, and, during the construction period, necessary way to, and from our terminal to Michigan ave.

In connection therewith I am informed that suggestion has been made to permit Woods Bros' Silo & Manufacturing Co. to cross our tracks at grade after the bridge has been built. The railroad company should not be expected to contribute and have any crossing remaining whatever. I have asked our superintendent to confer with you in order that there may be no misunderstanding.

Yours very truly,

A. S. INGALLS,

General Manager.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—

Pursuant to orders from your honorable body, I hereby submit the following supplementary special assessment roll for your approval:

Constructing a curb and gutter in Washtenaw st. from Logan st. to Huron st.

Graveling Weldon ave. from Mt. Hope ave. to Edward st.

Graveling Clear st from Elm st. to Hazel st.

Graveling Creston place from Wayburn road to Rockford road.

Grading Weldon st. from Mt. Hope ave. to Edward st. and Edward st.

From Weldon st. to Moores ave.

Respectfully submitted,

HAROLD H. CAMPBELL.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to a resolution adopted by your honorable body on September 11, 1922, relative to negotiating with the owners of lots 75, 76, 225, 226, 375 and 376 of Foster Farm addition to the city of Lansing with a view of purchasing same, for the purpose of widening Saginaw st. near Magnolia ave. to east city limits, respectfully report that we have secured options from the owners of lots 75, 76, 225 and 376 at the following prices:

Lot—	
75 .....	\$500.00
76 .....	500.00
225 .....	400.00
376 .....	350.00

Respectfully submitted,

A. H. PHILLIPS,

S. S. MAIN,

Aldermen Eighth Ward.

Received and placed on file.

#### REPORTS OF COMMITTEES.

The committee appointed to determine what man and woman employee were entitled to the two cups presented by the Lansing Industrial News begs leave to report as follows:

We find that the man longest in the city's service is Frank J. Buck of the water and electric light department and the woman who has given the longest continuous service is Bertha Ray, assistant city clerk, and we recommend that the cups given by the Lansing Industrial News in recognition of such services be presented to these two persons.

Respectfully submitted,

S. S. MAIN,

Acting Mayor.

M. A. TEMPLETON,

E. D. KLOCK,

Committee.

By Ald. Templeton—

That the report of the committee be adopted.

Carried.

By Ald. Templeton—

That the mayor request the recipients of these cups to be at the council room at our next meeting and that the mayor present same to them publicly.

Carried.

### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 295 feet of sewer in Forest

ave. from Huron road north 300 feet in the sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 20th day of November, A. D. 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 20th day of November, 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$492, of which one-sixth, or \$82, shall be paid from the general sewer fund and the remainder, or \$410, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

L. Day & Co., according to their bid; and the mayor and city clerk be and are hereby authorized to execute said contract of sale on behalf of the city.

The above resolution was placed on file one week in the office of the city clerk in accordance with section 92 of the city charter.

#### ORDINANCES.

Ald. Fowler introduced the following ordinance which was read a first and second time by its title and referred to the committee on ordinances:

An ordinance to amend sections 1, 2, 3, 4, 5 and 6 of ordinance No. 90 of the compilation of ordinances for the city of Lansing for the year 1918, as amended, entitled "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and bowling alleys; also to amend the title of said ordinance that the same will correspond with the ordinance as amended, to read as follows: "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and card tables."

The city of Lansing ordains:

That sections 1, 2, 3, 4, 5 and 6 of ordinance No. 90, as amended April 2, 1918, entitled "An ordinance to license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and bowling alleys" be amended so as to read as follows, and that the title to said ordinance when enacted shall read as follows: "An ordinance to

license and regulate billiard tables, pool tables, bagatelle tables, pigeon-hole tables and card tables."

Section 1. It shall be unlawful for any person or persons to keep for hire any billiard tables, pool tables bagatelle tables, pigeon-hole tables, or card tables within the limits of the city of Lansing without first obtaining a license therefor as hereinafter provided.

Section 2. Before any license under this ordinance shall be granted, application therefore shall be made in writing to the city clerk. Said application shall state the name of person, persons, firm or corporation, the place of location of the premises, the number of tables, or card tables, and the citizenship of the parties. Before any license is issued, said applicant shall pay to the city clerk the sum of \$3.00 for one table, or card table so to be kept, operated or maintained, and where more than one table or card table is kept, operated or maintained, the sum of \$1.00 for each additional table, or card table. No license hereunder shall be issued by the city clerk until the application therefor shall have been approved by the city council.

Section 3. This ordinance shall not apply to pool tables, billiard tables, bagatelle tables, pigeon-hole tables, or card tables, kept in the home, clubhouse or lodge rooms of any legally incorporated association, organization or society, the use of which is confined, or limited to members only of said association, organization or society.

Section 4. It shall be unlawful for any person or persons to keep or operate for hire any billiard table, pool table, bagatelle table, pigeon-hole table, or card table in the city of Lansing except within the fire or fire-proof limits as now prescribed or as may be hereafter prescribed by ordinance, and no license shall be granted to keep or operate any such table, or card table except within the limits aforesaid.

Section 5. Every person or persons or officers of a corporation who shall make application for and engage in the business of keeping or maintaining any billiard table, pool table, bagatelle table, pigeon-hole table or card table required to be licensed under the terms of this ordinance shall be citizens of the United States.

Section 6. All rooms or places wherein any billiard tables, pool tables, bagatelle tables, pigeon-hole tables, or card tables are kept for hire and all rooms used in connection therewith or opening into the same shall be closed on the first day

of the week, commonly called Sunday, and on other days of the week from and after the hour of 12 o'clock p. m. until 7 o'clock a. m. of the succeeding day, excepting that in all cases where a cigar store, news stand or other business is conducted may remain open; provided, that all such pool tables, billiard tables, bagatelle tables, pigeon-hole tables and card tables shall be covered in such manner as to prevent play thereon during the hours and days such play is prohibited under the terms of this ordinance. Provided further, that no card game, dice game or other game of chance shall be played or permitted to be played in such playing rooms or places or in rooms or places used in connection therewith during the hours that billiard, pool and other games are prohibited under the terms of this ordinance.

# PROCEEDINGS

## OF THE

# CITY COUNCIL

### OFFICIAL

Proceedings, December 11, 1922

City Council Rooms.

Lansing, December 11, 1922.

The city council met in regular session and was called to order by Acting Mayor S. S. Main.

#### ROLL CALL

Present — Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Watley.  
—15.

Absent—Ald. Trager.—1.

The record of the previous session was approved as printed.

#### PETITIONS AND COMMUNICATIONS.

A communication was received from the Advertising club of Lansing relative to adverse publicity regarding city affairs and asking co-operation with the acting mayor. Received and placed on file.

A petition was received requesting that all property fronting on Washington ave., located in blocks 171, 172 and 177, be restricted to residences only in the proposed zoning ordinances.

Referred to committee on ordinances.

A communication was received from the H. G. Christman Co., contractors for the Capital National bank remodeling, asking to use a small portion of the sidewalk on Allegan st., next to the alley, and asking that a sufficient space be reserved along the curb for teams and trucks to receive and discharge materials.

On motion of Ald. McKale, the request was granted, under the supervision of superintendent of public works and chief of police.

The H. G. Christman Co. asked permission to erect a scaffolding in front of the Bauch building, W. Allegan st., extending over sidewalk about five feet while making repairs to the building, for about 15 days.

On motion of Ald. Howe, the request was granted.

A petition was received asking that the undeveloped portion of Bradley ave. between Barnes ave. and Moores park be turned over to the park board in order that this connecting link between the boulevard and Moores park may be beautified and developed according to the original plans of J. H. Moores.

By Ald. Clapham—

That the undeveloped portion of Bradley ave. between Barnes ave. and Moores River drive be turned over to the park board to be beautified and maintained as a boulevard. Carried.

To the Honorable Mayor and City Council:

Gentlemen—The board of cemetery and public park commissioners is awaiting instructions from the city council in regard to moving trees on Pennsylvania ave., south of Main st. We wish to call attention to the fact that the trees which are to be moved should have work done on them in the very near future and that these trees will set in the present walk line when moved. We estimate that there are 70 trees to be moved.

Respectfully,

H. LEE BANCROFT,  
City Forester.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—We respectfully request that a committee of the city council be appointed to confer with

the committee from the light and water commission relative to new street light system now under consideration by the board; said committee to consist of a member of the ways and means committee, street lighting committee and street committee.

Respectfully submitted,  
OTTO ZIEGLER,  
President.

By Ald. DeCamp—

That the mayor appoint such committee.

Carried.

Mayor appointed Ald. Templeton, Klock and McComb.

To the Honorable City Council:

Gentlemen—This company is in receipt of a letter from Mr. Vernon J. Brown, clerk of Ingham county, calling our attention to the fact that the name assigned our Parkview subdivision might conflict with the title of the Parkview Land Co. in the same district.

We were not aware of this when we selected the name for our subdivision and would respectfully request that your honorable body accept and consider this as our petition to change the name of our subdivision, substituting "Stanley Heights" for Parkview.

If you can consistently take action in this matter at your next meeting we will very much appreciate it.

Your truly,  
MOORES-WEED CO.,  
Per H. M. Weed, Secy.

By Ald. McKale—

That the request be granted and name changed as proposed.

Carried.

By Ald. Fowler—

Whereas, the attention of the council has been called to the fact that the city shop might be operated more economically and better service rendered to the various departments if certain changes were made in the management; and

Whereas, it has come to the knowledge of certain aldermen that a man from the engineering department has been placed in charge of the city shop of the equipment belonging to that department and a man from the department of public works has been performing a like service for that department; therefore be it

Resolved by the city council of the city of Lansing, that the mayor appoint a committee of three to investigate the matter and report to the council as to whether it would be advisable to make the city shop into a general service department for all departments and to make a storage place for such equipment as is usually stored by the various departments, and to place a competent party in charge of same.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb,

McKale, Phillips, Templeton, Watley.—15.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 736 feet of sewer in Saginaw st. from the Grand river to Cedar st. in the 25th, 32d and 35th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 14th day of August, 1922, together with necessary manholes,

catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specially described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 14th day of August, 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$8,700.00, of which one-sixth, or \$1,450.00, shall be paid from the general sewer fund and the remainder, or \$7,250.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Watley.—15.

Nays—None.

In the matter of claims, the bill of the board of water and electric light commissioners for \$486.06 heat for city hall.

On motion of Ald. Templeton, was referred to committee on claims and accounts to confer with the board and report.

Nays—Ald. McKale, Watley.—2.

The special committee, to whom was referred the matter of considering the advisability of creating a city service department, begs leave to report as follows:

We make the following recommendations:

First—That the mayor be authorized to appoint a committee of three, who shall be known as the city service department committee.

Second—That said committee shall be vested with authority to act on certain matters enumerated below, all subject to final approval of the mayor and council:

1. Select a party as head of the department, who shall be known as superintendent of service department.

2. State salary to be paid superintendent.

3. State what changes will be necessary to place the department on an efficient basis.

Third—That said committee shall be vested with authority to act on matters listed below, without approval of mayor and council:

4. Approve orders for supplies and

equipment as may be necessary to meet the needs of the city.

2. Prescribe such rules and regulations governing the department as will increase efficiency.

3. Prescribe a system of accounting for the department that will be in harmony with the records in office of city comptroller, which will show at all times a true condition of the stock and equipment on hand, value and condition of same.

Fourth—That when the department is organized, the city comptroller be directed to furnish a report in detail, showing balances in various accounts under public works budget 1C, and have same transferred to the credit of city service department, together with such additional sum from contingent fund as may be necessary to operate the department for the remainder of the fiscal year.

Fifth—That a garage be built, large enough to store 12 or 14 cars, and that the engineer be directed to furnish a plan of same, with an estimate of the cost, and submit same at the next meeting of the council.

H. S. FOWLER,

A. E. DYMOND,

## CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 7,200 feet of sewer in the 48th sewer district, in the 48th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons, so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 11th day of December, 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 11th day of December, 1922, excepting from said described district all pub-

the streets and alleys.

That the estimated expense of such improvement is \$141,000.00, of which one-sixth, or \$23,500.00, shall be paid from the general sewer fund and the remainder, or \$117,500.00, shall be defrayed by special assessment, upon all the taxable lands and premises within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Curb and gutter in Farrand st. from Franklin ave. to Sheridan st.

Respectfully submitted,

ERNEST G. DELL,

City assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to an order from your honorable body, I submit herewith special assessment roll, estimated cost, for the sewer in Forest ave. from Huron road to north 300 feet.

Respectfully submitted,

HAROLD H. CAMPBELL,

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—At the last session of the council there was referred to me the resolution providing for the payment by the city of the 1922 tax assessed against property owned by the Mt. Hope Ave. M. E. church. This lot was purchased by the church as a site for a parsonage. The construction of the parsonage

about to be begun. The statutes provide that the following real estate shall be exempted from taxation: "All houses of public worship with the land on which they stand, the furniture therein and all rights in the pews, and also any parsonage owned by any religious society in this state and occupied as such."

Courts in construing exemption statutes, give them a very strict construction. It is my opinion that a vacant lot bought as a site for a church or parsonage is not a church or parsonage, and is therefore not exempted. The construction of the parsonage having been begun, it should be exempted next year. As authority for this opinion see Cyc. vol. 37, page 942, and authorities there cited.

Respectfully submitted,

JOHN MCCLELLAN,  
City Attorney.

Received and placed on file.

The following committee report was taken from the table:

The special committee, to whom was referred the matter of considering the advisability of creating a city service department, begs leave to report as follows:

We make the following recommendations:

First—That the mayor be authorized to appoint a committee of three, who shall be known as the city service department committee.

Second—That said committee shall be vested with authority to act on certain matters enumerated below, all subject to final approval of the mayor and council:

1. Select a party as head of the department, who shall be known as superintendent of service department.

2. State salary to be paid superintendent.

3. State what changes will be necessary to place the department on an efficient basis.

Third—That said committee shall be vested with authority to act on matters listed below, without approval of mayor and council:

1. Approve orders for supplies and equipment as may be necessary to meet the needs of the city.

2. Prescribe such rules and regulations governing the department as will increase efficiency.

3. Prescribe a system of accounting for the department that will be in harmony with the records in office of city comptroller, which will show at all times a true condition of the stock and equipment on hand, value and condition of same.

Fourth—That when the department is organized, the city comp-

troller be directed to furnish a report in detail, showing balances in various accounts under public works budget 1C, and have same transferred to the credit of city service department, together with such additional sum from contingent funds as may be necessary to operate the department for the remainder of the fiscal year.

Fifth—That a garage be built, large enough to store 12 or 14 cars, and that the engineer be directed to furnish a plan of the same with an estimate of the cost, and submit same at the next meeting of the council.

H. S. FOWLER,  
A. E. DYMOND,  
ELMER CLAPHAM,  
Special Committee.

By Ald. Fowler—

That the report of the committee be adopted.

Ald. Howe moved as a substitute that report be received and placed on file.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Heeb, Howe, Klock, Main, McKale, Templeton.—10.

Nays—Ald. Dymond, Fowler, McComb, Phillips, Trager, Watley.—6.

#### MOTIONS, RESOLUTIONS AND NOTICES.

By Ald. McComb—

Resolved by the city council of the city of Lansing:

That the mayor, city council and city officials highly appreciate the service rendered on Christmas day to the children of our city by the Michigan United Railways company, the management of the Strand and Gladner theaters, in providing transportation and entertainment for them. We particularly commend the employees of the above companies in their earnest efforts to see that every child was properly taken care of.

## SEWERS AND DRAINS RESOLUTION NO. III

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 413 feet of sewer in Vine st. from Ferguson st. to Custer st. in the 27th and 44th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 14th day of August, A. D. 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 14th day of August, A. D. 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$850.00, of which one-sixth, or \$141.67, shall be paid from the general sewer fund and the remainder, or \$708.33, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively, from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Trager.—16.

Nays—None.

Honorable Members of the City Council:

I hereby appoint George F. Parish

to the office of city constable, to fill the vacancy caused by the resignation of Constable Witt.

By Ald. Howe—

That the appointment be confirmed.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, McComb, McKale, Phillips, Templeton, Trager.—13.  
Nays—Ald. Klock, Watley.—2.

Gentlemen of the Council:

I beg to inform you that the records in the office of the assessors show that on rolls ordered made by this council up to date the books show unmade assessment rolls as follows:

First, Fifth and Seventh

Wards ..... \$82,770.82

Third and Sixth Wards .. 222,053.51

Second, Fourth and Eighth 355,400.00

Making a total of ..... \$660,224.32

Making the city's interest approximately \$3,600 per month loss on account of rolls ordered and not made some as far back as "1919."

I have attached to this communication a report of the assessment rolls not completed as reported to me on request by the assessors by wards and streets for your information; and I am calling your attention to this matter that you may be governed accordingly.

Very truly,  
S. S. MAIN,  
Acting Mayor.

By Ald. Avery—

That the mayor appoint a committee of three to investigate the matter to try and ascertain the trouble and failure of the unmade assessment rolls and report.

Carried.

Mayor appointed as such committee Ald. Avery, DeCamp and Watley.

Honorable S. S. Main, Mayor:

Dear Sir—Answering your inquiry as to whether it is legal for the city council to modify or set aside the provision of our city charter imposing a 4% penalty on all taxes, remaining uncollected January 31 of each year, I submit the following opinion:

Sec. 147 of our city charter provides that "If any taxes shall remain uncollected after the 31st day of January each year, the city treasurer shall thereafter collect 4% penalty thereon, and all such penalties so collected shall be credited to the contingent fund." If this provision of the charter is a valid one, the city council has no authority to change or modify it. If it is an illegal provision, the city

treasurer should refuse to collect the 4% without any action of the city council.

The Home rule act for the incorporation of cities, Sec. 3306 C. L. of 1915, subdivision E, says that the charter of every city incorporated under it shall provide "For the levy, collection and return of state, county and school taxes in conformity with the general laws of the state."

The question raised is whether the provision of our charter imposing the 4% penalty is in conformity with the general laws of the state.

Sec. 4041 C. L. 1915 provides that "all taxes shall be collected by the several township and city treasurers or collectors, before the first day of March, in each year."

Sec. 4039 C. L. 1915 provides in effect that the township treasurer or other collector, after receiving the tax roll, shall proceed to collect such taxes and that on all sums paid before the 10th of January, he shall add 1% for collection fees, and upon all taxes paid on or after the 10th day of January, he shall add 4%. This section also provides that in townships where the taxes levied amount to \$50,000 or more the people by vote, may place the treasurer upon a salary, in which event the fees go into the contingent fund of the township.

It is my opinion that the addition of 4% to taxes, if not paid by a certain date is in conformity with the laws of the state and therefore valid. It is true that the state law calls this 4% a collection fee, while our charter calls it a penalty, but the purpose and effect is the same; to quote a familiar expression "A rose by any other name would smell as sweet."

This provision of the charter, enacted by the voters of the city being valid, cannot be amended or repealed by resolution of the council.

Respectfully submitted,  
JOHN McCLELLAN,  
City Attorney.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—I wish to call your attention to the following matters pertaining to that portion of Washenaw st. between Grand ave. and Grand river.

On January 10, 1886, a disastrous fire destroyed the factory buildings of Clark & Co., manufacturers of carriages and cutters. Following this fire, O. M. Barnes and a large number of citizens of the city petitioned the common council to grant

the use of that portion of Washtenaw st. lying between Grand River and the river to the said Clark & Co. for the period of 99 years at the nominal rental of \$1 a year. Acting on this petition, the common council of the city granted to Clark & Co. the use of said street for manufacturing purposes and no other.

Following the passage of this resolution, Clark & Co. built on the said portion of Washtenaw st. the buildings now there.

About 1910 said Clark & Co. were reorganized and the named changed to Clark Power Wagon Co. In August, 1912, the directors of the Clark Power Wagon Co. petitioned the circuit court of the county of Ingham for a decree dissolving said corporation. In November, 1912, Charles F. Poxson was appointed receiver for said corporation and the Clark Power Wagon Co. was dissolved and the use of said street for manufacturing purposes ceased.

While this street was in the possession of the Clark Power Wagon Co. in 1910, they mortgaged this street together with their other property to A. A. Platt, as trustee. In February, 1914, A. A. Platt, as trustee, commenced a foreclosure suit of this mortgage. In March, 1914, the city of Lansing intervened in this suit and was permitted to become a party thereto. On the 25th of October, 1914, the court decreed that this property should be sold, and by the consent of all parties to the suit, the decree of the court recognized that the Clark Power Wagon Co. and the receiver thereof had not and never did have in the past, any title to said street which it could mortgage or convey, or to which title would pass to purchasers on a foreclosure of a mortgage, and the court further ordered and decreed that the premises so to be sold as provided therein should include any and all buildings erected on said street and any purchaser so purchasing the same should have the right to remove said buildings from said street for a period of three years. The purchaser of said buildings at said foreclosure sale did not remove said buildings within three years as provided in said decree, and have since leased and are now leasing said premises and receiving therefor large rentals.

I am calling your attention to these matters that you may take action, should you so desire.

Respectfully submitted,

JOHN McCLELLAN,

City Attorney.

Referred to committee on city affairs and city attorney.

To the Honorable Mayor and City Council:

City clerk's office, January 2, 1923.

# PROCEEDINGS OF THE CITY COUNCIL OFFICIAL

Proceedings, January 8, 1923

City Council Rooms.  
Lansing, January 8, 1923.

The city council met in regular session and was called to order by Acting Mayor S. S. Main.

## ROLL CALL.

Present — Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Traget, Watley.—16.

Absent—None.

But  
The record of the previous session was approved as printed.

## PETITIONS AND COMMUNICATIONS.

The resignation of C. Frank Stabler as a member of the board of health was received.

On motion of Ald. Howe, the resignation was accepted.

A petition was received for paving Washington ave. from Mt. Hope ave. to Kensington road, the cost to be assessed in five equal annual payments.

Referred to the committee on streets.

A communication was received from the Lansing Trades and Labor Council voicing their opposition to the use of one-man cars.

Referred to committee on street railway.

Honorable Mayor and City Council: I present you herewith deed of property for a 50-foot street running east eighteen (18) rods from Holmes st. and planned to connect with Fuller st., located in Breiten Park addition, to the city of Lansing.

Respectfully yours,  
GEO. O. FULLER.

Referred to committee on streets and city attorney.

To the City Council:

Gentlemen—We request your permission to employ assistance to the clerks in the office of the municipal court.

This request has been made necessary by the increase in the amount of business of the court for three or four months past. The criminal clerk is now behind 750 cases and the civil clerk is behind fully as much. Perhaps by employing an extra clerk two or three months the work can be brought to date unless it keeps on increasing. The business of the court has been nearly doubled the past four months.

Respectfully,

RICHARD RAUDABAUGH,  
Municipal Court.

Referred to committee on ways and means.

To the Mayor and City Council:

The board of cemetery and public park commissioners at their regular meeting on January 5 requested me to send a communication to the council urging your honorable body to include Mt. Hope ave. east in your paving program for 1923 if it is possible to work out the necessary detail as to petition and funding.

Very sincerely,

H. LEE BANCROFT,  
City Forester.

Referred to committee on streets and city engineer.

## REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending January 6, 1923, was received and placed on file.

Honorable Mayor and City Council:  
Gentlemen—The matter of taxes assessed against the city piggery was referred to me at the last session of the city council.

Sec. 4001 C. L. 1915, reads, "The following real property shall be exempt from taxation: \* \* \* lands owned by any county, township, city, village or school district and buildings thereon, used for public purposes."

I find no express exemption, in the statutes, personal property owned by municipalities, but the text books and court decisions hold that such personal property is exempted.

Dillon, Municipal Corporation, sec. 773, says: "The sound principle is that property owned by a state or by the United States or by a municipality for public uses is not subject to be taxed unless so provided by positive legislation." Our supreme court in the case of Big Rapids vs. Supervisors, 99 Mich. 353, says: "Aside from express exemptions, there are also exemptions implied by law. Implied exemptions exist where property is owned and held by the state, its political subdivisions and its municipalities for governmental purposes \* \* \* It would seem to follow that only such burdens of taxation can be imposed upon its property as are expressly provided by law."

The hogs on this farm were assessed at \$11,000. Hogs, of course, are personal property, and the law provides that all personal property shall be assessed to the owner in the township in which he is an inhabitant, and in case of corporations at the place of its principal office (see C. L. 1915, Secs. 4005-4007). Under the law the city's hogs were not assessable in Delta township, even though not exempted from taxation.

You will notice that the law quoted was to the effect that municipal properties were exempted, when used for public purposes. The collection and disposal of garbage is a public purpose, and though some farming is done at the city piggery, it is but incidental to and in aid of, the real purpose of the farm, the disposal of garbage.

The assessment of this property is therefore illegal and void.

Respectfully submitted,

JOHN McCLELLAN,

City Attorney.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I herewith present you with the actual cost of paving and repaving Michigan ave. from

the old east city limits to the new city limits:

Actual cost .....\$57,840.32

Lansing City

Railway Co. ..\$24,225.31

Two-thirds of  
balance to be  
paid from  
general paving  
fund ..... 22,410.01 46,635.32

To be assessed ..... \$11,205.00

Respectfully submitted,

W. BINTZ,

City Engineer.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—I herewith report that the cost of artificial stone intersections, approaches, crosswalks, etc., constructed during the past season, was \$4,055.49. A portion of this was charged to the various ward funds when the work was done, the remainder distributed according to the itemized November report given to the comptroller.

All expense of building and repairing brick crosswalks was charged to the ward funds when work was done, excepting lumber and cement, which is distributed on the December report.

Respectfully submitted,

A. WINEGAR,

Supt. Public Work

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to an order of your honorable body, I herewith submit the following assessment rolls, estimated cost:

Sewer in Vine st. from Ferguson to Custer.

Grading and graveling Walsh st. from Holmes to Parker.

Grading and graveling Mahlon st. from Sheridan to Saginaw st.

Respectfully submitted,

ERNEST G. DELL,

City Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to an order from your honorable body, I submit the following special rolls, estimated cost, for your approval:

Constructing 350 feet of sewer in Maplewood ave. from sewer in Riley st. to south 350 feet.

Constructing 200 feet of sewer at the head of Moores ave. from Moores River drive to river proper.

Constructing 630 feet of sewer in Kalamazoo st. from Butler blvd. to Logan st.

Constructing 900 feet of sewer in

Hillsdale st. from Butler blvd. to Pine st.

Constructing 1,769 feet of sewer in Main and Buffalo sts. from Grand river to west city limits.

Constructing 1,040 feet of sewer in Isaac st. from Middle st. to Birch st. and in Birch st. from Isaac st. to William st.

Also actual cost for opening and extending Forest ave. from south line of lot 1, Heller's subdivision, to north line of lot 31, Cedar Acre subdivision.

Respectfully submitted,  
HAROLD H. CAMPBELL,  
City Assessor.

Received and placed on file.

By Ald. Watley—

Whereas, the special commission appointed to consider tax matters has made its report recommending that a gasoline tax be imposed; and

Whereas, a bill is to be introduced in the state legislature providing for such tax; and

Whereas, such a tax would be unjust and inequitable should it not provide for cities receiving back for the maintenance of their streets and pavements, a part of such tax proportionate to the amount of gasoline consumed in cities; therefore be it

Resolved, that it is the sense of this council, that should any gasoline tax be passed, it should provide for a just proportion of the tax being returned to cities for the upkeep of their streets and pavements.

Resolved further, that our local representatives in the legislature be asked to oppose any such tax which does not provide for cities receiving a just portion of the proceeds of such tax.

By Ald. Avery—

That the resolution lie on the table one week.

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construc-

tion of 866 feet of sewer in Ottawa st. from Grand ave. to Capitol ave. in the 1st sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 20th day of November, 1922, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 20th day of November, 1922, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$6,000.00, of which one-sixth, or \$1,000.00, shall be paid from the general sewer fund and the remainder, or \$5,000.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—16.

# PROCEEDINGS OF THE CITY COUNCIL OFFICIAL

Proceedings, January 15, 1923

## (OFFICIAL PROCEEDINGS)

City Council Rooms.  
Lansing, January 15, 1923.

The city council met in regular session and was called to order by Acting Mayor S. S. Main.

## ROLL CALL.

Present — Ald. Avery, Chapman, Clapham, DeCamp, Dymond, Fowler, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—15.

Absent—Ald. Heeb.—1.

The record of the previous session was approved as printed.

## PETITIONS AND COMMUNICATIONS.

A petition was received for paying Max ave. from William st. to Isaac st. and assess the cost in five equal annual payments.

Referred to the committee on streets.

J. M. Preston on behalf of the Michigan Threshermen's association asked permission to use a portion of the city market on March 14, 15 and 16, 1923, for the machinery show.

On motion of Ald. Klock, the request was granted.

Honorable Mayor and City Council:

Gentlemen—We have in our front office an old safe, formerly used by the city treasurer. We are not using the safe and it is taking up valuable space that we can no longer afford to spare.

Will you please have it moved from our offices or else grant us authority to dispose of it in the best

manner that we may.

Yours very truly,  
BOARD OF WATER & EL. LT.  
COMMISSIONER,  
OSCAR E. BULKELEY,  
Superintendent.

By Ald. McKale—

That matter be referred to committee on public buildings.

Carried.

Honorable Mayor and City Council:

Gentlemen—Owing to the congested conditions of our streets in the business portion of the city and the continuous agitation for parking space, I beg leave to suggest the following changes for your consideration; namely, the widening of Grand ave. from Shiawassee to Kalamazoo; Kalamazoo st. from Capitol to Townsend; Washtenaw st. from Capitol to Walnut; Allegan st. from Capitol to Chestnut; Ottawa st. from Capitol to Walnut; Ionia st. from Capitol to Seymour; Capitol ave. from Shiawassee to Lenawee, and S. Washington ave. from Lenawee to Main st.

While I realize this is a large program I respectfully ask your consideration and if not done all at once some kind of definite program might be arranged.

I would further recommend that on all streets now paved, where they cross an intersecting street that is also paved, that the arch of the circle be made larger. This will enable the traffic to turn the corner more easily.

Hoping you will give this your earliest consideration, as it seems to me this would relieve conditions materially, I remain

Respectfully yours,  
ALFRED SEYMOUR,  
Chief of Police.

Referred to committee on streets.

1C12 Gasoline and lubricants .....	1,325.14

Total .....\$2,956.85

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—You have ordered certain changes to be made in the buildings at the city shop and have directed that all cars shall be left in the garage at the city shops when not in service.

It would seem advisable at this time to place insurance on the buildings and cars, and I respectfully submit the following recommendations:

1st. That two more fire extinguishers be installed at a cost of \$20. This will give us certain protection and reduce the insurance rate.

2d. That a watchman's clock be installed at a cost of \$30, which will further reduce rate.

3d. That \$3,000 insurance be placed on the buildings at the city shop at once at an annual rate of 27½¢ per \$100, or a total premium for the year on \$3,000 of \$82.50.

4th. That the special committee appointed to serve as the city service department committee be requested to take an inventory of the cars, trucks and other equipment that will be stored in these buildings, appraise the value of same, and report back to the council on January 22, 1923, with recommendation as to what amount of insurance the city should carry on same.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to order of your honorable body, I herewith

submit the following assessment rolls, estimated cost:

Curb and gutter—Leslie st. from Michigan ave. to Kalamazoo st.

Grading and graveling—Leslie st. from P. M. R. R. to G. T. R. R.

Respectfully submitted,

ERNEST G. DELL,

City Assessor.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—November 13, I was instructed to purchase street signs and I herewith report that I have written to eight different firms for prices on metal street signs. The quotations received are attached to this report, and I respectfully ask that these be referred to a committee to report on same. The samples received are in my office ready for inspection.

Respectfully,

A. WINEGAR,

Supt. Public Works.

Referred to committee on streets.

To the Honorable Mayor and City Council:

Gentlemen—Pursuant to an order from your honorable body I submit herewith the following special assessment rolls, estimated cost:

Constructing 736 feet of sewer in Forest ave. from Lincoln ave. to Perry ave. and in Perry ave. from Forest ave. to Teel ave.

Respectfully submitted,

HAROLD H. CAMPBELL,

City Assessor.

Received and placed on file.

#### REPORTS OF COMMITTEES.

The committee on streets, to whom was referred the request of E. J. Perry to lease a piece ground owned by the city on the bank of the Cedar river near the intersection of South st. and Platt st. for \$5 a month, with the understanding that he will vacate at any time on 60 days' notice, begs leave to report as follows:

We recommend that the land be leased to Mr. Perry for \$100 per year and other terms specified by him.

W. H. McKALE,

A. H. PHILLIPS,

E. D. KLOCK,

By Ald. Watley—

Whereas, the special commission appointed to consider tax matters has made its report recommending that a gasoline tax be imposed, and

Whereas, a bill is to be introduced in the state legislature providing for such tax, and

Whereas, such a tax would be unjust and inequitable should it not provide for cities receiving back for the maintenance of their streets and pavements, a part of such tax proportionate to the amount of gasoline consumed in cities; therefore be it

Resolved, that it is the sense of this council, that should any gasoline tax be passed, it should provide for a just proportion of the tax being returned to cities for the upkeep of their streets and pavements.

Resolved, further, that our local representatives in the legislature be asked to oppose any such tax which does not provide for cities receiving

a just portion of the proceeds of such tax.

By Ald. Watley—

That the resolution be laid on the table one week. Carried.

By Ald. Fowler—

To the Honorable Mayor and Gentlemen of the Council of the City of Lansing:

Gentlemen—The Grand Trunk Western Lines Railroad company would like the privilege of laying a sidetrack on the property covered by the deed from the late J. H. Moores and accepted by your honorable body Monday, January 30, 1922, described as extending from Main st. to Hazel st., extending from the south end of Hosmer st. and 66 feet wide, excepting the right-of-way of the Lansing Connecting Railroad.

The land desired is 14 feet wide and 780 feet long on the east side of and parallel to the present Main line of the Lansing Connecting Railroad and between Main st. and Hazel st., or, in other words, the eastern boundary line of this strip of land would be approximately 22 feet from center line of the main line of said Lansing Connecting Railroad.

This sidetrack to be used as an interchange track between the Grand Trunk Western Lines Railroad and the Pere Marquette Railroad, and to reduce the switching over the congested street crossing by both the Michigan Central Railroad and Pere Marquette Railroad.

All of which we respectfully petition your honorable body.

GRAND TRUNK WESTERN LINES  
RAILROAD.

D.

Superintendent.

Blue print attached.

Referred to committee on streets, city attorney and city engineer.

REPORTS OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending January 20, 1923, was received and placed on file.

Honorable Mayor and City Council:  
Gentlemen—We herewith present  
you with deed of property for a  
street 50 feet wide, extending west  
392 feet from Glenrose st.

CHAS. J. TOLLAND,

A. C. KRENTEL,

C. M. KRENTEL.

By Ald. Howe—

That the above mentioned deed  
be accepted and the city clerk be in-  
structed to record the same.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, De-  
Camp, Fowler, Howe, Klock, Main,  
McComb, McKale, Phillips, Temple-  
ton, Trager, Watley.—13.

Nays—None.

To the Honorable Mayor and City  
Council:

Gentlemen—I herewith report that  
on January 18, I sold in Detroit to  
Bishop, Holmes, Hammond & Jack-  
son 67 hogs, weighing 19,600 pounds,  
at \$8.40 per hundred and received a  
check for \$1,578.43, which I credited  
to garbage disposal.

GEO. A. CANFIELD,

Supt. of Garbage.

Received and placed on file.

To the City Clerk:

Dear Sir—As provided in section  
71 of the city charter, I herewith file  
with you this veto, suspending the  
operation of the resolution of the  
city council passed January 15, 1923,  
providing for an extension of time  
in which taxes may be paid without  
penalty.

Section 147 of the city charter  
provides that, "If any taxes shall  
remain uncollected on the 31st day  
of January each year, the city treas-  
urer shall thereafter collect 4 per  
cent penalty thereon, and all such  
penalties so collected shall be cred-  
ited to the contingent fund." The  
city attorney in an opinion rendered  
to the council on January 2d last,  
gave as his opinion that this pro-  
vision of the city charter was legal.  
It is very plain to me that the city  
council has no authority to annul  
or override any legal provision of  
the city charter, a charter which  
was passed by the voters of the  
city. All members of the city coun-  
cil, together with the city treasurer,  
took a very solemn oath to support  
and maintain our laws, and now we  
have the spectacle of the council

advising the treasurer to disobey  
the law which he has sworn to obey.  
If there is anyone thing we need in  
this country, it is a revival of  
obedience to law. Officials, sworn  
to enforce and obey the law, should  
be examples, to the rest of the com-  
munity in obedience to law.

The passage of this resolution  
means a great embarrassment to  
our city treasurer in the perform-  
ance of his duties. He informs me  
that it is his intention to obey the  
law as is his duty. To disobey the  
law as the council advises, would  
make the treasurer liable at the  
suit of any taxpayer for the 4 per  
cent which he has failed to collect.

For the above reasons I hereby  
veto the said resolution.

S. S. MAIN,

Acting Mayor.

Lansing, Mich., January 16, 1923.

Received and placed on file.

To the Honorable Mayor and City  
Council:

Gentlemen—Pursuant to an order  
of your honorable body, I herewith  
submit the following rolls, estimated  
cost:

Paving Franklin ave. from Clark  
st. to Sheridan st.

Curb and gutter on Maryland st.

from Franklin ave. to Ormond st.

Respectfully submitted,

ERNEST G. DELL,

Assessor.

Received and placed on file.

To the Honorable Mayor and City  
Council:

Gentlemen—Pursuant to an order  
from your honorable body, I here-  
with present the special assessment  
roll, actual cost, for the widening  
Sparrow ave. from Beal ave. to the  
west line of section 21, for your ap-  
proval.

Respectfully submitted,

HAROLD H. CAMPBELL,

City Assessor.

Received and placed on file.

To the Honorable Mayor and City  
Council:

Gentlemen—I herewith submit to  
your honorable body the following  
special assessment rolls:

400 feet sewer in Francis st. from  
Marcus st. to Elizabeth st.

6,380 feet sewer in Inverness sub-  
division (McPherson's).

Paving Michigan from old to new  
city limits to actual cost—supple-  
mentary roll.

Respectfully,

JOHN S. BENNETT,

Assessor.

Received and placed on file.

## REPORTS OF COMMITTEES.

The committee on streets, to whom was referred the communication from Lansing lodge No. 33, F. & A. M., approving the proposition of paving Mt. Hope ave. from Cedar st. to the cemetery, and asking that action be taken toward accomplishing this improvement, begs leave to report as follows:

We recommend that the street be paved whenever a sufficient petition is received from the property owners, and we further recommend that the city at large pay for the intersections and 50 per cent of the remainder of the cost.

By Ald. Watley—

Whereas, the special commission appointed to consider tax matters has made its report recommending that a gasoline tax be imposed; and

Whereas, a bill is to be introduced in the state legislature providing for such tax; and

Whereas, such a tax would be unjust and inequitable should it not provide for cities receiving back for

the maintenance of their streets and pavements, a part of such tax proportionate to the amount of gasoline consumed in cities; therefore be it

Resolved, that it is the sense of this council, that should any gasoline tax be passed, it should provide for a just proportion of the tax being returned to cities for the upkeep of their streets and pavements.

Resolved further, that our local representatives in the legislature be asked to oppose any such tax which does not provide for cities receiving a just portion of the proceeds of such tax.

By Ald. Watley—

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 460 feet of sewer in Chestnut st. from Washtenaw st. to Kalamazoo st. in the 1st sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 15th day of January, 1923, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer

the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 15th day of January, 1923, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$840.00 of which one-sixth or \$140.00 shall be paid from the general sewer fund and the remainder, or \$700.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as

soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Clapham, DeCamp, Fowler, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

The report of the sealer of weights and measures and gas inspector for the week ending February 3, 1923, was received and placed on file.

The report of the city gas inspector for the month of January, 1923, was received and placed on file.

Honorable Mayor and City Council:

Gentlemen—I found in the files in my office and have filed with the city clerk the agreement of which the following is a true copy. The records of the council do not show that the agreement was ever presented to or acted upon by the city council. I suggest that the offer made, be now formally accepted.

JOHN MCCLELLAN,

City Attorney.

Whereas, James Henry Moores, late of the city of Lansing, died, leaving a last will and testament, and by the terms of said will certain properties and moneys were left to the city of Lansing, Mich. That by the terms of said will said properties and moneys must be used by the city of Lansing within a specified time, or the same revert to the residuary legatees named in said will, to-wit: Howard O. Moores and Herbert M. Weed; and

Whereas, the said Howard O. Moores and Herbert M. Weed are willing and desirous that the said city of Lansing have and receive all the moneys and properties named in said will in fee simple and without restriction, with the privilege that the said city of Lansing may

use and expend the same at such time and times as it sees fit, but for the purpose and purposes expressed in said will;

Therefore, this agreement, the said Howard O. Moores and Herbert M. Weed do hereby release and relinquish the said city of Lansing from expending any property or money it may receive by and through the will of the late J. Henry Moores, deceased, from the time named in said will, and that the said city of Lansing shall have and receive, forever to have and hold, all properties or moneys it receives from the said estate of J. Henry Moores, deceased, to be used for the purpose and purposes as stated in said will. And the said Howard O. Moores and Herbert M. Weed, residuary legatees named in the will of the said J. Henry Moores, deceased, for a valuable consideration to them in hand paid, do hereby assign, sell, transfer and set over to the said city of Lansing all the interest they have, may, or might have in and to any of the properties or moneys received by the city of Lansing from the estate of the said J. Henry Moores, should the said city of Lansing fail to expend any of the property or moneys so received within the time specified in said will.

And the said city of Lansing does hereby accept the same.

HOWARD MOORES,  
HERBERT M. WEED,  
CITY OF LANSING,

By D. G. WARNER,

City Attorney.

28. Ford Roadster .....	1917	2600075	75.00

Your committee recommends that this total of \$23,201.58 value in city owned automobiles should be insured against damage by fire for at least 70 per cent of the value, which would be \$16,141.31.

This insurance may be written at a flat rate of \$1.19 per \$100.00, providing all of the cars are included in the schedule. This would cover loss due to fire occurring from any cause, anywhere, at any time, whether the automobiles were in the shop or in service on the streets of the city.

The city carries no insurance against liability for damages which may be caused by city owned cars. This hazard is one that can be insured against, at a rate of \$18.70 per car, which would protect the city against suits for damages up to \$5,000 on any one person and \$10,000 on any one accident.

Respectfully submitted,

H. S. FOWLER,

O. C. HOWE,

Committee.

Received and placed on file.

Respectfully submitted,

A. WINEGAR,

Supt. of Public Works.

Received and placed on file.

To the Honorable Mayor and City Council:

Gentlemen—In accordance with your instruction I herewith submit plans, specifications, and estimate of cost for the partial construction of the Cedar st. sewer system Outlet Sewer.

The estimated cost of this improvement is as follows:  
 Total estimated cost ..... \$66,000.00  
 City's one-sixth ..... 11,000.00

Assessed portion ..... \$55,000.00

In order that there may be no misunderstanding at a future date, I wish to call your attention to the fact that at the present time we propose constructing this sewer to

a point on Herbert st., about 200 ft. north of Norman st., and connecting to the existing sewer in Herbert. This is to be regarded as a temporary arrangement only, and at such time as the existing sewer in Herbert st. becomes overloaded it will be necessary to continue the proposed sewer to the Cedar river.

Respectfully submitted,

W. BINTZ,

City Engineer.

Resolved by the city council of the city of Lansing:

That it is hereby determined to be a public necessity and a necessary public improvement and need in the city of Lansing, Mich., that a new bridge be built over the Grand river and New York Central tracks on the center line of E. Kalamazoo st., said center line to be approximately a straight line between the intersection of E. Kalamazoo and Cedar, and the intersection of E. Kalamazoo and Cherry st., and the council being advised by the bridge committee that the sum of \$250,000.00 is needed to build said bridge; this council therefore determines that the said sum of \$250,000.00 is needed to build said bridge.

Resolved further, the building of said bridge should be made under and by the direction of the city council of the city of Lansing by and through its proper officers, and that the question of borrowing the sum of \$250,000.00 upon the faith and credit of the city of Lansing and the issuance of the bonds of the city of Lansing for the purpose of defraying the necessary expenses thereof be submitted to a vote of the qualified electors of the city of Lansing, Mich., at the general spring election to be held in the city of Lansing on the second day of April, 1923.

Resolved further, that said bonds if authorized by a three-fifths vote of the qualified electors of said city voting thereon, as required under the laws of the state of Michigan and the charter of the city of Lan-

ing, shall be designated as "Kalamazoo St. Bridge Bonds" and shall be issued and sold by the city of Lansing in accordance with the city charter relative to the issuance and sale of bonds for public improvements, said bonds to be issued in such denominations, to be dated at such time or times as shall be prescribed by the city council, and to become due and payable, not exceeding thirty years, from the date of issue, at such time or times as the council, by resolution, shall prescribe, said bonds to bear interest at a rate not to exceed 5 per cent per annum, payable annually or semi-annually as the council by resolution shall prescribe both principal and interest to be payable at the office of the city treasurer of the city of Lansing, or at such other place or places as the council, by resolution, may prescribe.

Resolved further, that the city clerk be and he hereby is directed to prepare printed ballots substantially in manner and form as follows:

#### OFFICIAL BALLOT.

Shall bonds of the city of Lansing in the sum of \$250,000.00 for the purpose of building a bridge over the Grand river and New York Central tracks on the center line of E. Kalamazoo st., said center line to be approximately a straight line between the intersection of E. Kalamazoo and Cedar sts. and the intersection of E. Kalamazoo and Cherry sts. be issued?

Yes ( ) No ( )

Resolved further, that each elector voting upon such question shall indicate his or her vote by placing a cross in the square opposite the word "Yes" or "No" as he or she shall desire to vote.

Resolved further, that the votes cast upon said proposed bond issue shall be counted, returned and canvassed in like manner as prescribed for the counting, returning and canvassing of ballots of a general municipal election as prescribed in the charter of the city of Lansing and the laws of the state of Michigan; that the polls be open at seven o'clock in the morning and remain open until eight o'clock in the evening of said day.

Resolved further, that the city clerk be and he hereby is directed to give notice of such election at which such proposed bond issue is to be submitted to the electors of the city of Lansing, as prescribed in the charter of the city of Lansing and the laws of the state of Michigan.

#### CHARTER AMENDMENTS.

By Ald. Avery—

Resolved by the city council of the city of Lansing:

That this council by three-fifths vote of the members elect purpose that sections 21, 114 as amended, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125 and 126 of the city charter of the city of Lansing, said sections being the sections of the charter relating to the municipal court, heretofore established in said city of Lansing, be amended so that the same shall read as follows:

Section 21. At the annual election to be held in the city of Lansing in the year nineteen hundred ..... and at each second annual election thereafter, there shall be elected on the city ticket, one clerk and one constable, and at the annual election to be held in the said city of Lansing in the year nineteen hundred ..... and each second annual election thereafter, there shall be elected on the city ticket, one clerk and one constable, and at the annual election to be held in the said city of Lansing in

the year nineteen hundred ..... and each second annual election thereafter, there shall be elected one mayor, one treasurer and one constable, all of whom shall hold their offices for two years. No person shall be eligible to the office of city treasurer for two consecutive terms. At each annual election there shall be elected one city assessor for the term of three years, who shall enter upon the duties of his office on the first day of September next following his election. At each annual election there shall also be elected in each ward one alderman who shall hold his office for two years. At the annual election to be held in the year nineteen hundred ..... and at each fourth annual election thereafter, there shall be elected one justice of the peace, who shall be designated as associate judge of the municipal court, and who shall hold his office for four years. At the annual election to be held in nineteen hundred ..... and at each fourth annual election thereafter, there shall be elected one justice of the peace, who shall be designated as presiding judge of the municipal court, and who shall hold his office for four years. Each of said officers so elected shall hold his office for the term for which he was elected and until his successor is elected and qualified. All officers elected as herein provided shall enter upon the duties of their respective offices on the first Monday in May next following such election unless otherwise herein provided.

Section 114. There shall be two justices of the peace in and for the city of Lansing who shall be electors of the city of Lansing and actual residents therein; one of said justices of the peace shall be designated as presiding judge of the municipal court, the other justice of the peace shall be designated as associate judge of the municipal court; the justices of the peace designated as presiding judge and associate judge of the municipal court shall both be attorneys at law duly admitted to practice their profession in the several courts of the state of Michigan. The justice of the peace now holding office in the city of Lansing shall continue to hold the same until the expiration of his term, and during the remainder of his term shall be the justice of the peace herein designated as presiding judge of the municipal court.

The justices of the peace provided for in this charter shall have and exercise within the county of Ingham the same jurisdiction, in criminal cases, suits and proceedings as

are, or may be, conferred upon, or required of justices of the peace by the charter of the city of Lansing, or by the general laws of the state of Michigan. They shall have original jurisdiction of all civil actions wherein the debt or damages do not exceed one hundred dollars, and concurrent jurisdiction in all civil actions, ex contractu and ex delicto, wherein the debt or damages do not exceed five hundred dollars, and not otherwise prohibited by law. They shall have jurisdiction to hear, try and determine all actions arising within the city for the recovery of the possession of lands, under the provisions of chapter two hundred eleven (211) of the Compiled Laws of eighteen hundred seventy-one (1871) and of the acts amendatory thereto, as is conferred upon justices of the peace of townships, to hear, try and determine cases arising within townships, under said chapter and acts amendatory thereto; provided, that in case of the absence, disability, or disqualification of said justices of the peace, any justice of the peace of any city, village or township in the county of Ingham and state of Michigan shall be qualified to act in the place of, and for either of said justices of the peace in the performance of any of the duties devolved upon them under this charter, and shall, when called upon by either of said justices of the peace, or by the circuit judge, so act; and while so acting shall be entitled to receive pro rata for the time he shall so serve, the same salary as the justice of the peace elected under this charter in whose place he is acting.

If, upon the return day or the adjourned day of any case, the justices of the peace issuing the writ or process therein shall be absent at the time to which the case has been adjourned or the writ or process therein made returnable, or be engaged in another case, then the other justice of the peace shall have the same jurisdiction to proceed therein as though the case had been originally commenced before him, and the record thereof shall be entered into the docket of the justice of the peace issuing the original writ or process.

Section 115. Each of the justices of the peace of the city of Lansing shall file his oath of office in the office of the county clerk of the said county of Ingham, and in addition to the security required by general law to be given by justices of the peace, he shall before entering upon the duties of his office, execute a bond to the city of Lansing, with one or more sufficient sureties, to be approved by the city council of the

said city of Lansing, in a penalty of one thousand dollars, conditioned for the faithful performance of the duties of his office, and to pay over the moneys collected, and to make his reports and verify the statements of his accounts as in this charter required.

Section 116. The city council of the said city of Lansing shall provide and maintain heat and light, and properly furnish suitable rooms for the said justices of the peace and shall furnish all dockets, legal blanks and equipment necessary to properly conduct their offices.

The said justices of the peace shall receive such salary as the city council shall fix, provided, that the justice of the peace herein designated as presiding judge of the municipal court shall receive a salary of not less than three thousand dollars per annum, payable monthly and that the justice of the peace herein designated associate judge of the municipal court shall receive a salary of not less than one hundred dollars per annum and an additional salary of not less than ten dollars per day for each day he is acting in the place of and during the absence, disqualification or disability of or when acting upon the written request of the justice of the peace herein designated as presiding judge of the municipal court. The associate justice shall not be barred from practicing before the said court.

Neither of the justices of the peace provided for in this charter shall receive any fees or prerequisites of any kind whatever for the performance of any duties connected with his office, except marriage fees, taking acknowledgements, administering oaths in matters not connected with any litigation in said justice courts and such other acts as said justices of the peace may perform under the laws of state of Michigan, but all of the state of Michigan, but all such fees as are herein provided to be by him taxed and collected in civil cases, and all such fees of the constables of the city of Lansing, for the service and execution in said city of Lansing of civil processes, issued out of said court, and all such fees as are by the general laws of this state properly taxable by a justice of the peace in criminal cases, shall be taxed and collected in like cases by the justice of the peace of the city of Lansing, and paid into the city treasury within fifteen days after they shall have been so collected, and said justices of the peace shall report on oath to the city council, at the first regular meeting thereof in each month, a statement of the fees so collected

by him in each case. In all cases where the complaint is made or the process issued at the instance of any city officer or private citizen, the said justices shall deliver all processes, civil or criminal, including commitments to the county jail and the Detroit house of correction, to the constables of the city of Lansing, who shall serve the same. Provided, however, that the said justices of the peace may, in civil cases, if requested by the plaintiff, his agent or attorney so to do, deliver the same to the sheriff, his deputy, or to any other constable of said county of Ingham for service, or, on cause shown, may appoint in writing, any competent person to serve the same, who shall make his return of service of said process on oath, and file the same with the said justice of the peace, and he shall be entitled to receive the same compensation as is allowed to constables for the service of summons in like cases. All orders issued by the Detroit house of correction upon the receipt of any prisoner from either of said constables, shall be made payable to the city of Lansing.

Section 117. All fines, penalties or forfeitures, recovered before said justices of the peace for violation of any city ordinance shall, when collected, be paid into the city treasury, and said justices of the peace shall report on oath to the city council at the first regular meeting thereof in each month, during the term for which he shall perform the duties of said justice of the peace, the number and name of every person against whom judgment shall have been rendered, for such fine, penalty or forfeiture, and all moneys by him received for or on account thereof, which money so received, or which may be in his hands, collected on such fine, penalty or forfeiture, shall be paid into said city treasury on or before the first Monday of each and every month during the term such justice of the peace shall exercise the duties of said office, and for any neglect in this particular he may be suspended or removed from office as herein provided.

Section 118. It shall be the duty of the justice of the peace herein designated as presiding judge of the municipal court, or in his absence, the justices of the peace herein designated as associate judge of the municipal court, at the first regular meeting of the city council in the months of August, November, February and May in each year, to account on oath to the city council for all such moneys, goods, wares and merchandise, seized as stolen

property, as shall then remain unclaimed in the offices of the said justices of the peace, and immediately thereafter to give notice for four weeks in one of the newspapers printed and circulated in said city of Lansing, to all persons interested or claiming such property; provided, always, that if any goods, wares, merchandise or chattels of a perishable nature, or which shall be expensive to keep, shall at any time remain unclaimed in the office of said justice of the peace, it shall be lawful for the justice of the peace herein designated as presiding judge of the municipal court, or in his absence the justice of the peace herein designated as associated judge of the municipal court, to sell at public auction, at such time, and after such notice as to him shall seem proper.

Section 119. It shall be the duty of the justices of the peace aforesaid, who may recover or obtain possession of any stolen property, on receiving satisfactory proof of property from the owner, to deliver such property to the owner thereof, on his paying all necessary and reasonable expenses, which may have been incurred in the recovering, preservation or sustenance of such property, and the expenses of advertising the same, unless the city attorney, or the prosecuting attorney of the county of Ingham, shall otherwise direct.

Section 120. It shall be the duty of the justice of the peace herein designated as presiding judge of the municipal court, or in his absence the justice of the peace herein designated as associate judge of the municipal court, as aforesaid, to cause all property unclaimed after the expiration of the notice specified in section one hundred eighteen of this chapter, money excepted, to be sold at public auction to the highest bidder, unless the prosecuting attorney of the county of Ingham, or the city attorney of the city of Lansing, shall direct that it shall remain unsold for a longer period, to be used as evidence in the administration of justice, and the proceeds thereof forthwith pay to the city treasurer, together with all money, if any, which shall remain in his hands after such notice, as aforesaid, first deducting the charges and expense of such sale.

Section 121. The said justices of the peace shall have full power and authority, and it is hereby made their duty, upon complaint to them in writing, on oath, to inquire into, and try and determine all the offenses, which shall be committed within the city, against any of the provisions of this charter, or against

the rules, regulations or ordinances, which shall be made by the city council, in pursuance of the powers granted by this charter and to punish the offenders as by said rules, regulations or ordinances shall be prescribed or directed; to award all processes, take recognizances for the appearance of the person charged, and upon appeal, and to commit to prison as occasion may require. Provided, that any person making said complaint (excepting city officers) may be required by the said justice of the peace to give security for costs in the same manner as is required in criminal cases under the general laws of the state of Michigan, which security shall have the same force and effect, and judgment shall be rendered against such complaint and surety, and execution issued thereon, when the said justice of the peace shall be satisfied there was not reasonable cause for making such complaint.

Section 122. Whenever any person shall be charged with having violated any rule, regulation, ordinance, or the provisions of this charter, by which the offender is liable to imprisonment, the justice of the peace to whom complaint shall be made in writing and on oath shall issue a warrant directed to the chief of police, or any constable, of the city of Lansing, or to the sheriff or any constable of the county of Ingham, commanding him forthwith to bring the body of such before him, to be dealt with according to law, and the chief of police or other officer, to whom said warrant shall be delivered for service, is hereby required to execute the same in any part of this state where such offender may be found under penalties which are by law incurred by sheriffs, and other officers, for neglecting or refusing to execute other criminal processes.

Section 123. In every civil action or proceeding, except garnishment proceedings, commenced in said justice courts, there shall be paid to the clerk of the said court, by the plaintiff, an entry fee of one dollar, and before the trial of any action or proceeding shall be commenced, such party shall pay a judgment fee of one dollar in cases where the defendant shall not appear and join issue, and two dollars in cases where issue is joined between the parties; but in cases of non-suit or dismissal before commencement of trial, no judgment fee shall be required; and if the judgment fee has been so paid, the same shall be returned to the plaintiff in all cases of non-suit or dismissal before trial. Proceedings in garnishment shall be treated as a part of the principal

cause, and no additional fee shall be required therefor, except when an issue of fact shall be joined in respect to the liability of any garnishee; in such case a judgment fee of two dollars shall be paid before such trial shall commence. The fee provided in this section shall be in full of all services and proceedings in said cause to and including the issue of an execution upon the judgment therein and shall be taxed in favor of the party paying the same if he be the prevailing party in the suit. The jury and officers' fees provided by general law shall be paid in addition to the foregoing fees. For all services and proceedings subsequent to the issuing of an execution, or for the purpose of staying proceedings, or for removing causes to an appellate court, there shall be paid to the clerk of the said justice court, the fees provided by law. In all criminal cases, where a fine may be imposed it shall and may be lawful to include in the sentence such an amount for costs as would be applicable under the general laws of this state, in justice courts, and all such costs, fees and moneys collected by said justices of the peace, or clerk of said court, for or on account of the business of the said courts, except as herein provided, shall be paid over to the city treasurer as herein provided. The fees of witnesses and jurors in criminal cases shall be paid in the same manner as is now provided by law for the payment of such fees by justices of the peace in townships, and all fines imposed by said justices of the peace for the violation of any of the criminal laws of this state, except such as are imposed as costs aforesaid, shall be, by the said justices of the peace, paid to the treasurer of the county of Ingham, as required by law.

Except as herein otherwise provided, the general laws of the state of Michigan with reference to justice courts and justices of the peace, shall be applicable to the said justice of the peace of the city of Lansing and the courts held by them.

Section 124. The justices of the peace shall keep, or cause to be kept, a just and true account of all fees which, by law, they would be entitled to receive for performing services in criminal cases, if such services were not compensated by a salary as provided herein, and at least fifteen days before the regular meeting of the board of supervisors in January and October in each year, they shall present to the city council a verified statement of such accounts, together with the

statement of the constables' accounts, certified by them as provided in section one hundred thirteen, for examination and approval; and the city council shall examine said accounts, and may suggest corrections or amendments thereto, and said accounts, when approved by the city council, shall be presented to the board of supervisors at its then next meeting, and same shall be audited and the amount justly due therein, allowed as other bills of the justices of the peace and constables are allowed for similar services. For the amount so allowed, a warrant shall be drawn by the county clerk, upon the county treasurer, in favor of the city of Lansing, and delivered to the city treasurer. In case of examination of offenders by said justices of the peace for offenses committed against the criminal laws of this state where such justices of the peace have jurisdiction to examine and to hold to bail only, it shall be lawful for said justices of the peace, on motion of the prosecuting attorney, to cause an order to be entered in the records of such court, before or during the pendency of said examination, appointing some suitable stenographer to take, in short-hand, the testimony of such examination, and such stenographer so appointed shall receive such compensation for the time so expended in taking such testimony, and such prices per folio for writing the same in long hand, as is provided by the general laws of this state, the same to be allowed and paid out of the treasury of the county of Ingham.

The justices of the peace mentioned herein shall have the power to make and adopt such rules of practice in said justice courts as to them may be deemed advisable for the purpose of facilitating the business of the court.

Section 125. The city council shall appoint a clerk of the municipal, or justice court, on the nomination of the justice of the peace herein designated as presiding judge of the municipal court, which clerk, except as herein prescribed, shall be under the direction and control, and subject to the orders of the justices of the peace of the city of Lansing. Before any clerk so appointed shall enter upon the performance of his duties he shall take and subscribe the constitutional oath of office, and furnish to the city of Lansing a bond in such sum as shall be fixed by the city council, conditioned on the faithful performance of his duties, and for paying over and accounting for all moneys received by him as such clerk, which bond, after its approval, shall be filed with

the city clerk. The clerk of the municipal, or justice, court shall receive such salary as shall be prescribed by the city council. The justice of the peace herein designated as presiding judge of the municipal court shall appoint such deputy clerks as shall be necessary to the proper performance of the duties of the office of the clerk of the municipal, or justice court. Said deputy clerks shall be under the direction of the clerk of the municipal, or justice court, and shall receive such salary as shall be prescribed by the city council.

The files, records and dockets appertaining to the offices of former justices of the peace of the city of Lansing, shall be kept in the office of the clerk of the municipal, or justice court herein provided for. Either of the present or future justices of the peace is empowered to issue an execution, according to law, upon judgments appearing upon said dockets, as if such judgments had been rendered by him.

Section 126. The clerk of the municipal, or justice, court, is hereby empowered to take complaints in criminal causes, and swear the complaining witnesses thereto. Said clerk shall also, by virtue of his office, be empowered to administer oaths to persons making affidavits for writs in civil causes and issue all civil processes and attest the same in the name of the justices of the peace. The said clerk and deputy clerks of the said court are also hereby empowered to sign summons and subpoenas, in accordance with act number thirty-five (35) of the Public Acts of the State of Michigan for 1911.

In cases of appeal or certiorari, the said clerk may make and certify a return thereto which shall have the same force and effect as if made and certified to by the justice of the peace.

All fees in civil causes and all fines imposed in criminal causes shall be collected by such clerk, and all such fees and fines received by him shall be entered in a book kept by him for that purpose, and by him shall be paid over to the city treasurer on the first and fifteenth day of each month. And on or before the first Monday in May of each year, or more often if deemed necessary, the city council shall cause an audit of the books of such clerk to be made for the purpose of ascertaining the correctness of the books kept, and the payment to the city treasurer of all moneys collected by him.

Be it further resolved, that the foregoing amendments to the city charter be submitted to the electors

of said city, qualified to vote thereon at the next general or special election.

Be it further resolved that said amendments when so submitted shall be printed upon one sheet or ballot, which ballot shall be prepared in substantially the following form:

#### OFFICIAL BALLOT.

To amend Sections, 21, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125 and 126 of the city charter relative to the municipal court. (Insert Sections in full).

YES : : :

NO : : :

Each elector voting on said amendments shall indicate his vote by placing a cross in the square after the word "Yes" or "No," according as he shall desire to vote. The votes upon said proposed amendments shall be counted, returned and canvassed as prescribed by the city charter for the general municipal elections.

Be it further resolved that upon final passage of this resolution that the city clerk give thirty days' notice of the submission of said proposed charter amendments, such notice to conform to the provisions of the city charter relative to general municipal elections, and further that he cause a true copy of this resolution to be posted upon each of the bulletin boards provided by Section 88 of the city charter, and that such posting be at least two weeks prior to the day upon which the said proposed charter amendment shall be voted upon as herein specified; provided that in case said amendment shall be submitted at the special election held in less than thirty days from the date of calling the same then in such event, notice of the submission of these amendments shall be given for such number of days and in such manner as shall be prescribed by the city charter for special elections.

By Ald. Phillips—

That same be referred to the committee on charter amendments.

# PROCEEDINGS OF THE CITY COUNCIL OFFICIAL

Proceedings, February 19, 1923

City Council Rooms.

Lansing, February 19, 1923.

The city council met in regular session and was called to order by Acting Mayor S. S. Main.

## ROLL CALL

Present — Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—15.

Absent—Ald. DeCamp.—1.

The record of the previous session was approved as printed.

## PETITIONS AND COMMUNICATIONS.

A communication was received from the Merchant Bureau of the Chamber of Commerce relative to surfacing or repaving Washington ave. and Michigan ave. and asking that the council determine the proper apportionment of the tax for such improvement.

Referred to the committee on streets.

Harley L. Woodward asked that the pool room license of George Katsarellos be transferred to him until May 1, inasmuch as he has purchased the business at 308 N. Washington ave.

Referred to committee on bonds and contracts.

A communication was received from the Lansing Retail Automobile Dealers' association containing a copy of a resolution passed by that body favoring Eastern Standard Time instead of Central Standard Time.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—Having received complaints at different times during the past six months regarding the conduct of pool room at 309 E. Michigan ave., operated by Fred S. Cook, and again yesterday, Sunday, February 18, at 1:10 p. m., receiving complaint of drunks there, Sergeant Arthur Burcham and Patrolman Glenn Nelson made an investigation. When they arrived they found about 15 men in the pool room and the front door locked. When admittance was demanded the officers found one man helpless drunk and another man very much under the influence of liquor.

I have had a talk with Mr. Cook this morning and his idea is that, what occurred there yesterday was none of his business and a perfectly proper way of conducting a pool room. Feeling this is not the idea the proprietor of a pool room should have, I recommend that his license be revoked under the provisions of section 60 of the charter of the city of Lansing.

Respectfully submitted,  
ALFRED SEYMOUR,  
Chief of Police.

By Ald. McKale—

That the request of the chief of police be granted.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

## APPEALS.

This is the time set for hearing appeals on the special assessment roll for curb and gutter in Town-

send st. from Main st. to Robert st.  
No appeals.

This is the time set for hearing appeals on the special assessment roll for sewer in Chestnut st. from Kalamazoo st. to Washtenaw st.  
No appeals.

This being the time for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of a sewer in Herbert st., Mt. Hope ave. and Cedar st.

No objections being filed the same was considered satisfactory to parties interested.

#### REPORT OF CITY OFFICERS.

The report of the sealer of weights and measures and gas inspector for the week ending February 17, 1923, was received and placed on file.

#### REPORT OF SUPERINTENDENT OF PUBLIC WORKS.

The superintendent of public works, to whom was referred the resolution refunding sprinkling tax on N. 28 feet of lot 133 and N. 28 feet of west 30 feet of lot 134, Torrence Farm addition, begs leave to report as follows:

The sprinkling tax on this description was correctly reported to the assessors, but was erroneously copied on the tax rolls.

Respectfully,

A. WINEGAR,

Supt. Public Works.

Received and placed on file.

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 3,400 feet of sewer in Herbert, Mt. Hope ave. and Cedar sts. from a point 200 ft. north of Norman st. to the south city limits in the 49th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 12th day of February, A. D. 1923, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 12th day of February, A. D. 1923, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$66,000, of which one-sixth or \$11,000.00 shall be paid from the general sewer fund and the remainder or \$55,000.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at

the next regular meeting, or as soon thereafter as may be.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

#### ORDINANCES.

The following ordinance, introduced by Ald. Avery was read a first and second time by its title, and referred to the committee on ordinances.

An ordinance to amend sections numbered 450, 452, 454, 763, and 765 of the ordinance entitled "An Ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupancy of buildings or their parts and structures of every nature in the city of Lansing, Michigan; providing for condemnation and stoppage of the use thereof, and wrecking of the same. Creating the offices of building commissioner, assistant building commissioner and city electrician, and providing for the office of the building department. Repealing all former ordinances conflicting therewith," adopted April 27th, 1921.

The city of Lansing ordains:

Section 1—That sections numbered 450, 452, 454, 763, and 765 of the ordinance entitled "An ordinance regulating all matters concerning or pertaining to the construction, alteration, repairs or additions to, remodeling, use or occupancy of buildings or their parts and structures of every nature in the city of Lansing, Michigan; providing for condemnation and stoppage of the use thereof, and wrecking of the same. Creating the offices of building commissioner, assistant building commissioner and city electrician, and providing for the office of the building department. Repealing all former ordinances conflicting therewith," adopted April 27th, 1921, be amended so that said section shall read as follows:

Section 450. No sidewalk is to be encumbered or obstructed with any temporary or permanent construction of any kind for the display of goods, advertising, or carrying on of business, whether open air or otherwise. From and after the passage of this ordinance the building commissioner may order the removal of any such construction whether new or already existing, and in the event of refusal or neglect of the owner, occupant, or person or persons, firm or corporation having the use or control of such construction to remove the same within a reason-

able time, to be specified in such order, the building commissioner may by consent of the board of health, order the police department to remove such construction, in addition to proceeding by law to enforce the penalties for violation of this code.

Section 452. By special written permission of the board of health, filed with the building department fixed awnings or marquee may be constructed over a sidewalk as a protection to an entrance of a building, provided such awnings are constructed of metal framework (when the framework contains glass, the glass shall be wired glass not less than 3-8 inch thick) when supported entirely from the structure of the building and without posts or other obstructions upon the sidewalks. Except for hotels, theaters and railway or street-car stations, such awnings or marquee shall not project over one-half the width of sidewalk nor over 8 feet 0 inches from the building line, nor shall they be less than 8 feet 6 inches above the sidewalk. The above excepted classes of buildings may have fixed awnings or marquees over their entrance to extend in no case further than to the curb line, but in no case shall such fixed awnings or marquee be supported wholly or in part from the sidewalk or curb. Rainwater from awning or marquee shall not be allowed to drain onto the sidewalk.

Section 454. It shall be unlawful to move any building to any lot fronting on any street in any location in the city in which more than one-half the buildings on both sides of the street for a distance of 300 ft. in each direction along such street are occupied exclusively for residence purposes without a frontage consent as described in Article XLVI for 150 ft. in each direction along such street from the proposed new location.

It shall be unlawful for any person, persons, firm, company or corporation to move or cause to be moved any building or buildings, house, barn or other structure of any kind, in, along, through or upon any street, alley or public ground in the city of Lansing, without a permit from the building commissioner, and no person moving such building shall permit the same to stand on any street, alley or public ground for a longer period than two days.

Application for permit must be accompanied when required by the frontage consent as described above, and in all cases by the following written information:

1. Extreme length, width and

- height when mounted, of the structure to be moved.
2. Present location.
  3. Proposed location.
  4. Route of proposed moving.
  5. Complete information, and plat if required, showing location of building at the proposed site with reference to lot lines and to surrounding buildings within 30 ft. of the proposed building.
  6. Date when such moving is to commence, and the probable time required for its completion.

Section 763. All officers and inspectors of the building department of the city of Lansing are hereby authorized to enter, during reasonable hours upon any premises upon which is located any flue, chimney or smoke-stack, or any other structure or appliance from which any smoke, soot, ashes or cinders shall be discharged, for the purpose of making an examination as to the cause of the discharge of such smoke, soot, ashes or cinders and for the purpose of ascertaining the kind or character of fuel used and the manner of using the same and any other fact or facts showing compliance with or violation of this ordinance. Such officers or inspectors shall make a detailed report to the building department of each such examination, which report shall show all facts ascertained by such examination.

Section 768. It shall be the duty of the commissioner of buildings to investigate or cause to be investigated, any violation of this ordinance and he shall institute proceedings in the name of the city of Lansing for the prosecution of said violations.

The following introduced by Ald. Trager was read a first and second time by its title and referred to the committee on ordinances.

An ordinance to amend sections numbered 4, 5, 6, and 19 of the ordinance entitled "An ordinance to regulate traffic and the use of carts, wagons, drays, coaches, omnibuses, bicycles, motorcycles, automobiles and every description of carriage, motors and vehicles propelled or driven by motive power or otherwise on any of the streets of the city of Lansing," adopted August 25, 1920.

The city of Lansing ordains:

Section 1—That sections numbered 4, 5, 6, and 19 of the ordinance entitled "An ordinance to regulate traffic and the use of carts, wagons, drays, coaches, omnibuses, bicycles, motorcycles, automobiles and every description of carriage, motors and

vehicles propelled or driven by motive power or otherwise on any of the streets of the city of Lansing," be amended so that said sections shall read as follows:

Section 4. Drivers or operators of vehicles, before turning, stopping or changing their course, shall make sure that such movement can be made with safety, and before so doing, shall give a plain signal to other vehicles upon the street by extending the hand. Any vehicle driving into another street to the right shall turn the corner as near to the right-hand corner as practicable. Vehicles driving into the street to the left shall pass to the right of and beyond the center of the street intersection before turning. Vehicles crossing from one side of the street to the other shall do so by turning to the left so as to head in the same direction as the traffic on that side of the street toward which the crossing is made. Vehicles moving slowly must keep as close to the right-hand curb as possible, allowing more swiftly passing vehicles passage to the left. No vehicle shall have the right of way through any procession or parade without the permission of a police officer, except vehicles carrying United States mail. No vehicle shall cross any street upon which there is any traffic officer without the permission of such officer, and if the traffic signal is against the driver he must bring his car to a full stop, at the near edge of the crosswalk or lot line until signaled to proceed by the traffic officer, except in case such vehicle is making a right-handed turn onto the intersecting street. No vehicle shall remain backed up to the curb unless for the purpose of loading or unloading, and in such case no longer than the usual loading or unloading requires. Any horse or horses attached to the vehicle backed up to the curb shall be turned at right angles to the vehicle, and in the direction in which the traffic on that side of the street is moving.

No vehicle shall be turned around in the center of the block within 30 minute or one hour parking limit districts, hereinafter described, but must make the turn at the street intersection.

Section 5. The driver or operator of every vehicle shall give some plain or audible signal of his approach to other vehicles or pedestrians upon the streets. No driver or operator shall drive past a street car which is stopped to take on or let off passengers, except at such crossings where a traffic officer is stationed. No vehicle shall be driven with its muffler open. Heavily

laden and slow moving vehicles shall not be driven abreast upon the street, but one must follow the other and keep as near to the right hand curb as possible. No vehicle shall stand on any street except within two feet of the curb, whether parked or in the presence of the driver or operator.

Section 6. All vehicles shall, except as hereinafter provided, be parked parallel to and within two feet of the curb, provided that on streets which are not equipped with a curb that such vehicles shall park parallel to and within two feet of the gutter line. Provided further, that all vehicles shall be parked parallel on but one side of the following streets, viz.: on Ottawa street west between Capitol avenue and Walnut street on the north side of Ottawa street; on Allegan street west between Capitol avenue and Walnut street on the south side of Allegan street; on Washington avenue south from the Grand Trunk tracks to Baker street on the west side of Washington avenue; on Baker street from Washington avenue to Cedar street on the south side of Baker street; on Isaac street from Chestnut street to Logan street on the north side of Isaac street; on Logan street south from Isaac street to the Grand Trunk railway tracks on the west side of Logan street; on Capitol avenue south from Kalamazoo street to Lenawee street on the east side of Capitol avenue; on Townsend street from Kalamazoo street to Lenawee street on the west side of Townsend street. Provided further, that on Washington avenue, from Lenawee street to the center of the block between Shiawassee street and Genesee street; on Grand avenue from Ottawa st. to Washtenaw street; on Michigan avenue from Capitol avenue to the east side of the bridge over Grand river; on Ionia street from Capitol avenue to Grand avenue; on Ottawa street from Capitol avenue to Grand avenue; on Allegan street from Capitol avenue to Grand avenue; on Wash-tenaw street from Capitol avenue to Grand avenue and Kalamazoo street from Capitol avenue to Grand avenue, cars shall not be parked for a longer period than one hour. Provided further, that on both sides of the street in each block of above district a space not less than 50 feet in width shall be marked off by plain legible signs wherein the parking limit shall be 30 minutes. Provided further, that above mentioned parking limit restrictions shall only apply during the hours between 8 a. m. and 6 p. m. Provided further, that no vehicles shall

be parked in the north half of the block on Washington avenue between Shiawassee street and Genesee street. Provided further, that on Washington avenue from Lenawee street to the center of the block between Shiawassee street and Genesee street and on Michigan avenue from Capitol avenue to the M. C. R. R. tracks all vehicles shall be parked to an angle of 45 degrees. Provided further, that on Turner street from Franklin avenue to Clinton street and on Washington avenue north from a point 68 feet south of Franklin avenue, and north to Willow street, all vehicles shall be parked at an angle of 45 degrees. No vehicles shall be parked for a distance of thirty feet in front of the entrance of hotels and theaters, provided that the chief of police causes suitable "No Parking" signs to be placed in front of said theater and hotel entrances. No vehicle shall double park on any street. No vehicle shall stop on any crosswalk. No vehicle shall park within fifteen feet of any fire hydrant. Every vehicle, when left standing on any street, if not in the immediate presence or control of the driver or operator shall, if propelled by horse, the said horse shall be hitched, and if a motor vehicle shall have its engine or other propelling mechanism or motive power stopped and not running.

Section 19. All vehicles approaching a street on which street cars are operating, shall come to a full stop before entering upon such street. On other street crossings the vehicle approaching from the right shall have the right of way.

By Ald. Templeton—

That the bids be referred to committee on sewers.  
Carried.

To the Honorable Mayor and City Council, City of Lansing, Mich.

Gentlemen—In connection with our tender for the construction of a portion of proposed Cedar st. sewer, contemplated at this time, we desire to submit for your consideration the following alternate proposal.

The sewer as now proposed, calls for the construction of the following:

1,540 feet 72 in.) Including manholes as indicated on  
400 feet 54 in.) foregoing formal proposal blank,  
1,458 feet 45 in.) 13 in all.

We will construct this entire sewer of monolithic concrete, of the thickness and section as shown on attached sketches, furnishing all labor, materials, equipments, etc., as may be required for the completion of same, for the lump sum of ninety-two thousand five hundred dollars (\$92,500.00), the price for the manholes to be the same unit as set forth in original or formal proposal.

In studying the ground conditions under which the sewer is to be built, as evidenced by the borings taken along the line of work, it will be found that ordinary sand, quick sand, sticky sand and clay, water sand, gravel and sand, loam and sandy loam are encountered at different parts of the work, and under these conditions there is some question in our mind, if a solid monolithic construction would not be more desirable than the use of concrete pipe or segment block.

On the basis of the information shown by the borings furnished in connection with the plans, we are figuring this job on the basis of using sheeting for practically the entire length of the sewer. If it is necessary to use sheeting, as we anticipate, we believe it to be more practical to use monolithic concrete construction. We believe conditions on this job, as revealed by the borings, to be fully as bad as those encountered on Saginaw st. sewer, and the use of monolithic concrete will do away with the probability of the city being put to an additional expense of providing concrete saddle or other extras in order to make it possible to use concrete pipe or segment block.

This alternate proposal, with our reasons for submitting same, is hereby tendered for your careful consideration.

Yours very truly,

C. A. HANDEYSIDE CONSTRUCTION CO.

Received and placed on file.

To the honorable mayor and city council:

Gentlemen—I submit herewith the assessment roll to actual cost for the construction of a sewer in Ferris and East st.

ERNEST G. DELL,

City Assessor.

Received and placed on file.

Hon. Mayor and city council:

Gentlemen—There was filed with me, on Saturday, February 24, 1923, a petition sponsored by Edward Rich, Frank Redfern, Homer Coppock, and Burt Stratton, containing 1,754 signatures, praying that the question of having a general revision of the charter of the city of Lansing be submitted to the voters of the city for adoption or rejection; also praying that at the same election there be elected a charter commission to revise the charter, should the question of revision be adopted. The petitions are in proper form and verified by persons circulating the same, as required by act No. 279 of the Public Acts of 1909, as amended.

From an examination of said petition, I have determined and so certify to the council that it contains the signatures of qualified and registered electors, exceeding in number 15 per centum of the total vote cast for mayor at the last annual election.

J. A. PARSONS,

City Clerk.

Received and placed on file.

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 3,400 feet of sewer in Herbert, Mt. Hope ave. and Cedar sts., from a point 200 ft. north of Norman st. to the south city limits in the 49th sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and

It is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 12th day of February, A. D. 1923, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer, be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 12th day of February, A. D. 1923, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$66,000, of which one-sixth or \$11,000, shall be paid from the general sewer fund and the remainder or \$55,000.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—12.

Nays—None.

#### CHARTER AMENDMENTS.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

That this council by a three-fifths vote of the members elect, propose that section 274 of the charter of the city of Lansing, be amended so that the same shall read as follows:

Section 274. The entire cost and expenses of any main district sewer and one-sixth of the cost and expenses of any lateral branch or local sewer constructed within a special sewer district shall be paid from the general sewer fund and the remainder of such cost and expenses, shall be defrayed by special assessment

upon all the taxable lands and premises included within the main or special sewer district, as the case may be, in proportion to the estimated benefits accruing to each parcel respectively, from the construction of the sewer.

The entire cost and expenses of establishing and making intercepting sewers shall be paid for from the general sewer fund or a special bond issue fund for that purpose.

Where direct connections are made by any persons, company, or corporation to either main district sewers or intercepting sewers the council shall by ordinance from time to time establish a sum which must be paid into the city treasury before a permit is granted to connect with said sewer, except in streets where the intercepting sewer replaces a sanitary sewer, which money so paid in shall be placed to the credit of the sewer fund.

Resolved further, that the foregoing amendment to the city charter be submitted to the electors of said city at the next annual municipal elections.

Resolved further, that said amendment, when so submitted, shall be printed upon a separate ballot, which shall be in substantially the following form:

#### OFFICIAL BALLOT.

To amend section 274 of the charter of the city of Lansing relative to the cost of constructing sewers. (Insert section in full.)

Yes ( ) No ( )

Each elector voting on said amendment shall indicate his or her vote by placing a cross in the square after the word "Yes" or "No," according as he or she shall desire to vote. The votes upon said proposed amendment shall be counted, returned and canvassed as prescribed by the city charter for general municipal elections.

Resolved further, that the city clerk give notice of said proposed charter amendment as provided by law.

Adopted by the following vote:

Yeas — Ald. Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—12.

Nays—None.

#### CHARTER REVISION.

By Ald. Templeton—

Whereas, there has been filed with the city clerk petitions signed by duly qualified electors of the city of Lansing equal to 15% per centum of the total vote cast for mayor at the last mayoralty election held in the city of Lansing, praying that

the question of having a general revision of the charter of the city of Lansing be submitted to the electors of the city of Lansing for adoption or rejection, and also praying that at the same election there be elected a charter commission of nine members to revise the charter, should the question of revision be adopted; and

Whereas, the city clerk has certified to this council that said petitions complies in all respects with Act 279 of the Public Acts of 1909, as amended, governing the submission of the question of charter revision by initiatory petitions; now therefore be it

Resolved, that the city clerk give notice of the submission of said question of said charter revision as aforesaid; such notice to be given as near as may be in accordance with the provisions of the city charter governing municipal elections.

Resolved further, that the election commissioners of the city provide ballots to be used at said election in accordance with the charter and general laws of the state, and that said ballots be substantially as follows:

#### OFFICIAL BALLOT.

General Charter Revision. Shall there be a general revision of the charter of the city of Lansing?

Yes ( ) No ( )

Each elector voting on said question shall indicate his or her vote by placing a cross in the square after the word "Yes" or "No," according as he or she shall desire to vote.

Resolved further, that the vote upon the said question of revision be counted, returned and canvassed as prescribed by the city charter for general municipal elections and the laws of the state.

Resolved further, that the city clerk give notice of the submission of said question of revision as provided by the city charter and the laws of the state.

Adopted by the following vote:

Yeas — Ald. Avery, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

By Ald. Howe—

That the resolution of Ald. Templeton relative to a general revision of the city charter be reconsidered.

Adopted by the following vote:

Yeas — Ald. Avery, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

By Ald. Howe—

That the resolution of Ald. Templeton relative to the general revision of the city charter be read and placed before the council as corrected.

Carried.

By Ald. Templeton—

That the resolution be now passed.

Adopted by the following vote:

Yeas — Ald. Avery, Clapham, Fowler, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager.—11.

Nays—Ald. Heeb, Watley.—2.

#### CHARTER REVISION COMMISSION.

By Ald. Templeton—

Whereas, there has been filed with the city clerk petitions, signed by duly qualified electors of the city of Lansing equal to 15 per centum of the total vote cast for mayor at the last mayoralty election, praying that the question of having a general revision of the charter of the city of Lansing be submitted to the electors of the city of Lansing for adoption or rejection, and also praying that at the same election there be elected a charter commission of nine members to revise the charter, should the question be adopted; and

Whereas, the city clerk has certified to this council that said petition complies in all respects with Act No. 279 of the Public Acts of 1909, as amended, governing the submission of the question of charter revision by initiatory petitions; therefore be it

Resolved, that the election commission furnish ballots for said election, and that the form of the ballot be substantially the same as the ballot for the election of other city officials.

Resolved further, that all matters pertaining to the nomination and election of said commission be conducted in accordance with the laws of the state and the charter of the city.

Resolved further, that the vote on the election of said charter commissions be counted, returned and canvassed as provided by law.

Resolved further, that the city clerk give notice of the election of said charter election commission as provided by law.

Adopted by the following vote:

Yeas — Ald. Avery, Clapham, Fowler, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager.—11.

Nays—Ald. Heeb, Watley.—2.

By Ald. Templeton—

Whereas, by initiatory petition

there has been submitted to the electors of the city the question of revising the charter of the city, and also the election of a charter revision commission; and

Whereas, Sec. 3322 C. L. of 1915 provides that, "The legislative body of the municipality unless it is otherwise provided, shall fix in advance of the election of a charter commission the place of its meeting, the compensation of its members, the money for the expense thereof, and if need be provide the ballots for election"; now therefore be it

Resolved, by this council, that should said proposition to revise the charter be adopted by the voters of the city that the council room in the city hall shall be the meeting place of said commission; that the compensation of each member of said commission shall be the sum of one dollar, as full compensation for his services while revising said charter, and the sum of \$600.00 is hereby appropriated from the contingent fund to cover all expenses of said charter commission; this appropriation to be void and of no force and effect, should the electors of the city reject the proposition to revise the charter of the city.

By Ald. Avery—

That the resolution be laid on the table one week.

Lost by the following vote:

Yeas—Ald. Avery, Fowler, McComb, Phillips, Watley,—5.

S. S. MAIN,

Committee on Sidewalks.

By Ald. Fowler—

That the report of the committee be adopted.

Carried.

To the Honorable Mayor and City Council:

Gentlemen—Relative to the paving program for ensuing year:

Inasmuch as it is necessary for the city engineer to prepare necessary plans for said paving; and

Inasmuch as it is necessary to prepare underground work previous to paving, such as new main and house connections for sewer, gas, water, etc.

We recommend that the city engineer proceed in accordance with the following program:

Ferris-Larch sts. to East st.  
East-Ferris to north city limits.  
Ottawa-Grand to Capitol.  
Ionia-Logan to Seymour.  
St. Joe-Pine to Grand.  
Kalamazoo-Capitol to Huron.  
Hillsdale-Butler to Pine.  
Kalamazoo-Hosmer to Holmes.  
Pine-Allegan to Saginaw.  
Allen-Michigan to Marcus.  
Middle-St. Joe-Isaac.

Woodlawn-Washington to Moores River drive.

Beaver-Larch to Turner.

Michigan-Butler to west city limits.

Bradley-Barnes to Moores River drive.

Lapeer-Washington to Grand.

Cedar-Mt. Hope to south city limits.

We further recommend that, if possible, petitions be obtained and the following short street connections be paved this year:

Ionia-Seymour to Capitol.  
Saginaw-Summit to Pennsylvania.  
Seymour-Franklin to bridge.  
Sheridan-E. end to pavement east to Pennsylvania ave.  
Spring st.-bridge to Cedar.  
South st.-Platt to Cedar.  
Logan-Sparrow to bridge.

We further recommend that, if possible, petitions be obtained, underwork be done this year and the following streets be paved in 1924:

Pennsylvania-Main to Cedar river.  
Logan-St. Joe to Saginaw.  
North-Seymour to Turner.

W. H. McKALE,  
A. H. PHILLIPS,  
E. D. KLOCK,  
Committee on Streets.

By Ald. Howe—

That the report of the committee be laid on table for one week.

Carried.

To the Honorable Mayor and City Council:

Gentlemen—Relative to Kalamazoo st. bridge:

Inasmuch as your bridge committee and city engineer find that the above mentioned bridge is entirely inadequate and unsafe for traffic passing over this bridge, at the present time; and

Inasmuch as we feel that it is necessary for the council to take certain actions in regard to the use of said bridge in order to avoid a repetition of a disaster similar to the bridge collapse at Kelso, Wash., with its attendant deaths and costly damage suits.

We wish to make the following recommendations:

First: That a traffic watchman, under the jurisdiction of the police department, be placed at the west end of said bridge, whose duty it shall be to let not more than two vehicles cross said Kalamazoo st. bridge in any one direction at one time.

Second: That said officer or officers be stationed at said Kalamazoo st. bridge from 5 a. m. until 10 p. m. daily.

Third: That should any railroad traffic pass the east end of said bridge so as to hold up vehicular traffic across the bridge, that said officer shall hold all vehicular traffic at west end of bridge until said railroad traffic has passed and until any congested vehicular traffic from the east end of the bridge has passed over bridge.

Fourth: That no truck of more than five tons total load be allowed to pass over said bridge.

Fifth: That sufficient money be placed in the coming budget to allow the city engineer to proceed with investigations, surveys, plans and any other necessary work leading toward the construction of a new bridge connecting and straightening Kalamazoo st. across the river and eliminating the present grade crossing of the New York

Central lines.

(Signed) J. H. CHAPMAN, Chairman,  
W. E. TRAGER,  
ELMER CLAPHAM,  
Bridge Committee.  
W. BINTZ, City Engineer.

Resolved by Ald. Chapman: That the report of the committee be adopted.

COUNCIL PROCEEDINGS

The following committee report was taken from the table:

To the Honorable Mayor and City Council:

Gentlemen—Relative to the paving program for ensuing year:

Inasmuch as it is necessary for the city engineer to prepare necessary plans for said paving; and

Inasmuch as it is necessary to prepare underground work previous to paving, such as new main and house connections for sewer, gas, water, etc.

We recommend that the city engineer proceed in accordance with the following program:

Ferris-Larch st. to East st.

East-Ferris to north city limits.

Ottawa-Grand to Capitol.

Ionla-Logan to Seymour.

St. Joe-Pine to Grand.

Kalamazoo-Capitol to Huron.

Hillsdale-Butler to Pine.

Kalamazoo-Hosmer to Holmes.

Pine-Allegan to Saginaw.

Allen-Michigan to Marcus.

Middle-St. Joe-Isaac.

Woodlawn-Washington to Moores River drive.

Beaver-Larch to Turner.

Michigan-Butler to west city limits.

Bradley-Barnes to Moores River drive.

Lapeer-Washington to Grand.

Cedar-Mt. Hope to south city limits.

We further recommend that, if possible, petitions be obtained and the following short street connections be paved this year:

Ionla-Seymour to Capitol.

Saginaw-Summit to Pennsylvania.

Seymour-Franklin to bridge.

Sheridan-E. end to pavement east to Pennsylvania ave.

Spring-bridge to Cedar.

South st.—Platt to Cedar.

Logan-Sparrow to bridge.

We further recommend that, if possible, petitions be obtained, underwork be done this year and the following streets be paved in 1924:

Pennsylvania-Main to Cedar river.

Logan-St. Joe to Saginaw.

North-Seymour to Turner.

W. H. McKALE,

A. H. PHILLIPS,

E. D. KLOCK,

By Ald. Phillips—

Whereas, the Michigan United Railway have been operating one-man cars in the city of Lansing as trial test for a period of nearly 60 days; and

Whereas, numerous complaints have come to this council protesting the operating of said cars; therefore be it

Resolved by the city council of the city of Lansing, that we do protest and object to the further operating of said one-man cars for the reason:

(a) That the service is slowed up, the passengers crowding in and out of the same entrance.

(b) That said one-man cars are set in motion by the operators and while in motion, the operator makes change with the passengers, issues transfers and performs other duties, so that his attention and eye is taken from the traffic in front of the car and makes the operating of the car dangerous to the life and limbs of pedestrians and others.

(c) The name of streets are either not called or not distinctly called, causing confusion among the passengers, so that strangers and others are frequently carried by their destination.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

By Ald. Howe—

Resolved by the city council of the city of Lansing:

That it is the sense of the city council of the city of Lansing that the St. R. R. Co. should build double track on N. Washington from Franklin ave. to Shiawassee st. for the reason that this street is to be resurfaced with asphalt the coming summer.

Resolved further, that a committee, composed of city attorney and

one councilman, present these resolutions to Judge Tuttle.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley.—14.

Nays—None.

By Ald. Heeb—

That letters now in possession of some citizens be sent or taken to Judge Tuttle in regards to one-man cars.

Carried.

By Ald. Heeb—

That Ald. Avery be appointed to accompany the city attorney to Detroit on the visit with Judge Tuttle.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Templeton—

It is the opinion of the city council of the city of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of a sewer in Jerome st. from Marshall st. to a point approximately 135 feet west, as petitioned for, is desirable; there be it

Resolved, that the city engineer be and hereby is instructed to prepare plans for a sewer in Jerome st. in the sewer and drain district, and that he cause a diagram and plan of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, NO. II.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

That it is the intention of said council to construct approximately 135 feet of sewer in Jerome st. from Marshall st. to a point approximately 135 feet west in the sewer and drain district, and that the plan and diagram thereof made and returned by the city engineer be received and placed on file in the office of the city engineer where the same may be found for examination.

Further, that the city council meet at the city council rooms on Monday, the 26th day of March, 1922, at 7:30 p. m., to consider any suggestions and objections that may be made by parties interested with respect to said sewer, and that the city clerk

publish a notice thereof in accordance with section 275 of chapter 18 of the charter.

The lands deemed to be specially benefited by this improvement are as follows: Beginning at a point 138 feet west of the S. W. corner of Marshall and Jerome sts.; thence east 35 feet; thence south 114 feet; thence west 35 feet; thence north 114 feet to the point of beginning, excepting from the above described lands all public streets, alleys and property not benefited by this improvement.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—15.

Nays—None.

# PROCEEDINGS OF THE CITY COUNCIL OFFICIAL

Proceedings, March 26, 1923

City Council Rooms,  
Lansing, March 26, 1923.

The city council met in regular session and was called to order by Acting Mayor S. S. Main.

Roll call: Present, Ald. Avery, Chapman, Clapham, Dymond, Fowler, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—14.

Absent, Ald. DeCamp, Heeb.—2.

Under the head of approving of the record of the previous session, Ald. Avery called attention to an error on page 5 of the council record in relation to the action of the council in the matter of making an appropriation for charter revision and on his motion the record in relation to that matter was corrected to read as follows:

By Ald. Avery—

That Rule No. 36 be suspended.

Carried unanimously.

Rule No. 36 having been suspended, Ald. Avery moved that the resolution of Ald. Templeton of Feb. 26, 1923, making an appropriation for charter revision be reconsidered.

Carried.

The resolution being before the council, Ald. Avery moved that the amount named in said resolution, namely \$600, be changed to \$200.

Carried.

The resolution as thus amended was adopted by the following vote.

Yeas, Ald. Avery, Chapman, Clapham, Dymond, Heeb, Howe, Klock, Main, McComb, Templeton, Trager, Watley.—12.

Nays—Ald. Fowler, McKale, Phillips.—3.

### APPEALS.

This being the time set for hearing any suggestions, changes or objections that may be made by the parties interested in the proposed construction of sewer in Jerome st. from Marshall st. to a point approximately 135 ft. west.

No objections being filed the same was considered satisfactory to parties interested.

### REPORTS OF CITY OFFICERS.

The report of the city treasurer for the month of February, 1923, was received and referred to the committee on auditing.

The report of the assistant scaler of weights and measures and gas inspector for the week ending March 24, 1923, was received and placed on file.

Honorable mayor and city council:

At the last session of the city council there was referred to me

the resolution of Alderman Howe, requesting that the Park Board cause the grounds at Sparrow hospital to be graded.

It would be illegal for the city to grade these grounds at the city's expense. This matter was decided by our circuit court on a similar matter about two years ago.

I understand from the superintendent of the hospital that a portion of the work desired to be done is on Jerome street and Harley street. Of course, there can be no question as to the legality of the city doing the work necessary to put these streets in proper condition.

Respectfully submitted,

JOHN McCLELLAN,

City Attorney.

Received and placed on file.

Resolved by the city council of the city of Lansing:

That the mayor and city clerk be and are hereby authorized and directed to execute on behalf of the city of Lansing the annexed contract with Smith G. Young, Robert Y. Speir and Philo G. Plummer, in which contract the city agrees to make certain approaches from the new Shiawassee st. bridge to the building of said parties, as full

compensation by the city of Lansing to them for damages resulting to their property because of the change of grade of Shiawassee st., resulting from the building of the bridge across the Grand river and the New York Central railroad track.

By Ald. Howe—

That resolution be received and placed on file one week.

Carried.

These articles of agreement made and entered into this.....day of....., 1923, by and between the city of Lansing, Michigan, a municipal corporation, party of the first part, and Smith G. Young, Robert Y. Speir and Philo G. Plummer, parties of the second part, witness that, whereas the said parties of the second part are the owners of the following described lands, and buildings thereon situated, in said city of Lansing and abutting on Shiawassee st. in said city, to-wit:

The west one hundred and ninety-two feet of lot six and of the north half of lot seven, and all of the south half of lot seven and the west two hundred and seven and one-twelfth feet of lot eight, in that part of said lots east of the railroad lands, in block two hundred and forty-six in said city of Lansing;

and whereas the said city of Lansing is constructing an overhead bridge over the tracks of the New York Central railway in said city at the point where said railway tracks cross said Shiawassee st., and as a means thereto has changed the grade of Shiawassee st. in front of said property of said second parties, so abutting thereon, to the damage of said property and of said second parties, and whereas said parties are mutually desirous of amicably adjusting the matter of said damage between themselves;

Now therefore, It is agreed on the part of said first party,

1. That it will build approaches from the new level of said street, in the main traveled portion thereof, to the buildings on said property of said second parties, in accordance with the original drawings and plans therefor made by Wesley Bintz, city engineer of said city, in accordance with the true intent and meaning thereof; blue prints of said drawings and plans, for convenience, not being attached hereto, but for the purpose of identification being signed in duplicate by Philo G. Plummer and said Wesley Bintz.

2. That it will construct at the old grade level of said street, at the point where two entrances to said building are now located, two new entrances to said building inside the south line thereof, in good and

workmanlike manner, building therein stairways from said grade level to the basement floor of said building and to the first floor thereof.

All of which work hereinbefore provided for shall be done and the materials furnished therefor by said first party at its own expense and without expense to second parties.

3. Said city agrees that all of said work and any and all work in the construction of said overhead bridge shall be done without damage to the buildings of second parties or the foundations thereof, and if any such damage shall be caused by the city in its operations in the premises, it shall be thoroughly repaired and made good by the city at its own expense, and any expense of paving repairs, reconstruction of sidewalks, sewers and drains necessitated by the building of said viaduct or as a consequence thereof, shall be borne by the city.

And second parties agree, in consideration of the performance of such work and the furnishing of the materials therefor by first party, that they will waive and fully forego and release to said city of Lansing any and all claims for damages by reason of the premises which they might otherwise have.

In witness whereof the said first party, in pursuance of a resolution of the city council of said city of Lansing directing the same, has hereunto subscribed this instrument, by its acting mayor and city clerk, and the said second parties have subscribed their names hereto.

CITY OF LANSING,

By .....

Acting Mayor.

And .....

City Clerk.

.....

.....

By Ald. Chapman—

Resolved by the city council of the city of Lansing:

That the mayor and the city clerk be and are hereby authorized and directed to execute, on behalf of the city of Lansing, the annexed contract with John F. Collins, receiver of the Michigan United Railway company, and the Michigan United Railway company, relative to the removal of the street railway tracks from Shiawassee st., and compensating said company for the damage resulting from the change of grade of Shiawassee st. opposite its said premises.

By Ald. Templeton—

That the resolution be laid on the table one week.

Carried.

This agreement, made this..... day of March, 1923, by and between the city of Lansing, party of the first part, and John F. Collins, receiver of the Michigan United Railways company, party of the second part, and the Michigan United Railways company, of the third part, witnesseth:

Whereas, the city of Lansing is about to make a certain public improvement on Shiawassee st. in said city by which the grade of said street is changed in front of the premises and car barns of the Michigan United Railways company, and

Whereas, such change of grade necessitates the removal of the tracks of the Michigan United Railways company from said street and an alteration in said car barns whereby the said railway company will enter its premises off from Cedar st. as shown on attached blue print No. T-4-14h and made a part hereof, and

Whereas, the parties hereto have mutually agreed that the damages that should be awarded to the said John F. Collins as receiver and said Michigan United Railways company for said change of grade and expenses necessitated by the change and alteration of said car barns and the relaying of tracks, etc., is the sum of twenty thousand (\$20,000) dollars.

Now therefore, it is mutually agreed as follows:

(1) The said John F. Collins, as receiver, with the approval of the court, and the said Michigan United Railways company hereby consent and agree to remove the tracks and trolley wire of the said Michigan United Railways company on Shiawassee st. and to make entry into said car barns off from Cedar st., as shown by attached blue print, as soon as said work can be reasonably performed; and said party of the first part will at its own expense do what paving and changing of grade of the street it so desires after said tracks and trolley wire have been removed from said Shiawassee st.

(2) The city of Lansing agrees, in consideration of the removal of said tracks and as compensation for the damages and expenses involved in said removal and the change of grade of said street, to pay to the said John F. Collins as receiver, as aforesaid, the sum of twenty thousand (\$20,000) dollars, to be paid and allowed to said receiver by a credit upon the paving taxes assessed against the Michigan United Railways company by the said city of Lansing for the East Michigan ave. pavement, said credit to be made as of April 1, 1923, a receipt

for such tax is to be duly issued to the said John F. Collins, as receiver, by the city treasurer of the said city of Lansing.

(3) The city of Lansing gives and grants unto the said John F. Collins, receiver, as aforesaid, and the said Michigan United Railways company, and to its successors and assigns, permission to enter its premises off from Cedar st. as shown on the blue print hereto attached, and to use said street for said purpose.

(4) The city of Lansing agrees to excavate and remove all earth to the proper grade, as approved by the chief engineer of said second and third parties, for the installation of the tracks, buildings, and driveways between Cedar st. and the west line of the Railway company's property and southerly from the car house to the south line of the Railway company's property, at its own expense, as it is understood that the expense of excavating and removing this earth is additional damages from that set forth in paragraph two (2) of this agreement.

In consideration of the foregoing, the said John F. Collins, as receiver, and the said Michigan United Railways company hereby each waive all further claims and demands for damages to its said premises or for expenses incurred in connection therewith, as above set forth, against the said city of Lansing by reason of said public improvement.

In witness whereof, the parties hereto have caused this instrument to be signed by the mayor and city clerk of the said city of Lansing, and by the said John F. Collins, as receiver, and the Michigan United Railways company, the day and year first above written.

CITY OF LANSING,

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

That the bid of Young Bros. & Daley for the furnishing of sewer pipe being the best and lowest bid, that same be and hereby is accepted, and be it further resolved that the mayor and city clerk be directed to execute a contract with the said Young Bros. & Daley in behalf of the city of Lansing, according to said bid presented, and specifications on file.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

Whereas, notice to taxpayers and persons interested in the construction of 135 feet of sewer in Jerome st. from Marshall st. to approximately 135 feet west in the sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on the 19th day of March, A. D. 1923, together with necessary manholes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer March 26, 1923, be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 19th day of March, A. D. 1923, excepting from said described district all public streets and alleys.

That the estimated expense of such improvement is \$198.00, of which one-sixth, or \$33.00, shall be paid from the general sewer fund and the remainder, or \$165.00, shall

be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley.—13.

Nays—None.

To the Honorable Mayor and City  
Council:

Gentlemen—You will find attached  
a communication from the Board of  
Police and Fire Commissioners un-  
der date of March 29th, with refer-  
ence to the proposed purchase of a  
light truck for the Fire Alarm Tel-  
egraph Dept. of the Fire Depart-

ment at a cost of \$1,391.40.

The communication is self explan-  
atory and I only desire to add that  
the board have during the past fiscal  
year, curtailed the expenses of the  
Fire Department so that they will  
keep within the appropriation al-  
lowed them in June, 1922. Balance  
on April 1, 1923, is \$15,070.15, with  
one month left. Average monthly  
expenditures, \$14,588.48.

Respectfully,

F. H. PRESLEY,  
City Comptroller.

Received and placed on file.

Honorable Mayor and City Council:

Gentlemen—It is imperative that  
the Board of Police and Fire Com-  
missioners be allowed to purchase  
a light truck for the fire alarm tel-  
egraph department. The department  
is now without any rig to transport  
material, etc., and at this time of the  
year we begin to do a great deal of  
underground, aerial and new con-  
struction.

We have placed the price of this  
truck in our next annual budget and  
inasmuch as the budget will not be  
allowed until about July 1st, and  
if we have to wait until then the  
department will be greatly ham-  
pered and will lose much valuable  
time, we therefore would beg your  
honorable body to give us authority  
to purchase this truck, built com-  
plete with top, tool boxes, etc., at a  
cost of \$1,391.40, same to be paid for  
out of the new budget.

Respectfully yours,

J. G. REUTTER,  
President, Board of Police and  
Fire Commissioners,  
A. R. FOSTER,

Chairman,  
L. E. MOORE,  
SETH H. JONES,  
Automobile and Appratus  
Committee.

I hereby certify that the above sum is available for transfer.

F. H. PRESLEY,  
City Comptroller.

By Ald. Howe—

That the resolution lie on the table one week.

Carried.

By Ald. Chapman—

Resolved by the city council of the city of Lansing:

That the mayor and the city clerk be and are hereby authorized and

directed to execute, on behalf of the city of Lansing, the annexed contract with John F. Collins, receiver of the Michigan United Railway company, and the Michigan United Railway company, relative to the removal of the street railway tracks from Shiawassee st., and compensating said company for the damage resulting from the change of grade of Shiawassee st. opposite its said premises.

By Ald. Templeton—

That the resolution be laid on the table one week.

Carried.

This agreement, made this ..... day of March, 1923, by and between the city of Lansing, party of the first part, and John F. Collins, receiver of the Michigan United Railways company, party of the second part, and the Michigan United Railways company, of the third part, witnesseth:

Whereas, the city of Lansing is about to make a certain public improvement on Shiawassee st. in said city by which the grade of said street is changed in front of the premises and car barns of the Michigan United Railways company, and

Whereas, such change of grade necessitates the removal of the tracks of the Michigan United Railways company from said street and an alteration in said car barns whereby the said railway company will enter its premises off from Cedar st. as shown on attached blue print No. T-4-14h and made a part hereof and

Whereas, the parties hereto have mutually agreed that the damages that should be awarded to the said John F. Collins as receiver and said Michigan United Railways company for said change of grade and expenses necessitated by the change and alteration of said car barns and the relaying of tracks, etc., is the sum of twenty thousand (\$20,000) dollars.

Now therefore, it is mutually agreed as follows:

(1) The said John F. Collins, as receiver, with the approval of the court, and the said Michigan United Railways company hereby consent and agree to remove the tracks and trolley wire of the said Michigan United Railways company on Shiawassee st. and to make entry into said car barns off from Cedar st., as shown by attached blue print, as soon as said work can be reasonably performed; and said party of the first part will at its own expense do what paving and changing of grade of the street it so desires after said tracks and trolley wire have been removed from said Shiawassee st.

wassee st.

(2) The city of Lansing agrees, in consideration of the removal of said tracks and as compensation for the damages and expenses involved in said removal and the change of grade of said street, to pay to the said John F. Collins as receiver, as aforesaid, the sum of twenty thousand (\$20,000) dollars, to be paid and allowed to said receiver by a credit upon the paving taxes assessed against the Michigan United Railways company by the said city of Lansing for the East Michigan ave. pavement, said credit to be made as of April 1, 1923, a receipt for such tax is to be duly issued to the said John F. Collins, as receiver, by the city treasurer of the said city of Lansing.

(3) The city of Lansing gives and grants unto the said John F. Collins, receiver, as aforesaid, and the said Michigan United Railways company, and to its successors and assigns, permission to enter its premises off from Cedar st. as shown on the blue print hereto attached, and to use said street for said purpose.

(4) The city of Lansing agrees to excavate and remove all earth to the proper grade, as approved by the chief engineer of said second and third parties, for the installation of the tracks, buildings, and driveways between Cedar st. and the west line of the Railway company's property, and southerly from the car house to the south line of the Railway company's property, at its own expense, as it is understood that the expense of excavating and removing this earth is additional damages from that set forth in paragraph two (2) of this agreement.

In consideration of the foregoing, the said John F. Collins, as receiver, and the said Michigan United Railways company hereby each waive all further claims and demands for damages to its said premises or for expenses incurred in connection therewith, as above set forth, against the said city of Lansing by reason of said public improvement.

In witness whereof, the parties hereto have caused this instrument to be signed by the mayor and city clerk of the said city of Lansing, and by the said John F. Collins, as receiver, and the Michigan United Railways company, the day and year first above written.

CITY OF LANSING,

By .....

Mayor.

By .....

City Clerk.

John F. Collins, Receiver,

Michigan United Railways Company,

# MICHIGAN UNITED RAILWAYS, COMPANY.

By Vice President & General Manager,

By Ald. Avery That there be added in and after paragraph 3, these words: So long as the Railway Franchise is in force.

Carried.

By Ald. Howe That the resolution lie on the table one week.

By Ald. Chapman—

Resolved by the city council of the city of Lansing:

That the mayor and city clerk be and are hereby authorized and directed to execute on behalf of the city of Lansing, the annexed contract with Smith G. Young, Robert Y. Speir and Philo G. Plummer, in which contract the city agrees to make certain approaches from the new Shiawassee st. bridge to the building of said parties, as full compensation by the city of Lansing to them for damages resulting to their property because of the change of grade of Shiawassee st., resulting from the building of the bridge across the Grand river and the New York Central railroad track.

By Ald. Howe—

That resolution be received and placed on file one week.

Carried.

These articles of agreement made and entered into this ..... day of ..... 1923 by and between the city of Lansing, Michigan, a municipal corporation, party of the first part, and Smith G. Young, Robert Y. Speir and Philo G. Plummer, parties of the second part witness that, whereas the said parties of the second part are the owners of the following described lands, and buildings thereon situated, in said city of Lansing and abutting on Shiawassee st. in said city, to-wit:

The west one hundred and ninety-two feet of lot six and of the north half of lot seven, and all of the south half of lot seven and the west two hundred and seven and one-twelfth feet of lot eight, in that part of said lots east of the railroad lands, in block two hundred and forty-six in said city of Lansing;

and whereas the said city of Lansing is constructing an overhead bridge over the tracks of the New York Central railway in said city at the point where said railway tracks cross said Shiawassee st., and as a means thereto has changed the grade of Shiawassee st. in front of said property of said second parties, so abutting thereon, to the damage of said property and of said second parties, and whereas said parties are mutually desirous of amicably ad-

justing the matter of said damage between themselves;

Now therefore, it is agreed on the part of said first party,

1. That it will build approaches from the new level of said street, in the main traveled portion thereof, to the buildings on said property of said second parties, in accordance with the original drawings and plans therefor made by Wesley Bintz, city engineer of said city, in accordance with the true intent and meaning thereof; blue prints of said drawings and plans, for convenience, not being attached hereto, but for the purpose of identification being signed in duplicate by Philo G. Plummer and said Wesley Bintz.

2. That it will construct at the old grade level of said street, at the point where two entrances to said building are now located, two new entrances to said building inside the south line thereof, in good and workmanlike manner, building therein stairways from said grade level to the basement floor of said building and to the first floor thereof.

All of which work hereinbefore provided for shall be done and the materials furnished therefor by said first party at its own expense and without expense to second parties.

3. Said city agrees that all of said work and any and all work in the construction of said overhead bridge shall be done without damage to the buildings of second parties or the foundations thereof, and if any such damage shall be caused by the city in its operations in the premises, it shall be thoroughly repaired and made good by the city at its own expense, and any expense of paving repairs, reconstruction of sidewalks, sewers and drains necessitated by the building of said viaduct or as a consequence thereof, shall be borne by the city.

And second parties agree, in consideration of the performance of such work and the furnishing of the materials therefor by first party, that they will waive and fully forego and release to said city of Lansing any and all claims for damages by reason of the premises which they might otherwise have.

In witness whereof the said first party, in pursuance of a resolution of the city council of said city of Lansing directing the same, has hereunto subscribed this instrument, by its acting mayor and city clerk, and the said second parties have subscribed their names hereto.

CITY OF LANSING,

By ..... Acting Mayor.

And ..... City Clerk.

.....  
 .....  
 .....  
 By Ald. Avery—

That said contract be amended by adding to the end of section 2, the following, "and said work to be completed at substantially the same time that said bridge is completed.

#### CONSTRUCTION OF SEWERS AND DRAINS, I.

By Ald. Templeton—

It is the opinion of the city council of the city of Lansing, that for better sanitation, public convenience and general drainage purposes, the construction of sewers in Oakland street (Durant, E. Line of Westlawn Sub.), Cleo street (Saginaw, N. Line of Westlawn Sub.), Verlinden (Saginaw, N. Line Westlawn Sub.), as petitioned for, is desirable, therefore, be it resolved:

That the city engineer be and hereby is instructed to prepare plans for sewers in said streets above mentioned in the 48th sewer and drain district, and that he cause a diagram and plat of the whole of said district to be made, showing all the streets, public grounds, lands, lots and subdivisions thereof in said district, and the proposed route and location of the sewer, with a plan and profile showing grade and dimensions thereof, and further, that he shall make and furnish to this council an estimate of the cost of the above described sewer.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Fowler, Heeb, Howe, Klock, Main, McKale, Phillips, Templeton, Trager, Watley—13.

Nays—None.

#### CONSTRUCTION OF SEWERS AND DRAINS, NO. II.

By Ald. Templeton—

Resolved by the city council of the

city of Lansing:

That it is the intention of said council to construct 138 feet of 18 inch and 210 feet of 12 inch and 230 feet of 8 inch sewers in Cleo street (Saginaw-Oakland) and 320 feet of 8 inch and 300 feet of 10 inch in Cleo street (Oakland-N. # OFFICIAL PROCEEDINGS OF THE CITY COUNCIL ACTING AS A BOARD OF CANVASSERS

Proceedings, April 5, 1923

The city council met as a Board of Canvassers under authority of Section 20 of the city charter.

Roll Call—Ald. Avery, Clapham, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager, Watley—13.

Absent—Ald. Chapman, DeCamp, Dymond—3.

The following petition was presented to the board by the city clerk.

TO THE HONORABLE MAYOR AND  
MEMBERS OF THE COUNCIL OF  
THE CITY OF LANSING, INGHAM  
COUNTY, MICHIGAN:

Gentlemen:—

Your petitioner, William C. Walters, of the city of Lansing, county of Ingham, and state of Michigan, respectfully represents unto your Honorable Body:

## I.

That he is a resident and elector of the city of Lansing in said county and state, and that he has been a resident and elector of said city continuously for a period of more than ten years last past.

## II.

That a regular annual election for said city of Lansing was held on the second day of April, 1923, the same being held at the city of Lansing, county and state aforesaid; that at said election, aside from other officers, one Mayor for said city was to be elected from said city at large, in accordance with the charter of said city; that under the charter of said city, said election was to be and was non-partisan, and therefore there was no party tickets and no party candidate at said election.

## III.

Your petitioner shows that there were three candidates for said office of Mayor for said city of Lansing at said election, and on the ticket which was to be voted and which was voted at said election; that the names of said candidates were as follows:

Alfred H. Doughty.

Benjamin A. Kyes and

Your petitioner, William C. Walters.

## IV.

Your petitioner further alleges and charges the facts to be that there were mistakes and errors in the counting and canvassing of the vote as made by the Election Boards in the first, second, third and fourth precincts of the fifth ward of the said city of Lansing, as hereinafter set forth.

## V.

Your petitioner further alleges and charges the facts to be that there were mistakes and errors in the counting and canvassing of the vote as made by the election board in the eighth ward of said city of Lansing, said eighth ward having but one voting precinct.

## VI.

Your petitioner further alleges that he is informed and believes, and charges the fact to be, that the board of election inspectors for the first precinct of the fifth ward of the city of Lansing aforesaid, after a canvass of vote in the said precinct, announce that the three different candidates for Mayor for said city of Lansing received the following votes in said precinct; that is to say:

Alfred H. Doughty ..... 112

Benjamin A. Kyes ..... 37

William C. Walters ..... 94

Your petitioner further alleges upon information and belief, and charges the facts to be, that the board of election inspectors for the second precinct of the fifth ward of said city of Lansing, after a canvass of the vote in said precinct, announce that the three different candidates for Mayor for said city of Lansing received the following votes in said precinct; that is to say:

Alfred H. Doughty .....	273
Benjamin A. Kyes .....	80
William C. Walters .....	122
Silas Main (not a regular candidate) .....	3

Your petitioner further alleges upon information and belief, and charges the facts to be, that the board of election inspectors for the third precinct of the fifth ward of said city of Lansing, after a canvass of the vote in said precinct, announce that the three different candidates for Mayor for said city of Lansing received the following votes in said precinct; that is to say:

Alfred H. Doughty .....	165
Benjamin A. Kyes .....	74
William C. Walters .....	98
Homer Coppock (not a regular candidate) .....	1
Silas Main (not a regular candidate) .....	1

Your petitioner further alleges upon information and belief, and charges the facts to be, that the board of election inspectors for the fourth precinct of the fifth ward of said city of Lansing, after a canvass of the vote in said precinct, announce that the three different candidates for Mayor for said city of Lansing received the following votes in said precinct; that is to say:

Alfred H. Doughty .....	85
Benjamin A. Kyes .....	30
William C. Walters .....	48
Silas Main (not a regular candidate) .....	1

Your petitioner further alleges upon information and belief, and charges the facts to be, that the board of election inspectors for the one precinct constituting the eighth ward of said city of Lansing, after a canvass of the vote in said precinct, announce that the three different candidates for Mayor for said city of Lansing received the following votes in said precinct; that is to say:

Alfred H. Doughty .....	124
Benjamin A. Kyes .....	148
William C. Walters .....	113
William C. Burgeon (not a regular candidate) .....	1

#### VII.

Your petition further alleges

that the fifth ward at the time of said election contained four voting precincts, and that the eighth ward contained one voting precinct.

Your petitioner shows upon information and belief, and charges the fact to be that the result, as announced by the different boards of election inspectors of the different voting precincts of the respective wards of the said city of Lansing, gave to the said Alfred H. Doughty a majority of votes, over and above the votes received by your petitioner, of forty-one.

That your petitioner shows that it appears from the announced vote as made by the different boards of election inspectors of the different voting precincts in the respective wards of said city of Lansing that the said Alfred H. Doughty was elected to the office of Mayor of said city.

#### VIII.

Your petitioner further represents upon information and belief, and charges the facts to be, that had a correct and proper count without mistake or error been made of the votes cast at said election for the different candidates for Mayor of the said city of Lansing in the four precincts of the fifth ward of said city and of the one and only precinct of the eighth ward of said city of Lansing, your petitioner would have been legally elected Mayor of said city of Lansing, and your petitioner shows upon such information and belief, and charges the facts to be that he was in truth and in fact elected Mayor of said city of Lansing.

#### IX.

Your petitioner charges upon such information and belief that there were errors and mistakes made in the count and the canvass of the ballot so cast at said election in the four precincts above specified of the fifth ward, and the one precinct of the eighth ward of said city of Lansing, which errors and mistakes so made constitute a fraud upon your petitioner.

Your petitioner shows that such errors and mistakes were committed in the counting and in the canvassing of the ballots for the office of Mayor for the said city of Lansing by the boards of election inspectors in and for the first, second, third and fourth voting precincts of the fifth ward of said city, and of the one voting precinct of the eighth ward of said city, and that such errors and mistakes, among others, were as follows:

1. That several and more than forty-two votes legally cast were

not counted by said boards of election inspectors for said voting precincts.

2. That several and more than forty-two votes were declared by said boards of election inspectors of said precincts to be marked ballots and illegal ballots and were not counted by said election inspectors of said voting precincts, which said ballots were not marked ballots and were ballots legally and properly cast and legally and properly entitled to be counted.

3. That several and more than forty-two votes were by said boards of election inspectors of said voting precincts for Alfred H. Doughty, which votes should legally have been credited and counted to some one of the other two candidates for Mayor for said city of Lansing.

4. That several and more than forty-two votes were by said boards of election inspectors of said voting precincts credited to other candidates for city and aldermanic offices for said city of Lansing, which should legally have been counted as votes for your petitioner, the said William C. Walters.

5. That the ballots and votes cast for Mayor of the city of Lansing in the fourth precinct of the fifth ward should not be counted because the certificate of statement of vote for said precinct was not signed by the inspector of the board of said precinct.

X.

Your petitioner deems himself aggrieved on account of the mistakes and errors in said election and in the counting of the ballots therein in the first, second, third and fourth precincts of the fifth ward, and of the one precinct of the eighth ward of said city of Lansing, and that he has been deprived of a number of votes which, if had been properly received and counted, he would have been declared elected, all of which he was duly and legally entitled to.

Your petitioner therefore prays that inasmuch as he is without regress or relief in said matter, except by this Honorable Body, he prays that it disregard and hold for naught the proclamation heretofore made by the boards of election inspectors of the several voting precincts of the respective wards of the said city of Lansing declaring Alfred H. Doughty elected to the office of Mayor of said city of Lansing, and declare the same to be void and of no effect for the reasons heretofore given, and that your Honorable Council, either as a body or by a regularly appointed committee for said purpose, recount the said ballots of the first, second, third and

fourth voting precincts of the fifth ward of the said city of Lansing, and the one voting precinct of the eighth ward of said city of Lansing, cast for the several candidates for Mayor of said city of Lansing, and that the rights of your petitioner may be protected and that your petitioner be declared duly and legally elected Mayor for the said city of Lansing at said election last held. And your petitioner will ever pray, etc.

WILLIAM C. WALTERS,  
Petitioner.

STATE OF MICHIGAN, County of Ingham

William C. Walters the above named petitioner, being first duly sworn deposes and says that he has read the foregoing petition by him subscribed and knows the contents thereof, and that the same is true of his own knowledge except as to those matters which are therein stated to be upon his information and belief, and as to those matters he believes it to be true.

Subscribed and sworn to before me this 5th day of April, A. D. 1923.

W. F. CAIRNS,  
Notary Public, Ingham county, Michigan

Gentlemen—

Section 70 of chapter 4 of the city charter provides that the city council shall in each year, elect a special auditor, who shall not be connected, either directly or indirectly, with the city government. The compensation provided by the charter is \$150 for making said audit.

I respectfully submit herewith two propositions from local accounting firms, who state what services they will render for the fee of \$150, also what it will cost approximately for a detailed audit.

I trust the council will take some definite action in the matter at this time, as the parties to be engaged should commence work at an early date.

Respectfully,

F. H. PRESLEY,

City Comptroller.

Referred to committee on auditing.

By Ald. Chapman—

Resolved by the city council of the city of Lansing:

That the mayor and the city clerk be and are hereby authorized and directed to execute, on behalf of the city of Lansing, the annexed contract with John F. Collins, receiver of the Michigan United Railway company, and the Michigan United Railway company, relative to the removal of the street railway tracks from Shiawassee st., and compensating said company for the damage resulting from the change of grade of Shiawassee st. opposite its said premises.

This agreement, made this ..... day of March, 1923, by and between the city of Lansing, party of the first part, and John F. Collins, receiver of the Michigan United Railways company, party of the second part, and the Michigan United Rail-

ways company, of the third part, witnesseth:

Whereas, the city of Lansing is about to make a certain public improvement on Shiawassee st. in said city by which the grade of said street is changed in front of the premises and car barns of the Michigan United Railways company, and

Whereas, such change of grade necessitates the removal of the tracks of the Michigan United Railways company from said street and an alteration in said car barns whereby the said railway company will enter its premises off from Cedar st. as shown on attached blue print No. T-4-14h and made a part hereof, and

Whereas, the parties hereto have mutually agreed that the damages that should be awarded to the said John F. Collins as receiver and said Michigan United Railways company for said change of grade and expenses necessitated by the change and alteration of said car barns and the relaying of tracks, etc., is the sum of twenty thousand (\$20,000) dollars.

Now therefore, it is mutually agreed as follows:

(1) The said John F. Collins, as receiver, with the approval of the court, and the said Michigan United Railways company hereby consent and agree to remove the tracks and trolley wire of the said Michigan United Railways company on Shiawassee st. and to make entry into said car barns off from Cedar st., as shown by attached blue print, as soon as said work can be reasonably performed: and said party of the first part will at its own expense do what paving and changing of grade of the street it so desires after said tracks and trolley wire have been removed from said Shiawassee st.

(2) The city of Lansing agrees, in consideration of the removal of said tracks and as compensation for the damages and expenses involved in said removal and the change of grade of said street, to pay to the said John F. Collins as receiver, as aforesaid, the sum of twenty thousand (\$20,000) dollars, to be paid and allowed to said receiver by a credit upon the paving taxes assessed against the Michigan United Railways company by the said city of Lansing for the East Michigan ave. pavement, said credit to be made as of April 1, 1923 a receipt for such tax is to be duly issued to the said John F. Collins, as receiver, by the city treasurer of the said city of Lansing.

(3) The city of Lansing gives and

grants unto the said John F. Collins, receiver, as aforesaid, and the said Michigan United Railways company, and to its successors and assigns, permission to enter its premises off from Cedar st. as shown on the blue print hereto attached, and to use said street for said purpose so long as the railway franchise is in force.

(4) The city of Lansing agrees to excavate and remove all earth to the proper grade, as approved by the chief engineer of said second and third parties, for the installation of the tracks, buildings, and drive-ways between Cedar st. and the west line of the Railway company's property, and southerly from the car house to the south line of the Railway company's property, at its own expense, as it is understood that the expense of excavating and removing this earth is additional damages from that set forth in paragraph two (2) of this agreement.

In consideration of the foregoing, the said John F. Collins, as receiver, and the said Michigan United Railways company hereby each waive all further claims and demands for damages to its said premises or for expenses incurred in connection therewith, as above set forth, against the said city of Lansing by reason of said public improvement.

In witness whereof, the parties hereto have caused this instrument to be signed by the mayor and city clerk of the said city of Lansing, and by the said John F. Collins, as receiver, and the Michigan United Railways company, the day and year first above written.

CITY OF LANSING,

By .....  
Mayor.

By .....  
City Clerk.

John F. Collins, Receiver,  
Michigan United Railways Company,  
MICHIGAN UNITED RAILWAYS,  
COMPANY.

By .....  
Vice President & General Manager,

By Ald. Avery—  
That the matter be laid on the table.

Carried.  
By Ald. Chapman—

Resolved by the city council of the city of Lansing:

That the mayor and city clerk be and are hereby authorized and directed to execute on behalf of the city of Lansing, the annexed contract with Smith G. Young, Robert Y. Speir and Philo G. Plummer, in which contract the city agrees to

make certain approaches from the new Shiawassee st. bridge to the building of said parties, as full compensation by the city of Lansing to them for damages resulting to their property because of the change of grade of Shiawassee st., resulting from the building of the bridge across the Grand river and the New York Central railroad track.

These articles of agreement made and entered into this ..... day of ..... 1923, by and between the city of Lansing, Michigan, a municipal corporation, party of the first part, and Smith G. Young, Robert Y. Speir and Philo G. Plummer, parties of the second part, witness that, whereas the said parties of the second part are the owners of the following described lands, and buildings thereon situated, in said city of Lansing and abutting on Shiawassee st. in said city, to-wit:

The west one hundred and ninety-two feet of lot six and of the north half of lot seven, and all of the south half of lot seven and the west two hundred and seven and one-twelfth feet of lot eight, in that part of said lots east of the railroad lands, in block two hundred and forty-six in said city of Lansing;

and whereas the said city of Lansing is constructing an overhead bridge over the tracks of the New York Central railway in said city at the point where said railway tracks cross said Shiawassee st., and as a means thereto has changed the grade of Shiawassee st. in front of said property of said second parties, so abutting thereon, to the damage of said property and of said second parties, and whereas said parties are mutually desirous of amicably adjusting the matter of said damage between themselves:

Now therefore, it is agreed on the part of said first party,

1. That it will build approaches from the new level of said street, in the main traveled portion thereof, to the buildings on said property of said second parties, in accordance with the original drawings and plans therefor made by Wesley Bintz, city engineer of said city, in accordance with the true intent and meaning thereof; blue prints of said drawings and plans, for convenience, not being attached hereto, but for the purpose of identification being signed in duplicate by Philo G. Plummer and said Wesley Bintz.

2. That it will construct at the old grade level of said street, at the point where two entrances to said building are now located, two new entrances to said building inside the south line thereof, in good and workmanlike manner, building

therein stairways from said grade level to the basement floor of said building and to the first floor thereof.

All of which work hereinbefore provided for shall be done and the materials furnished therefor by said first party at its own expense and without expense to second parties, and said work to be completed at substantially the same time that said bridge is completed.

3. Said city agrees that all of said work and any and all work in the construction of said overhead bridge shall be done without damage to the buildings of second parties or the foundations thereof, and if any such damage shall be caused by the city in its operations in the premises, it shall be thoroughly repaired and made good by the city at its own expense, and any expense of paving repairs, reconstruction of sidewalks, sewers and drains necessitated by the building of said viaduct or as a consequence thereof, shall be borne by the city.

And second parties agree, in consideration of the performance of such work and the furnishing of the materials therefor by first party, that they will waive and fully forego and release to said city of Lansing any and all claims for damages by reason of the premises which they might otherwise have.

In witness whereof the said first party, in pursuance of a resolution of the city council of said city of Lansing directing the same, has hereunto subscribed this instrument, by its acting mayor and city clerk, and the said second parties have subscribed their names hereto.

By Ald. Templeton—

Resolved by the city council of the city of Lansing:

That the bid of E. J. Damir for the construction of a sewer in Jerome st. from Marshall st. to 135 feet west, for the sum of \$125.00, being the best and lowest bid, that same be and hereby is accepted, and be it further resolved that the mayor and city clerk be directed to execute a contract with the said E. J. Damir in behalf of the city of Lansing, according to said bid presented, and specifications on file.

The above resolution was placed on file for one week in office of city clerk in accordance with section 92 of city charter.

The report of the sealer of weights and measures and gas inspector for the week ending April 14, 1923, was received and placed on file.

Gentlemen of the council:

My attention has been called to the crowded condition of the vault in the assessor's department, and as their records are records of value and must be preserved, I believe that we should include in next year's budget a sum of money sufficient to provide a fireproof vault in the basement of the city hall, to

file both records from this department and the city clerk's office.

I trust you will give this matter your serious consideration.

Respectfully,  
ALFRED H. DOUGHTY,

Mayor.

Referred to committee on public buildings.

To the honorable mayor and city council of the city of Lansing:

Gentlemen:—

I herewith report that on April 12, I sold in Detroit to Bishop, Holmes, Hammond & Jackson, sixty-eight hogs weighing 18,530 lbs. at \$8.60 per hundred and received a check for \$1,519.86 which was credited to garbage disposal.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—The permission of your honorable body is hereby requested for the mayor, street committee and superintendent of public works to accept the invitation to go to Utica, N. Y., for the purpose of inspecting the "Child's Motor Pick-up Street Sweeper."

Respectfully,

A. WINEGAR,

Supt. Public Works.

By Ald. McKale—

That the invitation be accepted.

By Ald. Howe—

That the motion be laid on the table.

Adopted by the following vote:

Yeas—Ald. Avery, Chapman, Clapham, Dymond, Fowler, Heeb, Howe, Klock, Main, McComb, McKale, Phillips, Templeton, Trager—14.

By Ald. Fowler—

That the communication be received and placed on file.

Carried.

To the mayor and city council:

Gentlemen—We have in our budget for the year 1923 items covering the purchase of a Fordson tractor equipped with hard rubber tires, brakes and governor control.

We can use the machine to good advantage at the present time in working up our roads with our grader and in properly fitting them for the summer.

With the miles of road we are maintaining in the parks and Moores River Drive and the cemetery and the grading work at the new cemetery and the tourist camp, with the use of the tractor at the ice rinks in the winter we consider the tractor an economical investment.

If it is the pleasure of the council we would like to purchase this equipment and take care of the pay-

ment when our budget is allowed.

Sincerely,

PARK AND CEMETERY COM-  
MISSIONERS.

By H. LEE BANCROFT.

By Ald. Avery—

That the communication be re-  
ceived and placed on file.

Carried.

To the honorable mayor and city  
council:

Gentlemen—We, the undersigned,  
respectfully petition your honorable  
body to authorize the installation of  
a Bell telephone in the office of the  
city forester, for the use of the fol-  
lowing departments:

Department Parks and Forestry;  
Cemetery;  
City Comptroller;  
Board of Plumbing Inspectors.  
Building Inspector.

The cost of same to be paid out  
of contingent fund for the month of  
April, 1923, and the cost for the en-  
suing fiscal year to be paid by the  
following departments out of their  
respective budgets in equal amounts:

Parks and Forestry;

Honorable mayor and member of the city council:

Gentlemen—I am requested to bring to your attention the fact that I am the owner of the following described property:

The East twenty-seven (27) feet of lot one (1), and the east twenty-seven (27) feet of the north twenty-two (22) feet of lot two (2) all in block 164, of the city of Lansing.

The above description has a width of only twenty-three and one-half (23½) feet instead of twenty-seven (27) feet, as described. In other words, there is a shortage of three and one-half (3½) feet. This was a very valuable lot and the shortage

of three and one-half (3½) feet materially affects the value of the lot because it is at best but a small lot.

This lot was deeded to me for twenty-seven (27) feet in width by the Detroit Trust Company, as trustee or executor of the will of J. H. Moores. This will of J. H. Moores makes the City of Lansing, Mr. Moores' brother and Mr. Weed the three legatees under the will of J. H. Moores. Mr. C. F. Hammond represents the Detroit Trust Company and Mr. J. H. Moores' brother. The matter has been brought to the attention of Mr. Weed of this city, who is desirous of having it adjusted including the Trust Company and Mr. Hammond, are also desirous of adjusting the claim made by me upon a fair and reasonable basis.

The Real Estate Board of this city has placed a valuation on this three and one-half feet and I have their certificate of valuation.

I respectfully ask your honorable body to refer this matter to the city attorney and a committee who can take it up with Mr. Hammond, Mr. Weed and myself and make a proper adjustment on behalf of the city and other legatees above named.

Will you kindly see that prompt action is taken in the matter as I have been very patient and it is a very valuable right which belongs to me. I have no disposition to make any expense or trouble in connection with the matter if it can be adjusted in the proper way.

Awaiting your attention, I am,

Yours very respectfully,

PHOEBE M. CRONK,

By FRANK L. DODGE,

Her Attorney.

Referred to committee on city affairs and city attorney.

#### REPORTS OF CITY OFFICERS.

An annual report of the city market master for the past year was received and placed on file.

The report of the city treasurer for the month of March, 1923, was received and referred to the committee on auditing.

The report of the sealer of weights and measures and gas inspector for the week ending April 21, 1923, was received and placed on file.

Gentlemen of the council:

I find that the resolution regulating the time that offices in the city hall should be open to the public was passed in June, 1910, and there has been no material change since then. This resolution provides that

the several offices in the city hall be kept open from 8 a. m. until 4 p. m. each day excepting Saturdays, when they shall close at 1 o'clock during the period of from June 1st to September 15th.

I believe that we should keep these offices open to the public and be in a position to serve them continuously from 8 a. m. until 5 p. m. each day, closing as provided at 1 p. m. Saturday noon.

I, therefore, suggest that your honorable body pass the proper resolution providing for this change.

Respectfully,

ALFRED H. DOUGHTY,

Mayor.

Received and placed on file.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—I herewith report that on April 19th, I sold in Detroit to Bishop, Holmes, Hammond & Jackson seventy-one hogs weighing 19,210 lbs. at \$8.40 per hundred and received a check amounting to \$1,641.05 which was credited to garbage disposal.

19,210 lbs @ \$8.40 .....	\$1,613.64
Feed and yardage .....	\$16.81
Freight .....	41.58
Commission .....	14.00
Insurance .....	.20
	72.59

\$1,641.05

Respectfully,

GEO. A. CANFIELD,

Supt. of Garbage.

Received and placed on file.

To the mayor and city council:

Gentlemen—We would like to call your attention to the need of the Park and Cemetery department for a tractor for use in road and grading work.

We would also like to advise you of the offer of E. F. Foster Co. of a Fordson tractor which was used for demonstrating at the race track last year which carries the same guarantee as a new tractor but which we could purchase at a \$75 reduction.

We would like to recommend that this tractor be purchased and an item to cover the purchase be allowed in our budget for 1923.

The cost equipped would be \$645 less \$75 or \$570.

H. LEE BANCROFT,

City Forester.

Received and placed on file.

To the honorable mayor and city council of the city of Lansing:

Gentlemen—Your attention is called to the fact that the cofferdam has been driven to rock and unwatered at the east pier of Shiawassee Street bridge, and it would

be of interest to the mayor and councilmen to see the excavation necessary and the rock upon which the bridge is built. This must be seen inside the next day or two or it will be concreted over.

Your attention is also called to the very poor underground soil that is being encountered at South Cedar st. and Mount Hope avenue where the Cedar street sewer is being constructed. This will also be of interest and should be seen by the mayor and aldermen inasmuch as the matter of soil encountered and attending conditions are very likely to come up in the future.

Respectfully,

W. BINTZ,  
City Engineer.

Received and placed on file.

To the honorable mayor and city council:

Gentlemen—I respectfully request that I may be authorized to transfer from the Seventh Ward Highway fund a sum sufficient to cover the overdraft in the Fourth Ward Highway fund and such other ward funds as may show an overdraft on May 1st, 1923. Said sum to be credited to Seventh Ward Highway Fund as soon as the budget for 1923-24 has been approved.

Very truly yours,

F. H. PRESLEY,  
City Comptroller.

Approved:

M. A. TEMPLETON,  
WM. L. McCOMB,  
Aldermen 7th Ward

#### CONSTRUCTION OF SEWERS AND DRAINS, III.

By Alderman Chapman—

Resolved by the city council of the city of Lansing:

Whereas, Notice to taxpayers and persons interested in the construction of 342 feet of sewer in Summer-ville ave. from end of existing sewer to Daleford in the . . . sewer and drain district of the city of Lansing, having been duly given as required by the charter of said city, and the said city council after hearing divers suggestions and objections by such persons so interested, at the time and place provided in such notice to the plans and necessity of such improvement, and after due consideration it is hereby determined by said city council that such sewer is a necessary public improvement; and it is determined by such city council to construct the same as originally set forth in a resolution adopted by such city council on . . . day of . . . A. D. . . . together with necessary man-holes, catch basins and laterals therefrom.

And that the plat and diagram as returned by the city engineer, April 23, 1923, be and the same is hereby adopted and that it be recorded in the book of sewer records in the office of the city clerk, and it is further resolved, that the portion of the city deemed to be specially benefited

by said improvement is all lots, parts of lots and pieces of land within the district specifically described and set forth in a resolution of said city council, for the construction of said sewer passed upon the 23rd day of April, 1923, excepting from said described district all public streets and alleys not benefited by this improvement.

That the estimated expense of such improvement is \$480.00, of which one-sixth or \$80.00 shall be paid from the general sewer fund and the remainder or \$400.00, shall be defrayed by special assessment, upon all the taxable lands and premises, within the district above described in proportion to the benefits accruing to each parcel respectively from the construction of such sewer, and upon the owners and occupants of the houses and lands within said district in proportion to the advantage which shall accrue from the construction of such sewer.

That the city assessors be and hereby are instructed to make an assessment in accordance with the terms of the above resolution, and report the same to this council at the next regular meeting, or as soon thereafter as may be.
